

DOUBLE BLOW FOR LOCAL LODGE

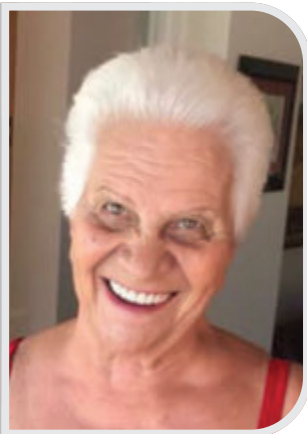

Rustenburg – A lodge located on the N4 – about 30km outside Rustenburg – in Moedwil's direction was nearly cleaned out in a burglary in the early hours of Tuesday 1 November 2022. According to Rustenburg police spokesperson, sergeant Ofentse Mokgadi, the suspects fled the scene with furniture, cutlery, bedding and a truck. *Platinum Weekly* reported on 14 October 2022, about an incident at the same lodge where a group of school kids were robbed at gunpoint. So far, no arrests regarding the burglary have been made. Anyone with information is encouraged to Koster Police's detective Sergeant Sello Khumalo at 076 510 9112.

DOCTOR TO EVALUATE ALLEGED CHILD MOLESTER

Rustenburg – A man who is accused of molesting a 14-year-old boy will undergo medical evaluation following his appearance before the regional court in Rustenburg on Monday 17 October 2022. The man is accused of molesting a boy while he was a teacher at a prominent primary school in Rustenburg. "The case has been postponed to 10 November 2022 for the outcome of a medical report on the accused's ability to follow court proceedings," said Henry Mamothame, National Prosecuting Authority (NPA) regional spokesperson. The man was arrested last year after the mother of the victim found incriminating messages from the man on the boy's phone and reported it to the police. It came to light that an alleged improper friendship between the teacher and the child had been going on for a while.

Crime escalating in the Renosterfontein and Modderfontein area

Modderfontein/ Renosterfontein/ Rustenburg - In a great team effort by Buffelspoort Sekuriteit's Charl Visser and his team, Niel Vermaak and Chris Lombaard, a suspect in a house burglary in the Renosterfontein area was arrested on Friday 28 October 2022. After receiving information about a stolen generator, they followed the tracks that led to not only the suspect, but also several items that were suspected to be stolen goods. The stolen items were handed in at the Rustenburg Police Station. If you recognise any of these stolen items, contact Visser on 076 344 2469. In another incident, a trailer was stolen between 00h00 and 01h00 on 1 October 2022. It is suspected that a vehicle pulled into the property, hooked the trailer and drove out. Just a short distance from where the trailer was stolen, there was a burglary at another house. There is a strong suspicion that the same trailer was used to transport the stolen items. Visser urges residents to get early warning systems in place. "There are several inexpensive security devices available. Even if you must, tie cans to a fish line, make sure you have something in place. Although dogs can warn you, criminals have ways to get past them, and they won't hesitate to hurt your dogs when they need to keep them quiet." He also advised that if you have a trailer make sure it is tied down or tied to something like a tree to make it more difficult to steal.

Some of the stolen items were recovered. If you recognise any of these items, contact Charl Visser.

The trailer was stolen and suspected to be used in another house burglary.

MASSIVE INCREASE IN PETROL AND DIESEL PRICES

SA – South African motorists will be paying more for petrol and diesel on Wednesday (2 November 2022) after the Department of Mineral Resources and Energy announced price hikes. The price increases are According to the department, the price increases are coming due to higher prices for international petroleum products coupled with a weaker rand. Prices for petrol will increase by 51 cents per litre, while diesel prices will jump by around R1.40 a litre.

WOOD WARS IN DERBY

Derby – Firewood has become a valuable trade commodity in the Derby community. It has become an item that people are willing to kill for. In the *Platinum Weekly* issue of 7 October 2022, it was reported that a fight over firewood turned violent after a man almost lost his hand in an altercation over wood. Derby Buurtwag was again summoned to a scene on Friday 28 October 2022 where a man was threatened at knifepoint to hand over his wheelbarrow which was filled with firewood. Luckily, due to the Buurtwag's quick reaction, no one got hurt and the firewood was returned. This rising issue does highlight the possible ripple effect that load shedding causes in communities, as a shortage of power increases the demand for firewood and other heating alternatives.

