YOUR COMMUNITY STORE AND MORE!

The Thato, Sebuti, and Kekekso (TSK) Best Beat brass band created an immersive festive atmosphere where young and old enjoyed the dancing competitions which accompanied the win-a-car handover.

Rustenburg – Ranging from fresh products to pantry essentials, Three Star Powertrade stocks everything you need at the most affordable prices! But aside from offering great products and friendly service, Three Star Powertrade continually aims to empower the local community by availing a variety of give-away competitions. Most recently, Three Star launched three competitions from Thursday 23 March 2023 to Tuesday 4 April 2023. In the first lucky draw 40 customers won hampers which included Three Star Powertrade's house brand products. For those with

a sweet tooth, there were 20 sweet hampers worth R500 up for grabs. Additionally, customers had the opportunity to enter the Smartphone Lottery, and could win daily giveaways until 4 April. Three Star's directive to give back and boost the community was also illustrated on 25 March when one lucky customer won a brand new Suzuki S-Presso. To have been eligible for the draw, valued customers had to purchase three participating brands from October 2022 until 4 March 2023 and had to fill an entry form.

At Three Star's premises, Pastors opened the handover with prayer and selected five entry forms from a box, whereafter the chosen entrants went on stage, and each selected a plastic egg. Karabelo Mokgoshi was ecstatic after she opened her egg and was revealed as the winner of the Suzuki S-Presso! "This has been a great day!" cheered Karabelo. Karabelo along with several customers also won hampers which included products from the participating brands. Runners-up did not walk away empty-handed as other prizes included a pressure cooker, a generator, a plasma TV, and

a trolley filled with groceries valued at R5,000. On the 17th of March, an exquisite cheese and wine evening was hosted for Rustenburg's educators at Three Star's east-end premises. Educators who attended the ambient event had the opportunity to engage with representatives of Three Star Powertrade, where a glimpse of Three Star's upcoming school projects was given. Now open on month-end Sundays from 07:00-13:00, all are welcome for a fantastic shopping experience at Three Star Powertrade! Visit Three Star Powertrade on the corner of Hefer and Tuin Street.

creative soul and used to sew clothes for his sister's and cousin's dolls. Word of his talents soon spread, and he even had orders coming in from the Free State to earn extra pocket money.

After school, he started working at Arthur Kaplan. His parents then moved to the Western Cape and Johann followed shortly after. Here he got a job at Stellenbosch Motor Spares where he was a warranty clerk.

Finally, in 2019 his dream came true when he opened his own fine-dining establishment, Under the Cherry Blossom. Every dish he prepared was made with only the finest ingredients. According to his mother, Ria Ludick, he didn't use a recipe book; every dish was measured and prepared by heart. He would often talk to his mom about his developing recipe ideas, on which she painstakingly pondered; he would rest on a recipe for a while and would later return to his mom once he had it figured out; according to Johann's mom, God inspired the final decisions on his recipes.

For Johann, a fine-dining experience was more than just a night out. As he made every experience unique and personal, Ria tends to a flower garden, which he often used to collect garnish for his dishes. Every dish was made with such precision that even the tiniest of flowers would be placed with a tweezer. When it came to detail and taste, Johann left no stone unturned, which is one of the reasons he received four culinary awards during his time as a chef.

In his personal life, Johann was known as a warm and affectionate person who loved to be around people, and who adored his parents and family. He was a devoted Christian who always stood firmly in his faith. Johann also had a caring heart and gave back to his community with initiatives such as baking beautiful cakes for the Lighthouse Children's Home.

Johan made a lasting impression on everyone he met, and inspired others to follow their dreams.

His legacy will live on in the cherished memories of those who had the privilege of knowing him. He made his parents proud, not only with his culinary achievements, but also because of who he was as a person. Ria will forever miss the enticing scents which sauntered out of Johann's kitchen while he was cooking his masterpieces.

His memorial service took place on Tuesday 18 April 2023 at the AGS Deo Gloria Rustenburg.

Our sincerest condolences go out to the Ludick family and all who were close to him.

