

Rustenburg – With the fire season upon us, *Platinum Weekly* reached out to the Greater Rustenburg Fire Protection Association (GRFPA) Debbie Snyman on Saturday 29 April 2023 to find out how landowners can better prepare themselves. According to the GRFPA, the Rustenburg area and its surrounds are considered to be at a high risk of wildfires which will have a lot of fuel due to the abundant vegetation caused by the past summer’s heavy rainfall. During the winter, the Rustenburg area is also prone to strong winds, which fan the flames. **See page 4**

709 CANNABIS PLANTS CONFISCATED

Rustenburg – A man was arrested for the cultivation and dealing of cannabis (dagga) on Friday 28 April 2023 after police raided a plot along the R24 Road towards Maanharand. Police spokesperson captain Sam Tselanyane said the illegal activities of the 61-year-old man were unravelled at the plot by members of the Phokeng K9 Unit and the Rustenburg Mounted Unit during a search. This was after they had received a tip-off on the illegal cultivation of cannabis. “Subsequent to the search conducted at the place, three fully operational dagga (cannabis) laboratories with live plants were discovered,” Tselanyane said. “Furthermore, police found a black bucket with dagga packaged in plastic bags. As a result, 709 live plants were confiscated.” The suspect was expected to appear before the Rustenburg Magistrates’ Court on 2 May.

Cannabis plants were discovered by police on a plot along the R24 Road.

Wildfires: plan, prepare, and prevent!

Rustenburg - After the past summer's heavy rainfall, Rustenburg and its surrounding areas are at a high risk of wildfires. *Platinum Weekly* engaged with the Greater Rustenburg Fire Protection Association's chairperson Debbie Snyman on Saturday 29 April 2023 to gain more insight on the prevention and control of wildfires. "Due to the past season's heavy rainfall, there is a lot of vegetation that will fuel wildfires during the dry fire season. Therefore, it's wise for landowners to be prepared," said Debbie.

The National Veld and Forest Fire Act requires landowners to have enough trained staff and firefighting equipment to stand a reasonable chance of preventing fires and stopping them from spreading to adjacent properties. Landowners must comply with the Act, whether they belong to a Fire Protection Association (FPA) or not. The GRFPA unites landowners in the common purpose of preventing and mitigating the harm caused by wildfires/veld fires and thereby aims to protect property and livelihoods. Wildfires can be caused by human activity or a natural phenomenon such as lightning, and often occur in rural areas. Therefore, cluster units are established within the GRFPA. Cluster unit members are actively involved in planning and implementing fire breaks and block burning, as well as organised assistance in the event of a spreading fire/runaway fire. Although a firebreak does not necessarily guarantee the stop of a wildfire, it can:

- Reduce the intensity of an approaching fire.
- Provide access for people and vehicles to respond to the fire, thereby providing a safer area from which to extinguish a fire.
- Provide a point from which to start a backburn, which is a fire that is lit to close the edge of an active wildfire by burning out the fuel (vegetation) between the fire and the established control line.

Firebreaks can be conducted up until 30 June 2023, but only in compliance with the National Veld and Forest Fire Act No. 101 of 1998 (NVFFA). A landowner, who is obligated to prepare and maintain a firebreak must regard the weather, climate, terrain, and vegetation of the area before conducting a firebreak.

When conducting a firebreak, a landowner must notify all neighbours and the GRFPA, and must have sufficient personal protective equipment (PPE) and have trained personnel.

Firebreak can also be done in ways less risky than burning such as manually clearing a high-risk area by removing dry grass and bushes.

It should be stressed that there is much to be considered when conducting a firebreak, and making use of expert knowledge is the most advisable route to follow.

FPA membership is voluntary for private landowners, but has advantages, "To be part of the GRFPA means that you are actively involved in keeping your area safe, and you have access to knowledge from people who know how to respond to a fire," said Debbie. "This will help you to better plan for the event of a fire, and by being prepared you are also able to minimize the start and spread of a fire."

New members are welcome to join the GRFPA throughout the year with an annual fee of R300 (even if you join mid-year). The cut-off date for existing members to pay their annual fee was on 31 March and, there is a R100 late payment penalty.

For more information, visit the GRFPA website at <http://grfpa.org>, or contact GRFPA chairperson Debbie Snyman on 083 308 0543. The GRFPA is not a firefighting service, and all fires should be reported to the Rustenburg Fire Department on 014 590 3232/3444/3333.