PROMOTION VALID 1-7 NOVEMBER 2022

Dis weer tyd vir die
Liggies vir Lewe-Fees

Die pragtige liggies by die 2021 Liggies vir Lewe-Fees.

Rustenburg – Vanjaar se jaarlikse NG Proteapark Liggies vir Lewe-Fees vind vanaf Sondag 27 November tot Woensdag 30 November 2022 plaas. Die Rustenburg-gemeenskap word ruimhartig uitgenooi om hierdie opelugskouspel te kom besigtig. Die tema van die fees is: 'ONS GEE'. Hierdie jaar se opbrengste van die fees sal gebruik word om die Rustenburg se G-Om Projek te ondersteun.

Die Liggiefees-projek het in 2015 begin toe NG Proteapark se kerkgebou vir die eerste keer deur liggies versier is. Elke jaar word nuwe liggies bygevoeg – dit is nou al meer as drie kilometer se liggies! Die organiseerders van die Liggiefees wil graag die gemeenskap oor die feestyd laat kom kyk na die geboorte van Jesus en die betekenis van Sy sterwe wat uitgebeeld word in liggies. Die fees gebruik ook die geleentheid om aan die gemeenskap 'n besondere Kerservaring te gee.

Wat maak hierdie fees so spesiaal? Unieke uitstallers, opelugvermaak en aandetes! Die uitstallers is goedgekeur

om duplisering van produkte te vermy. Om die atmosfeer van 'n nagmark te skep, is die fees tussen 16:00 en 21:00 elke aand. Daar is ook vermaak vir kinders, en toegang tot die fees is gratis.

Die program vir die vierdag-fees lyk as volg: Die Liggies vir Lewe-Fees skop af op 27 November om 16:00 wanneer die hekke oopmaak. Die program begin om 18:30, waarna Riaan Benadé en sy orkes optree totdat die liggies om 20:00 aangeskakel word. Kom somer al vroegmiddag, bring jou vriende en familie, 'n kampstoel of kometers en kom kry iets te ete of te drink by die kosstalletjies. Maandagaand, 28 November word daar gefokus op die kleingoed. Om 17:00 gaan Bee-Bee die By weer die kinders in die Teatro vermaak – dit is gewoonlik 'n groot gunsteling by die fees! Later die aand word die grootmense vermaak wanneer Heuning in die buitelug optree, kom ondersteun hulle gerus.

Dinsdag, 29 November is Cordelia ons gaskunstenaar. Sy is bekend vir liedjies soos "Anker" of "Mal in jou kop".

Kom luister gerus na haar mooi stem terwyl jy die stalletjies besoek. Die fees sluit Woensdag, 30 November af met Kersliedere onder die sterre. Hierdie jaar gaan 'n skitterende skouspel van kore, musiekinstrumente en sangers deel van die afsluiting wees – moenie dit misloop nie!

Tussendeur alles gaan NG Proteapark se gewilde treintjie, die Liggie-Express, weer die kleingoed tussen die liggies rondrits. Donasies vir skoolbehoefes kan by die kerkkantoor of in die kerk se rekening inbetaal word. Die kinders wat deel is van die projek word ook bederf tydens die fees. Kom wees deel van hierdie besondere geleentheid en laat jou liggie helder skyn vir Jesus!

Die kerk se liggies kan elke aand tot en met 25 Desember besigtig word.

Vir verdere navrae kontak die Kerkkantoor op 014 533 4028, projekkoördineerder Jaco de Wet op 082 920 8201 of bemarkingsbeampte Christel Herbst op 082 785 2439.

Dump and run causes vehicle crash

TLBs were used to clear up the road while the Department of Public Safety's personnel controlled the flow of traffic.

The material on the road posed a serious threat to drivers who were travelling towards Rustenburg.

Rustenburg – During the early morning hours the driver of a grey Volkswagen Polo who was travelling along the Ottoman Highway crashed into a huge pile of waste made up of mostly rock and soil. The motive of the truck driver is unclear at this stage. Chairperson of Phokeng's Community Policing Forum (CPF), Gideon Erasmus, expressed his frustration with truck drivers who endanger road users by illegally offloading their waste material onto the road.