STOLEN COPPER: SUSPECT RELEASED

Brits – A 29-year-old man charged for being in possession of suspected stolen property did not appear before the Brits Magistrate Court due to insufficient evidence.

On Thursday 20 April 2023 police officers from Brits and Moonooi found a man with copper cables worth an estimated R40,000 at a scrapyards in the Modderspruit area of Moonooi.

The man was immediately arrested and charged for being in possession of suspected stolen property. However, the suspect did not appear before the Brits Magistrate Court on 24 April.

Said NPA spokesperson Lumka Mahanjana:

"The matter was not enrolled due to insufficient evidence." Police said the suspect is no longer in their custody.

"If the case was not enrolled, we have to release a person. More evidence needs to be obtained in order to place the case back on the court roll," said police spokesperson colonel Adele Myburgh.

The copper cables, which were suspected to have been stolen, were seized by police at a scrapyards in Moonooi.

Fighting crime together

Members of the Bojanala Platinum District Sub 2 CPF board and various stakeholders have pledged to work hand in glove to fight crime.

Tlhabane – The newly appointed Community Policing Forum (CPF) board for Bojanala Platinum District Sub 2 has promised to hit the ground running by implementing measures that will lead to the reduction of crime. The 10-member executive board was elected at Tlhabane Community Hall on Thursday 10 April 2023 during a successful Annual General Meeting (AGM). CPF structures assist in bridging the gap between the public and the police to solve crime-related problems and challenges.

The AGM was also attended by officials from the North West Provincial CPF board and a South African Police Service (SAPS) team led by acting district commissioner brigadier Mamotsamai Ntoagae.

Reuben Phathlaphattha was elected CPF chairperson together with Gideon Erasmus (deputy chairperson), Dimpho Diale (secretary), Boitumelo Molefe (deputy secretary) and Solomon Letlape (treasurer).

An additional five members that will also sit on the board include Elijah Selemela, Moureen Kobe, Ntebaleng Phasoane, Mswelazonke Mjoka and David Segone.

Phathlaphattha said the new board has a lot of work on their hands. "We plan to hold awareness campaigns so that everyone can be on board in the efforts to fight crime. There are increasing incidents of robberies in Boitekong and we have to do everything we can to eradicate crime within our communities," he said.

Police spokesperson sergeant Ofentse Mokgadi revealed that from 2019 the board was led by an interim structure after the chairperson had resigned.

"We are happy that a new structure is now in place. A proper CPF board election was prevented by Covid-19 and other challenges," Mokgadi said.

3 TAVERNS ROBBED IN TWO DAYS

Phokeng/ Rustenburg – Three taverns were robbed during separate incidents reported in Rasimone as well as in the Kgale and Pitso areas of Phokeng.

Cases of business robbery and attempted murder are being investigated by the police, who have not ruled out the possibility that the implicated suspects could be linked to all three incidents.

Police spokesperson sergeant Ofentse Mokgadi said that the first incident occurred in Rasimone on Saturday 22 April at around 00:30 in the morning.

"Two armed suspects got out of a white Audi sedan with unknown registration plates and held the tavern's patrons and owner at gunpoint," Mokgadi said. "The owner tried to fight them off, but one suspect fired a shot in the air and forced the owner to cooperate. All patrons were ordered to lie down, and their cellphones and money were taken from them," Mokgadi added.

The suspects then instructed the tavern's cashier to take them to the office where they took cash and bottles of whisky before driving away from the scene using a vehicle belonging to the owner of the tavern. Later, the vehicle was discovered in Mafanya.

Mokgadi said that the suspects involved in the second incident on Saturday evening 22 April at a tavern in Kgale used the same method as the one used in the first.

"Early on Sunday 23 April, at round 01:00, suspects also shot at patrons in a tavern Pitso and injured five of the patrons," Mokgadi further explained. "The victims of the shooting were all taken to hospital and are in serious but stable conditions," he added.

Police are still investigating to establish more facts related to all three incidents.

Anyone with information that could assist police investigations is requested to contact detective captain Montsho on 076 834 3531 or Phokeng SAPS on 014 566 1879.