Sannah Baba of Trauma Rescue, who arrived at the scene of the accident, said that the driver was transferred to Peglerae Hospital. "He sustained abrasions to his head and was in need of further care," Baba said.

Erasmus also arrived at the scene shortly after. He has a theory of why the waste was dumped at that spot. "The truck must have been overloaded, which means that it couldn't go over the steep part of the road. The driver must have decided to offload some of his cargo. The driver of the Volkswagen, who was travelling from Phokeng, could not see the dumped load (blind rise) and crashed into it," said Erasmus, "I believe that the truck was carrying unprocessed chrome. This behaviour is not acceptable."

Erasmus and the owners of Keyhole notified the Department of Public Safety about the hazard, and tractor-loader backhoes (TLBs) were brought in to clear the road. Personnel from the Department of Traffic controlled the flow of traffic.

"Perpetrators of these crimes must be arrested because they endanger the lives of motorists and road users," Erasmus concluded.

If you have any information about this incident, please contact your nearest police station or speak to one of Platinum Weekly's journalists on 081 579 7000.

In Conversation With... The first three women to achieve Impala Rustenburg's Platinum Miner status

Three women miners – Kgomotso Alvin, Makgethwa Mankgane and Neverdie Singini – have achieved Impala Rustenburg's prestigious status of 'Platinum Miner', having completed all three levels of the miner's development programme and attained their target of 100% in safety and production ratings for three consecutive months.

Impala Rustenburg's Miner Development Programme was designed to enable miners to achieve their workplace goals as part of Impala's Game Plan 2025 internal strategy.

"Growth and development are cornerstones of Impala Rustenburg's Game Plan 2025 vision, and we are exceptionally proud to

have facilitated the upskilling of miners through our Miner Development Programme since it was launched just over 18 months ago," says Mark Munroe, CE of Impala Rustenburg.

The men and women who have been awarded Platinum Miner status are considered to be role models within our miner workforce."

Kgomotso Alvin 11 SHAFT DAY SHIFT

Q: How did you get into the mining industry?

A: I started my career in mining as a winch operator, which gave me great experience and the opportunity to become a miner – and I am still working hard to get further than I am now.

Q: What did it take for you to achieve 100% on your safety and production ratings for 3 months?

A: It is thanks to the grace of God and the dedicated team of men and women behind me. I can't take the glory; it was God who gave us the wisdom and knowledge. We hold safety meetings to remind ourselves of the importance of working safely, and we follow the mining standards of working and the health and safety mining procedures.

Q: How do you feel about becoming a Platinum Miner?

A: It is a great honour indeed to work for a company that recognises women, and to work with men who are not intimidated by women. I have a great team behind me and my husband has helped me become the great miner I am today. If it wasn't for his leadership, I don't think I would have made it this far.

Makgethwa Mankgane 6 SHAFT NIGHT SHIFT

Q: How did you ensure you were able to achieve this title of Platinum Miner?

A: Knowing the basics, commitment and discipline. I take my team seriously and I understand them. We make every decision together as a team and my Shift Supervisor is very supportive and encouraging.

Q: How do you feel about becoming a Platinum Miner?

A: I'm very happy. It shows that it's not only men who can achieve it. I hope that I can inspire other women.

Q: What is the most challenging part about being a woman in mining?

A: I'm still young and some men are not supportive of women in mining. I'm a strong woman and no matter what the challenges I will show people that I am a miner, the same as any other miner, and being a woman doesn't make me any different.

Neverdie Singini 12 SHAFT NIGHT SHIFT

Q: How did you get into the mining industry?

A: I decided to become a miner because I'm interested in platinum production, and to inspire others in my community to enter the field of mining.

Q: What did it take for you to achieve 100% on your safety and production ratings for 3 months?

A: It takes good communication and sticking to the standards and procedures, such as always wearing full PPE to avoid injuries. It's also about being a good leader and inspiring your team to work hard.

Q: What does it mean to you to be a Platinum Miner?

A: It means that you are helping the company grow by reaching targets every month and always sticking to the rules.

Congratulations to these women and thank you to all our Platinum Miners for your commitment to safety and production. We are proud to be working with you to create a better future for Rustenburg through consistent production at the highest standards.

Mark Munroe, CE Impala Platinum Rustenburg

**PLEASE
BE
PATIENT
WITH US!**

[Letter to the editor]

Rustenburg – I am a learner driver, and I would like to express my frustration through your newspaper about how we are treated by the other 'know-it-all' drivers.

Recently, when I took 'too long' to pull away from a stop sign, another driver behind me kept on hooting for me to move. It was very frustrating because I was trying to do it the right way. But because the impatient driver kept on hooting, I panicked and lost my concentration, and was so anxious that I lost my focus and accidentally switched my car's engine off.

To all the experienced drivers out there, please be patient with us learners! You were once in our shoes, and you were not always as perfect as you expect us to be on the road. The 'L' plate is there for a reason, so please be tolerant because your impatience only makes it worse.

Putting pressure on us doesn't help the matter – if anything, it could only cause an accident.

Frustrated learner driver

Die Ridge Cherries span van links: Marno Naude, Sune Fouche, Mariska Eastes, en Gert Eastes.

André Lötter was die seremoniemeester vir die dag.

Darius Agenbag en Ciciil Nel van Advanced Group het 'n demonstrasie gegee van hul Fireblock produk.

Rustenburg – Kumbagana Game Lodge net buite Buffelspoort was beslis die plek om te wees op Saterdag 29 Oktober 2022, vir die Berry Cherry Makietie. Talentvolle musikante, Angelo Lark en Die Flooze het feesgangers vermaak met hulle unieke persoonlikhede en pragtige stemme. André Lötter, die seremoniemeester, het die program laat vloei en talle ondersteuners lam in die knieë gelaat. Vir die jongspan was daar die prettige Sorina & Tjominis op die verhoog. Die boeresport het ook gesorg vir groot vermaak vir jonk en oud. Ou speletjies soos toutrek, kruiwastoot en sakspring is afgestof vir die geleentheid, terwyl ander speletjies, soos bloubessiespoeg, bloubessiesuig (met 'n strooitjie), bloubessie-lepelloop en waterballongooi, 'n nuwe baadjie aangetrek het vir die Makietie! 'Advanced Group' het 'n demonstrasie oor hul produk, Fireblock, aangebied. Hooibale is aan die brand gestee nadat die helfte van die bale met hul produk bespuit is. Die gedeeltes wat met die produk behandel is, wou glad nie brand nie en die vuur het heeltemal doodgeloop. 'Genesis K9 Group' is 'n SASSETA (Safety and Security Sector Education and Training Authority) geakkrediteerde opleidingsinstansie, wat opleiding

bied vir professionele honteerders. Hulle het 'n uitsnuffel-demo gedoen met narkotika, sowel as 'n aanval op 'n personeelid (en 'n paar brawe kinders uit die gehoor!) wat beskermende klere gedra het. Hulle het ook gesels oor werksgeleenthede vir jongmense wie dalk in hierdie rigting sou belangstel, aangesien hulle ook hanteerders oplei. 'Black Dog K9,' wat meer fokus op plaasaanvalle en persoonlike veiligheid, het ook 'n aanval demonstrasie met hul honte gedoen. Tussen al die vermaak deur kon feesgangers die verskeidenheid stalletjies besoek. Verskeie produkte is uitgestal en as te koop aangebied. Onder andere was daar van die Vallei se eie kersies en bloubessies, suiwelprodukte en handgemaakte ware. Die potjiekos kompetisie was slegs vir die Vallei en hul het inskrywings gehad van drie sektore in die area. Sektor 'Knuppeldik Onder' het kop-en-skouers uitgestaan in terme van tema, dekor en spangees. Maar in term van smaak en kwaliteit, het die beoordelaars saamgestem dat almal gelyk was. Die winste van die fees word aangewend tot voordeel van die Buffelspoort Vallei. Die Vallei se prioriteite is voedselvoorsiening, veiligheid, gemeenskapsbou, en herstel van slaggate.