OCCUPANTS ATTACKED ON SMALLHOLDING

Rustenburg – Two women and a young girl were attacked on their smallholding located on the R104 outside Rustenburg in the early hours of Wednesday 26 April 2023. The attack occurred when three assailants gained access to their home by breaking open the front door. The women and young girl were home at the time of the attack and were caught off guard by the sudden intrusion. One of the women heard a commotion coming from a room and went to investigate. Unfortunately, she was met by one of the attackers who proceeded to stab her in the hand. The other two occupants were also threatened and forced to give up their personal belongings, including various electronics and other items. After the attack, the perpetrators fled the scene and are currently at large. This is not the first incident of violence that has occurred in the area. According to Buffel Sekuriteit and Rustenburg Landelike Diens owner Charl Visser, in an unrelated incident intruders pointed a gun at a man. He resisted. They opened fire as they fled the scene. This occurred in broad daylight on 22 April 2023. This incident happened approximately a kilometre from the smallholding where the women and the young girl were attacked.

BURNT CORPSE FOUND

Tlhabane – The charred remains of a man were discovered between Motsatsi Street in Tlhabane and Lefaragattha on Thursday 20 April 2023. Police, who are investigating a case of murder, were called to the burnt corpse at around 15:00 by a community member.

Upon arrival, the police found an unknown corpse, with its hands tied at the back, and with a burning tyre around the head/body. At the time of going to print the position of the tyre could not be confirmed. "The motive of the murder and the identity of the deceased is still unknown at this stage," said police spokesperson sergeant Ofentse Mokgadi.

Anyone with information about the murder is requested to contact Tlhabane SAPS on 014 565 9154 or detective Sergeant Jerry Sethalagile on 076 777 4165.

Nort West Department of Education holds successful infrastructure meeting

Rustenburg - In the efforts of improving challenges of infrastructure in schools, the North West Department of Education member of the executive council (MEC) Viola Motsumi assembled the department's senior management and different stakeholders to a two-day infrastructure lekgotla/meeting, which was held from Tuesday 18 to Wednesday 19 April 2023 at the Kgaswane Country Lodge in Rustenburg. Challenges raised throughout the session include—but are not limited to—efficiency in management, maintenance of structures, human capital, and supply chain management. MEC Motsumi during her opening of the lekgotla made a stern call for participants not to make these sessions a talk show, but to bring about tangible

deliverables to better the system for the benefit of North West's posterity. "I don't want this lekgotla to become a talk show without any tangible results. As managers we should not spend time in our offices but be in schools monitoring curriculum delivery and school conditions," said Motsumi. "This lekgotla should be held annually and it is going to be a tool to monitor progress of infrastructure delivery. I have observed that some directorates operate in silos, we need to unite so that we can achieve more. After this lekgotla we should go back and implement all the resolutions. There is no money which will be returned back to treasury now. In each and every quarter we should spend 25% of our budget. We shouldn't wait for the end of the financial year to

know how much money we have spent." Resolutions to be implemented include:

- Human capacitation from the district level to reduce backlog
- Filling up of vacant positions in the infrastructure unit
- Retention of professionals by establishing infrastructure offices in the major cities of Rustenburg and Potchefstroom
- Management of implementing agents,
- Review of memorandum of understanding with the implementation agencies
- Stern strategies to improve on expenditure to be identified

North West Department of Education, press release extracts, 20 April 2023.

Five ways to drop five years off your face

SA - Dr Sheryl Smithies, a top Cape Town-based aesthetic dental surgeon and facial aesthetic specialist, shared her five long-lasting tips to aesthetically refresh your look on Tuesday 11 April 2023. As like everything else in the world, you get what you pay for. Cheap is not always cheerful, nor the most effective. The best process to drastically reduce the ageing process lies in science but this takes time and patience. Dr Sheryl Smithies shared some anti-ageing advice with South Africans.

1. Be committed and in it for the long haul
By working with an anaesthetic therapist and doctor, you can build a personalised treatment plan to ensure that you are gaining the best out of your treatments and maintaining your skin optimally to create a younger looking you. A proper plan would span several months, if not an entire year and focus on things like a facial peel and micro-needling every other month and regular laser treatments interspersed with specific filler treatments for example. Having a clearly defined plan also helps to spread the costs of treatment.

2. Collagen is your best friend
We all know that our bodies start producing less

collagen as we age and this causes our skin to become thinner, drier, and less elastic. Collagen induction treatments have been on the market for some time now, but there are some fantastic new injectable filler options that have become recently available. These stimulate the body's own collagen production and build support for your skin, helping it stay tight and not droop as much. Again, talk to an anaesthetic therapist and doctor to find out what cutting-edge treatments will be best suited to you and your skin.

3. Invest in threads
Threads, or solid fillers as they are often called, are another great way of building collagen and can completely eradicate the small grooves and lines we often see, especially on the forehead and neck area. The investment is costly, but you are guaranteed that the treatment will last you at least two years which is a great long-term investment. Threads can be placed in almost any area of the body but unfortunately, they just don't work as well in some regions. For these areas, your injectable collagen stimulators take over to ensure a smoother look and feel.

4. Don't forget your teeth

As you age, your teeth undergo some serious chewing work, and this can be exacerbated by grinding or clenching habits. All of this wears the tooth structure away and creates a very worn and tired look around the lips and mouth. If your teeth look extremely straight and square, you may have worn down a serious amount of tooth structure already. Using advanced Digital Smile Design and 3D scan technology, they will be able to design what you have lost and allow you to create, and test drive a remarkable new smile that looks natural and literally takes years off you. It will also ensure your teeth remain undamaged, instead protecting them from further wear.

5. Embrace clear aligner therapy
As you age, your teeth also start to go askew and, in the past, adults would treat this by subjecting themselves to having braces. Clear Aligner therapy is a revolutionary replacement to braces, allowing you to straighten your teeth in an extremely non-invasive manner that is almost invisible.

Four nabbed for cable theft

Koster – Four suspects appeared before the Koster Magistrates' Court on Monday 24 April 2023 following their arrest for possession of suspected stolen copper cables worth R117,000. Eric Mathebethla (42), Itumeleng Sebokolodi (39), Mlandeni Mlatha (36) and Shadrack Mokotedi (31) were stopped by police on Sunday 23 April while travelling in a white Ford bakkie along the R52 Road from Lichtenburg to Koster. "Police, who demanded to search the vehicle, discovered 1,000 meters of Eskom fox aluminium worth R96,000, and a 70-metre bundle of black conductor cable worth R21,000 at the back of their bakkie," said police spokesperson sergeant Ofentse Mokgadi. "The four failed to provide any documentation of where they bought the cables. An inspector from Eskom was contacted and was able to identify the cables as the property of the company," Mokgadi added. The four suspects remain in custody until their next court appearance on Thursday 4 May 2023.

Don't take matters into your own hands!

I was driving home from work on Monday 24 April 2023 when I noticed smoke coming from the direction of a farm that I pass each day. To confirm whether it was a controlled fire, I immediately contacted those in the know. After a lot of time and resources were spent to put out the burning veld, it was discovered that a local had started the fire for security reasons. Please take note that the said local has no experience with controlling the spread of a fire! According to the local, the tall grass was a security hindrance as robbers could easily hide in the grass. Understandable as his reason might seem, I still believe that the local should have notified others in the area and asked for expert help.

An uncontrolled fire spreads rapidly, placing lives in danger and wasting the resources of responders. Please, if you have such a problem, don't make it bigger; contact your neighbours and appoint a person who has the necessary knowledge.