Grace Borger, Amanda Brandt en Karherine Burrowgh het heerlike tuisgemaakte versnaperinge soos konfyt verkoop by die Tree Top Farm Stall stalletjie.

FUNRUN FESTIVAL FOR FOOD

Rustenburg – Retha Nel from the WeeCare Project (G-Om Projek) has been organising the annual and much-enjoyed LoveRun for the past five years. This year's LoveRun OMGEE FEES will take place on Saturday 19 November 2022 at the NG Kerk Suid on the corner of Kerk and Unie Streets. To take part in the run, you have to donate a non-perishable food item that could be used in the WeeCare December food hamper project. **Ecclesiastes 4:9-10 King James Version (KJV):** "Two are better than one; because they have a good reward for their labour. For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up." In the spirit of working together and comradery, more local non-profit organisations will join the programme this year. It will also serve as a collective awareness platform for the public to receive relevant information regarding the organisations. The public will have an opportunity to ask questions and perhaps sign up as volunteers – something all non-profit organisations desperately need to be effective. Potential sponsors are welcome to contact the organisers to become involved in this worthy project. There will be food stalls, special shows by schools – as well as dance groups, netball

games, a modelling competition and live shows by artists such as Louis Geldenhuys, Angel de Lange, Mari Minnaar and Pierre du Preez. It's also an excellent opportunity for local businesses and community members to meet and receive information on how to they can take social responsibility by supporting the relevant worthy causes. The charities that have so far committed for the day include:

- : G-Om
- Rustenburg SPCA
- Lighthouse Children's Home
- Child Welfare Rustenburg
- Huis van Veiligheid, Koster
- Spes Bona
- SOS Children's Village
- Route 41
- Christelike-Maatskaplike Raad (CMR)
- Rotary Club
- In Touch Equine Therapy
- Basileia Help Centre

The organisers also invite other registered charities to contact them if they want to be part of the awareness day. The LoveRun starts at 07:00 and registration is a non-perishable food item. The rest of the festivities commence at 08:00. Tickets are selling at R30 per person and include a chance for a few lucky draws.

For more information and tickets, please contact the organisers at 014 592 2419 or at 083 651 2856.

School uniforms needed

Rustenburg – School uniforms are items that kids can't go without as it is a requirement at most schools. Unfortunately, a school uniform is also an item that is quickly outgrown. Mōrester Child and Youth Care Centre (MCYCC) have 16 kids that are starting primary school in 2023, and 26 other kids whose uniforms have worn out. They need school uniforms that your child has outgrown. MCYCC also has learners who will be attending Laerskool Rustenburg, Laerskool Proteapark, Laerskool Vastrap, and Rustenburg Skool vir Buitengewone Onderwys (BGO). They are in desperate need of Grade R and Grade 1 uniforms, but any size of any age is welcome. If you don't have school uniforms, school shoes and school bags will also be very much appreciated. If you have any school clothes – second-hand or new – please drop them off at MCYCC. MCYCC is located at 5th avenue, house number 3, Waterval Mine Village. Alternatively, you can also arrange for them to collect. The youngsters are looking forward to going to school and arriving with a schoolbag and uniform will make them feel more at home among their peers. For more information contact MCYCC social worker Marlinet Bekker at 082 659 2252.

SPCA REACHES OUT TO THE COMMUNITY

Rustenburg – The Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) is planning an outreach in Rustenburg North on Thursday 24 November 2022. They hope to assist by helping animals in need, dipping the community's dogs, and by educating people on all the responsibilities of being a pet owner. There are many animals in serious need of help, and it is often crucial to reach the animals and their owners. Assistance and education are key, and that is why such outreaches are very important. For these outreaches, the SPCA needs items like dip, F10 ointment, F10 spray, bowls, collars, dog and cat food, and blankets or bedding. Donations can be dropped off at SPCA's office at 11 Eskom Street. For more information contact the Rustenburg SPCA office at 014 592 3181.

Have your say / Sê jou sê

Do you trust your minor child with a cellphone?

Convenience, safety, and security are some of the advantages of your child having his/her own cellphone. Unfortunately, it also exposes them to the possibility of cyberbullying and gives them access to social media platforms where sexual predators could be on the prowl. Do you think that your child is responsible enough to use a cellphone?