Putting smiles on young faces

Rustenburg - The North West Department of Health in partnership with the Smile Foundation commemorated the 2023 Smile Week, an annual event held between Monday 17 April and Sunday 23 April 2023. During this week a series of reconstructive surgeries on children born with facial deformities had been conducted. The surgeries were successfully carried out at the Klerksdorp/Tshepong Hospital Complex (KTHC) on eleven (11) children born with cleft lip and palate. These procedures brought the number of children who had undergone reconstructive surgery to thirteen (13) as two had undergone the same procedure in June last year. According to Health member of the executive council (MEC), Madoda Sambatha, the eleven surgeries which were performed were referrals following the success of the two operations which were performed in the North West province in 2022. "We have been able to the change lives of young children and their families by offering them an opportunity to live meaningful lives free of ridicule and bullying. These operations will ensure they grow up like any other children and hopefully contribute meaningfully to their societies without having to worry about how they look," said the MEC. MEC Sambatha hailed the partnership with

the Smile Foundation as well as the employment of reconstructive specialist, Dr Shashikant Agarwal, who is based at the Klerksdorp hospital, as milestones which have placed smiles on the faces of deserving children. The Smile Foundation conducts plastic and reconstructive surgery on children who suffer from treatable facial deformities such as cleft lip and palate, burn victims, Mobius syndrome (facial paralysis) and other conditions. The organisation does not only conduct life-changing surgeries on these children but also provides support and counselling for their families. According to the Smile Foundation's finance and fundraising manager Ms Elaine Ngwenya, the organisation has conducted 5066 operations across seven provinces in the country. "We also assist with the training of nursing staff in academic hospitals and have sent doctors overseas to be trained on specialist procedures," she said. The department has signed a Memorandum of Understanding (MoU) with the foundation through which the reconstructive procedures will be conducted in other facilities across the province in order to bring the service closer to communities.

Showcasing her God-given talent

Rustenburg – Local artist Richelle Grant made waves at the 2023 Afri-Indie Awards on Tuesday 4 April 2023 after she received accolades for Best Newcomer Female 2023 and Best Gospel Single Female.

Her song, *Vul die huis met U glorie*, which she sings with Stass, nabbed her the 2023 Best Newcomer Female award, while her song with Candy Benson, *Sonneblom*, had her walk away with the Best Gospel Single Female award.

The South African Independent Artist Music Awards, better known as Afri-Indie Awards acknowledges brilliant original work delivered by South Africa's independent musical artists, songwriters, musical producers, and videographers.

"Being an independent artist means you're not signed with a record label, so you are responsible for the cost of producing your own album. You must do your own marketing and public relations which is a lot of hard work," Richelle said in an interview with *Platinum Weekly* on Tuesday 18 April 2023.

Richelle has been singing for as long as she can remember, but eight years ago she started singing for God as a worship leader at Die ROTS Gemeente in Rustenburg. Praising God became her passion and her musical focus. In 2015 she released her first Gospel album *Hy kom op die*

wolke. 85% of the album's songs were penned by Richelle's own talent.

In 2016, Richelle joined hands with Kindersorg Rustenburg to establish a fundraising project and she then wrote her song *Heilig is die Here* of which all proceeds from the album are donated to Kindersorg.

As a proud mother of a young son, the busy artist is also a singing instructor, photographer, and videographer. In 2022 Richelle started her own production company Sprokie Productions where she and her partners work on producing music videos for herself and other artists.

Richelle's latest short album *Herbou* is also gaining recognition in the gospel music industry. According to Richelle, *Herbou* is dedicated to the rebuilding of oneself. Hagga 2 verse 9 says: "*The glory of this latter temple shall be greater than the former,*" says the LORD of hosts. *'And in this place, I will give peace,' says the LORD of hosts*" Richelle explained that she hopes to encourage those who feel broken to rebuild themselves through God.

She is currently working closely with Stass and they are already planning their next album. "I am very lucky to work with Stass, he is my mentor and provides a lot of guidance in the industry," she said.

Richelle will be visiting Israel at the end of April

Award winning gospel artist Richelle Grant.

2023. She is very excited about the trip and as an artist she will have the opportunity to sing at Galilee. Richelle plans to further her studies by studying worship pastoring. "It's important that worship leaders have a foundation of pastoring because being a worship leader is not only about the music but about God. I also follow this principal with my own career because I'm not singing for myself, I am singing for the glory of God."