Yes. I totally trust her. She is seven. I set up the phone in such a way that I can monitor and approve everything she downloads. I am raising her to trust herself. I expose her to things that most parents would not. So, I downloaded WhatsApp on her phone and gave her numbers to communicate with.

Mihlali Klaas

No. Whenever she's on her cellphone she pays no attention to anything else, and she could use the technology to access harmful content.

Sithokozi Sibanda

No. It's not that I don't trust my 7-year-old, it's just that she isn't ready to face the digital world on her own. I don't trust the internet. All my daughter's current online interactions are monitored very closely. She doesn't yet have a cellphone. However, at some point in time (I don't know when this will be) I will need to trust that I have raised and prepared her to make wise and cautious decisions in a potentially dangerous environment.

PSALM 100

A Song of Praise for the Lord's Faithfulness to His People
A Psalm of Thanksgiving.

100 Make a joyful shout to the Lord, all you lands!

2 Serve the Lord with gladness; Come before His presence with singing.

3 Know that the Lord, He is God; It is He who has made us, and not we ourselves;

We are His people and the sheep of His pasture.

4 Enter into His gates with thanksgiving, And into His courts with praise. Be thankful to Him, and bless His name.

5 For the Lord is good; His mercy is everlasting, And His truth endures to all generations.

Yummy scones

Fluffy scones

Rustenburg – Celia Phale, who lives in Phokeng, started working as a web developer at the South African Weather Service and was later promoted to a senior developer position. In 2017, Phale decided to follow her heart and resigned to pursue a teaching qualification. She now enjoys teaching at a local school. Aside from teaching, Phale also loves baking and owns her own business named Baked by CSP.

Phale took a moment and shared her delicious scone recipe with us. The scone recipe is ideal for big family gatherings as it makes enough for everyone to have more than a bite.

- 500 g butter
- 14 cups flour
- 100 g baking powder
- 2 tsp salt
- 2 cups sugar
- 2 cups custard powder

IMPALA'S NEW COACH READY FOR THE CHALLENGE

Impala Rugby Club's new first-team coach Johan Engelbrecht.

Rustenburg – Impala Rugby Club's new coach – Johan Engelbrecht (31) – is confident of leading the team to glory during the 2023 season. Engelbrecht, a former player at the club, replaces Joel Scherman at the position of head coach as part of a new technical structure.

Under the new setup, Justin St. Jerry will be Engelbrecht's assistant while Sydney Venter and Wimpie Koekemoer will be coaches of the club's second team. With over 100 games under his belt during a 12-year career as a player with the club, Engelbrecht won two Gold Cup titles with the club. He will be looking to use the knowledge he acquired during his playing days to come up with an effective approach that will help the club to win more matches during the coming season.

"We will start practicing for the new season on Tuesday 15 November 2022 from 18:00 at the club," Engelbrecht told *Platinum Weekly*.

"This will be our first training session ahead if the start of new season next year and is part of a three-week programme that will help the players get into shape," he added. The players will take a break for the festive season and will regroup again in January 2023 for more intensive training sessions. Engelbrecht said he is looking forward to the challenge of leading Impala as head coach and called upon local rugby supporters to rally behind the team, especially when they are playing at their home round in Rustenburg.

"We are competing in the Leopards league against teams from Potchefstroom, Welkom and Kleurkorsdorp. The league matches will be played from April to July," the coach said.

It's Timbati Veld Market time!

Rustenburg – Be sure to mark your calendar for Saturday 5 November 2022 and pay a visit to the Timbati Veld Market on the corner of Nylrivier and Timbati Street, Cashan.

The market day aims to raise funds to support various organisations in the community. It's a platform where community-based organisations can raise funds, and local companies and entrepreneurs can showcase their products and services. With so many stalls to choose from, and just as many organisations to support, there is something for everyone to enjoy.

For the youngsters, there will be jumping castles and pony rides to keep them entertained while the adults do their shopping. The market is pet friendly, so feel free to bring your four-legged friend along when you come to browse.

For more information about the market, contact Eddie Will at 076 328 3115, or Valerie King at 079 215 6815.