For more information visit Richelle's website at <https://www.richellegrant.org>. You can also find her music on Spotify under Richelle Grant.

Top Female students attend the Women in Mining fair

Rustenburg - Three hundred top female students from primary and high schools in the North-West province attended the Women in Mining Career Fair on Saturday 15 April 2023.

The career fair, hosted by Women in Mining South Africa (WiMSA), in partnership with Fraser Alexander and the Royal Bafokeng Institute (RBI), was held to help inspire more young girls to pursue careers in the fields of science, technology, engineering, and math (STEM).

The top 30 female achievers from each of the 10 primary and high schools were invited to meet women in the mining industry and hear their stories, journeys, and experiences. "We are proud to be part of the Women in Mining Career Fair, as it creates a platform for conversation to inspire young women to see the sector differently. It is not just for engineers, but a multi-disciplinary sector, with many opportunities for young women, especially in a mining-rich province like the North-West", said RBI marketing and communication manager, Tumi Sefemo.

The fair saw leading women in the industry join forces to share their experiences and inspire the next generation of women in the mining industry. Fraser Alexander's executive head of human resources, Claire McMaster commented: "Fraser Alexander is committed to promoting gender equality not only within our own company through our various training programmes, but also within the wider industry. That is why we are proud to support this initiative that provides guidance and mentorship to encourage more women and young girls to pursue careers in these critical fields that

are needed to secure our future and help find solutions to global challenges."

Providing support to young girls and women who are interested in critical STEM subjects and related careers such as the mining and engineering industries is key to addressing the gender pay gap and ensuring that the youth of South Africa are equipped with the knowledge and skills needed to tackle the challenges of the future.

According to data released by the Minerals Council South Africa, only 15-18% of the South African mining industry is made up of women. This illustrates the importance of encouraging education in these key subjects to tackle gender equality in the industry at the grass-root level and help open career pathways for women and young girls in areas that were previously considered male-dominated.

Royal Bafokeng Institute, press release extracts, 18 April 2023.

Rustenburg - Come and join the crochet workshop at *Platinum Weekly's* premises, 221 Joubert Street, on Saturday 13 May 2023. *Mossies se Trooskombersies* Marie Janse van Rensburg and her team will teach novice crocheters the basics of crochet.

The word 'crochet' was derived from the French term 'crochet' meaning 'hook'. Crochet is a needlecraft process where textile items are made by hand using a crochet hook to interlock loops of thread, yarn, or other materials.

Often, when some people think of crochet, thoughts of the multicoloured blanket on their grandma's bed, or a doily placed over the armrest of a couch, come to mind. But the possibilities of crochet items are endless. Toys, handbags, and home décor made from yarn, have become a trend. There are even patterns for modern dresses and funky pants!

Any crocheter will tell you that it's a fun hobby to transform simple balls of yarn into an amazing crochet item—a very rewarding feeling of accomplishment!

If you don't have yarn or a crochet hook, but still want to learn, the basics will be provided.

To learn more about *Mossies se Trooskombersies* and what they do, contact Marie Janse van Rensburg on 066 586 0063.

For more information regarding the workshop, or to book your spot contact Danika Minnaar on 081 579 7000.

More than a vegetable garden

Rustenburg – A community member living in the Denie Estates settlement allocated a piece of land on his property to the Rustenburg Hospice. This garden is being utilised to plant vegetables and is being tended to by patients who receive home-based care.

Platinum Weekly had the opportunity to visit the garden on Friday 14 April 2023.

The vegetable garden has recently been harvested and is currently being prepared for the next planting season. Recently plucked bean bushes and beetroot are all that remain of the successful harvest.

Seedlings are bought from local street vendors, nurseries, and hardware shops, and planted according to season. There is also a JoJo tank on the property to ensure that the garden gets enough water.

Although the garden is not very large, it has provided more than enough food for those tending to it. However, the aim of the garden is for it to provide more than nourishment. "It keeps the elderly active and gives them a purpose. Every Wednesday, the hospice gathers everyone together and they sit and talk and it's more like a support group. They also have a pastor who comes and ministers to them," said the

Rustenburg Hospice project manager Besong Williams. Williams added: "People often think that a hospice is just a place where people go to finish their remaining years, but we do so much more than that. We provide palliative care, which is specialised medical care for people living with a serious illness. Often families don't know how to take care of elderly family members, so we also educate them and help them where needed."

The Rustenburg Hospice also has trained helpers who check in with their patients daily. These helpers take the patients' blood pressure, make sure they have taken their medication, and assess their general well-being. Depending on the circumstances, most of these services are provided at no cost.

The hospice vegetable garden is a great way to engage with the patients and provide not only medical support, but also emotional support. You can support this project by donating seeds and seedlings, or by supporting the Rustenburg Hospice's fundraising projects and charity shops. Any donations of shade netting and gardening equipment are also welcomed.

For more information contact the Rustenburg Hospice office on 014 592 8925. Donations can be dropped off at 4 Boshoff street, Rustenburg.

From left: Hospice Rustenburg project manager Besong Williams, student social auxiliary worker Monica Ramagogodi and social worker Martha Phakoe, are eager to bring purpose to the lives of those who are in their care.

One of the vegetable garden's caretakers, Zita Kuzaka.

Do you keep in touch with your ex's family?

More often than we'd like to admit, when we start dating someone and it gets serious, we sometimes build a strong relationship with their family. But what happens when the relationship ends? Would you keep in touch with the family?

No, I don't keep in touch with the ex's family. When it's over, there is no need to keep in touch. It's not a great idea at all. I have to move on with my life. **Danny Moreo**

No, I don't at all. I think you need to let go of the past and not hold on to it. **Natalie Schlebusch**

Yes, I keep in touch with my ex's family. Breakups can be rough and it's hard when you've gotten attached to the ex's family. If you and your ex have children together, it's in everyone's best interest for you to get along with your ex's family. You can have a totally healthy and normal friendship with members of an ex's family. **Alisha Le Roux**

No, I don't keep in touch with my ex's family because what we had is no more. I don't see the need for me to keep in touch. Besides, my current girlfriend will feel that I still love my ex. **Simon Thobane**

WE REJOICE

Zinniaville Secondary School will be celebrating 50 years of excellence!

Rustenburg – Zinniaville Secondary School will be hosting its 50-year gala banquet on Saturday 5 August 2023 at Hedgehog’s Nest in honour of its former learners, principals, teachers, student governing bodies (SGBs), parents, and the entire community. Zinniaville Secondary School (Z.S.S) known as Rustenburg Indian School, relocated from the centre of Rustenburg city in September 1972, and was officially reopened in August of 1973. This year we are celebrating 50 years of Zinniaville Secondary School’s existence. However, the formal education of the Indian community in Rustenburg started way back in 1924—almost 99 years ago! Due to the forceful removal of the Indians from Rustenburg via the Apartheid regime, the Indian community was relocated to Zinniaville. Today, the school boasts a very proud record of providing quality education over a 50-year period. Influential men and women have gained their basic education from this institution and

have become prominent personalities who continue to make their mark on society and the country. We appeal to all former scholars and stakeholders to contact the school and provide us with information of your experience at Z.S.S. and how it has shaped you into the person you are today. This information is extremely vital as we will be publishing a one-of-a-kind year book which will showcase all of the school’s achievements over the past 50 years. We would like our gala dinner to be a memorable one as we aim for it to take us down memory lane and allow us to reflect on the importance of Zinniaville Secondary School. With only 720 seats available, space is limited. Price per seat is R950, which includes a meet-and-greet session, cocktails, entertainment, a five-course meal, and a walk down memory lane.

For any additional information, or donations, please contact the principal, Ms Suliman on 079 468 8831, 014 538 0152, or 014 538 1077, or email 50th@zss.co.za. We urge all stakeholders to donate generously towards your Alma Mater.

Supporting ECDC athletics

The executive mayor of Rustenburg councillor Shiela Mabale-Huma addressed attendees.