Making time for our elderly

[Letter to the editor]

Rustenburg – I've always had a close bond with my aunt. She watched me grow up and I watched her grow old. But as a busy adult, I don't spend as much time with her as I used to. After a recent visit, I realised how happy my presence made her, and it occurred to me that we really should take more time for our elderly.

Many elderly people don't have family, or their children are busy living their grown-up lives, which means that they don't get to visit their elders as often as they'd like to. A lot of elderly people also can't get around as much as they used to, so they are confined to their houses or living facilities. The lack of mobility and the shortage of company could leave anyone feeling very lonely.

It's important to remember that the elderly people in our lives are still able to give valuable support. They have much knowledge to share and are a patient shoulder to lean on during difficult times. Even a brief chat can make them feel needed. We must make time for them. They gave so much of their time to raise us, the least we can do is give some of our time back to them.

If you are lucky enough to still have your elderly parents – or an aunt or uncle – please make time to go and see them. A word from you is as good as gold. If you don't have them anymore, remember that old age homes are filled with lonely hearts that have nothing but memories to keep them company – it wouldn't hurt to take the plunge and meet someone new; just go and enjoy a cup of tea with them, talk to them, and learn from them.

Know that our elders appreciate the effort and attention we give them. Our presence reassures them that they are loved and cared for in life.

Giving a Little More

PLEASE BE PATIENT WITH US!

[Letter to the editor]

Rustenburg – I am a learner driver, and I would like to express my frustration through your newspaper about how we are treated by the other 'know-it-all' drivers.

Recently, when I took 'too long' to pull away from a stop sign, another driver behind me kept on hooting for me to move. It was very frustrating because I was trying to do it the right way. But because the impatient driver kept on hooting, I panicked and lost my concentration, and was so anxious that I lost my focus and accidentally switched my car's engine off.

To all the experienced drivers out there, please be patient with us learners! You were once in our shoes, and you were not always as perfect as you expect us to be on the road. The 'L' plate is there for a reason, so please be tolerant because your impatience only makes it worse.

Putting pressure on us doesn't help the matter – if anything, it could only cause an accident.

Frustrated learner driver

Are you the next Mrs Rustenburg?

Enter now!

Rustenburg – The Mrs. Rustenburg pageant has become a tradition in Rustenburg over the years. They were also negatively affected by the Covid-19 regulations, but the pageant is back on the map. After taking a pause from the spotlight, they are now looking to crown the next Mrs. Rustenburg.

The Mrs. Rustenburg title includes responsibilities that are rooted in giving back to the community. It has grown to be much more than just a beauty pageant, but rather a means to elevate and celebrate women. Those who selflessly seek to initiate positive change, who are dedicated to their families and their communities, and a role model are invited to enter. You don't have to be a catwalk expert to win, you must just have the right attitude!

Married, divorced, or widowed women aged 18 to 50 can enter. Entry fees are R250, and the closing date is 20 December 2022. The semi-finals will take place on 14 January 2023, with the ultimate Mrs. Rustenburg being chosen on Saturday 18 March 2023.

Contestants will be expected to be involved in community service, gain sponsors, and raise funds for charity.

They will also be required to participate in teambuilding exercises and outreach projects. All these activities will count towards taking the crown and the title. This is a pageant for the community, and everyone can get involved either by supporting the contestants or by sponsoring prizes for the event.

Groot pret tydens die skyfskiet kompetisie.

KADET- EN LANTERNKORPS HET GROOT PRET

Who will take the cup?

Rustenburg – The Soccer Cup finals are the hardest to predict and it's not any different for the MTN8 encounter between Golden Arrows and Orlando Pirates. The Moses Mabhida Stadium will explode into soccer action on Saturday 5 November 2022 as AmaZulu and Orlando Pirates do battle to get their hands on a major trophy on the South African domestic stage. Pirates were recently handed a 1-0 loss by Kaizer Chiefs when all factors were pointing towards a Pirates victory – so anything is possible in football. Pirates and AmaZulu will be meeting in the MTN8 competition for the very first time in 28 years, and in a first cup final in almost five decades – a surprisingly long time for two of the giants of the local game. History records that their only previous meeting in the MTN8 competition since the formation of the National Soccer League in 1985 was actually in 1994 when they clashed for the bronze medal. In that match, Pirates emerged 2-1 victors as Marks Maponyane and Helman Mkhalele secured the title for them with Richard Farrer pulling one back for AmaZulu. How do you think Saturday's match will pan out?

Second placed Kabelo Nonyana (KN) Masters will play against Luka Masters at Kloofview Primary School from 9:00.

United Rugby Championship

Na rondte sewe is die Ierse span, Leinster, steeds die enigste onoorwonne span in die reeks. Tuis het die Bulle die Haai behoorlik gegaffel op Fort Loftus. Die Leeus se planne het opgeraak teen die Stormers in Jo'burg en moes die aftog blaas teen die Kapenaars. Die URC word nou tot stilstand geruk en word weer op 25 November hervat weens die internasionale Autumn rugby fees in Europa. **Uitslae:**

- Scarlets 5-35 Leinster
- Glasgow Warriors 37-0 Benetton
- Lions 22-31 Stormers
- Dragons 47-7 Zebre
- Munster 14-15 Ulster
- Ospreys 19-22 Connacht
- Bulls 40-27 Sharks
- Cardiff 17-25 Edinburgh

International Autumn Series 2022

Die reeks het verlede naweek in Japan afgeskop met die All Blacks wat alles in die stryd moes werp om die Japanners hok te slaan en wen naelskraap 38-31. In ‘n riller slaag die Aussies daarin om die Skotte op Murrayfield met 16-15 te klop. Die Skotse losskakel, Blair Kinghorn, mis ‘n maklike strafdoel in die laaste minuut en kos sy span *big time*. **Eerskomende naweek se bepalings:**

PEACE OF MIND AT SUN CITY'S KASI CYCLING AND RUNNING EVENT

Participants of the 10km and 25km cycling events.

From left: Gopolang Sefanyetso, Ndimiso Mseleku, and Kgaogelo Moloisi enjoyed participating in the 10 km run.

Sun City – Many cyclists and runners showed up at Sun City Resort on Sunday 30 October 2022 to take part in the GM's Kasi Ride for the mental health awareness campaign which included a fun run and cycling event.

They cycled through four villages surrounding Sun City – Ledig, Rasimone, Robega and Chaneng and the event was attended by over 1,600 community members.

According to the resort's general manager, Brett Hoppé, being involved in sporting activities fosters a sense of belonging, builds self-esteem, and develops personal resilience against stress. We encounter stress in our everyday lives, be it in our workspace, or personal lives. Stress often leads to feelings of hopelessness and dread, which means many people suffer in silence with depression and anxiety. It is no big secret that physical activities increase the production of endorphins,

which are the brain's feel-good neurotransmitters. Physical activities help sports participants to maintain their mental health, and with a more positive outlook, they can also more easily identify their stressors and take action by addressing them.

It is against such a background that Sun City decided to host its Kasi cycling and running event, which aimed to promote mental health awareness. Participants were granted free entrance to compete in either the 10 km or 25 km fun runs, or the 25 km cycling challenge.

Soshanguve sponsorship coordinator Tshifhiwa Naledzani said the team was pleased to endure "pain on the bike" in support of the cause of mental health. "Every year we do one ride per season where we raise money for causes including underprivileged children and child headed households," Naledzani said.

North West Department of Agriculture and Rural Development's member of the executive committee (MEC) Desbo Mohono, took part in the initiative and called upon the Rustenburg community to take part in physical activities as a means to help them maintain their mental health and combat stress.

"We all need to learn about mental health awareness because a lot of people are too afraid to speak about their problems and aren't aware that sport is a healthy outlet," added Kentse Moremi, an enthusiastic cyclist, "I encourage everyone to be more active in their daily lives and take part in sporting activities as often as possible." After the run and ride finished, a braai was held for attendees to relax and enjoy the day at the iconic resort. The entertainment included an exciting line up with headline artists such as Zakes Bantwini and Sjava and many more.

Thabiso Phalane made sure that his bicycle was top-notch before taking part in the cycling event.