Rustenburg - The executive mayor of Rustenburg councillor Shiela Mabale-Huma, expressed her passion for early childhood development support by advocating for children's participation in athletics. She attended the Annual Children's Athletics event which took place on Friday 21 April 2023 at Olympia Park Stadium, in support of Early Childhood Development Centres (ECDCs).

The mayor encourages parents and teachers to allow their children to participate in physical activities as it is important for childhood development. Experts say that physical activity allows children to have a better outlook on life by building confidence, managing anxiety and depression, and increasing self-esteem and cognitive skills.

Furthermore, regular physical activity can help children and adolescents improve cardiorespiratory fitness, build strong bones and muscles, control weight, improve coordination, balance, posture and flexibility, and reduce the risk of developing health conditions such as heart disease and cancer, thereby strengthening their immune system.

A mountain to climb for Chiefs

SA – Kaizer Chiefs will be under immense pressure to win their upcoming DStv Premier Soccer League (PSL) match against Chippa United on Thursday 27 April 2023. Chiefs, who lost 1-0 to Sekhukhune United on 23 April, have fallen behind in the race for second place with SuperSport United and Orlando Pirates who seem more likely to clinch the position. With just four matches to go before the end of the season, Chiefs find themselves fourth on the log and coach Arthur Zwane will be looking for a more

positive result this time around. It's a nervous time for Chiefs and their supporters, who will soon come up against Pirates in the semi-finals of the Nedbank Cup. If they lose to Pirates, Chiefs will be eliminated from the cup competition—the result meaning that they would have gone for eight seasons without winning any silverware. For now, however, Zwane's charges will be focusing on winning their match against the Chippa United team that could prove a very tough nut to crack. Chippa, who are 15th on the log, are looking to avoid being relegated to the lower league and a victory for them at the expense of Chiefs will greatly enhance their cause. Chippa are desperate for a win, which makes them a dangerous team to contend with. They will be playing in the familiar surroundings of their home ground at the Nelson Mandela Bay Stadium, making Chippa even more difficult to defeat.

DStv Premier League Fixtures

Thursday 27 April 2023

- Chippa United v Kaizer Chiefs: kick-off at Nelson Mandela Bay Stadium at 15:00.
- Moroka Swallows v Maritzburg United: kick-off at Dobsonville Stadium at 17:30.

Saturday 29 April 2023

- Royal AM v Cape Town City: kick-off at Chatsworth Stadium at 15:00.
- Stellenbosch v Golden Arrows: kick-off at Danie Craven Stadium at 17:30.
- AmaZulu v Sekhukhune United: kick-off at Moses Mabhida Stadium at 20:00.

Kaizer Chiefs supporters are still optimistic their team will manage to finish second in the DStv Premier League. Photo credit: Kaizer Chiefs Facebook Page.

Two out of two for Impala!

Rustenburg – Impala Rugby Club's first team proved to be unstoppable on Saturday 22 April 2023 when Impala secured a 35-19 win over Welkom. This recorded their second win of the season in as many matches. Impala's second team lost 13-10 to the Welkom second team in a closely contested match. However, much of the spotlight was on the first team's ability to dominate their opponents through a strong attack-minded approach. In their opening match of the season, Impala's first team coasted to a 73-0 win over Ikageng on 15 April in a scintillating display of fast and offensive rugby—much to the delight of Impala supporters. Five tries from Dirkie Pretorius, Philip Laubscher,

Hennie Maree, Keagan Corbett and Hanru Botha were enough to secure victory for Impala. Trevor Visser managed to convert all the tries to take his points tally this season to 28 points in two matches. Impala Rugby Club team manager Trevor Visser is grateful to the supporters who turned up in large numbers to cheer the teams on. "We are very happy with our win over Welkom because they are a very strong team in the Leopards League," Visser said. "We played well as a team, and I would like to thank all the supporters who were there to motivate us." Impala, who will not be playing any competitive league matches soon, will be back in league action on 6 May when they face Klerksdorp in their third league match.

Trevor Visser (jersey number 10) has now scored 28 points from Impala's matches against Ikageng and Welkom.