Protestors blocked the gates outside the RLM offices on Beyers Naude Drive.

SHOOTING AND EXTORTION AT TAXI RANK

Rustenburg – Police are investigating a shooting incident which occurred at the main taxi rank in Rustenburg on Monday 1 May 2023. Police spokesperson sergeant Ofentse Mokgadi said a 44-year-old man was wrapping his luggage at around 16:30 when one of the suspects drove a minibus taxi into him. "An altercation ensued between the injured man and the suspect. The suspect then called a group of his friends and they all assaulted the victim with different objects," Mokgadi said. "It's further alleged that the suspect fired three shots towards the victim and demanded money from him before releasing him," Mokgadi added. Fortunately, nobody was injured by the shots. Police, who are investigating a case attempted murder, assault with grievous bodily harm, and extortion, are confident of bringing the perpetrators to book. **Anyone with information is requested to contact detective sergeant Keoarapetse Ramokgadi on 082 772 8941.**

PEDESTRIAN DIES AFTER BEING HIT BY TAXI

Rustenburg – A man lost his life in an accident at the corner of Oliver Tambo and Kloppe streets after a taxi hit him and his son while they were walking to school. The 7-year-old boy was also taken to hospital after he was injured during the incident, which occurred on Tuesday 2 May 2023 at around 07:00. Mpho Ranta from Trauma Rescue confirmed with *Platinum Weekly* that the two victims were on their way to school when the incident happened. "Upon arrival, we found a 7-year-old boy fully conscious and alert...An eyewitness informed us that the father and son were walking to school and

were trying to cross the street on the pedestrian crossing," said Ranta. "The father died on scene and the child was transported Job Shimankana Tabane Hospital for treatment and further care after he sustained a fracture in the left femur," Ranta added. The driver of the taxi has been charged with culpable homicide. Said police spokesperson sergeant Ofentse Mokgadi: "The taxi driver alleges that the breaks of his minibus taxi failed. Police are investigating a case of culpable homicide and a statement has been obtained from the driver and sent to the director of public prosecution."

It took responders several hours to remove the wreckage of the accident.

Rustenburg - Two trucks collided at the N4 and R24 intersection at around 20:30 on Wednesday 26 April 2023. One truck sideswiped the other and both trucks tumbled over the railing. When Trauma Rescue's emergency responders arrived, they only found one truck driver on the scene, who was transported to hospital. It is suspected that the other driver fled the scene. No fatalities were reported, and no other vehicles were involved. Trauma Rescue would like to thank the responders from Wynn's Towing and Recovery as they spent a lot of time to clear the accident's wreckage. Also, a special thanks to Towtech for assisting in keeping the scene safe, and for their attempts to find the other driver.

Blanket and clothing drive for the less privileged

Phokeng/ Rustenburg – During the winter season many vulnerable people are exposed to the cold temperatures and struggle to keep warm. On Thursday 27 April 2023, Senne handed over many second-hand clothes and shoes to the needy at the Bafokeng Secondary School's basketball courts. Pastor Tshepiso Senne from El-Bethel Ministry, who is on a mission to assist the needy, intends to collect as many blankets and clothes as possible, which he will distribute to needy community members in Lefaragatlha. "We will be handing out more clothes on 25 May in Lefaragatlha.

We are asking once again for the community to donate blankets and second-hand clothes so that we can help those who will not be able to afford them this winter," Senne said. Senne has expressed his gratitude to Food Town Hyper, Tsa Kasi Clothing, Pula Ya Medupe, and others whose donations helped to make the handover a resounding success.

If you would like to assist the charity initiative, you are requested to contact pastor Tshepiso Senne on 079 232 2714.

Want to learn how to crochet?

Rustenburg - Come and join the crochet workshop at *Platinum Weekly's* premises, 221 Joubert Street, on Saturday 13 May 2023 at 11:00. *Mossies se Trooskombesies* Marie Janse van Rensburg and her team will teach novice crocheters the basics of crochet. The word 'crochet' was derived from the French term 'crochet' meaning 'hook'. Crochet is a needlecraft process where textile items are made by hand using a crochet hook to interlock loops of thread, yarn, or other materials. Often, when some people think of crochet, thoughts of the multicoloured blanket on their grandma's bed, or a doily placed over the armrest of a couch, come to mind. But the possibilities of crochet items are endless. Toys, handbags, and home décor made from yarn, have become a trend. There are even patterns for modern dresses and funky pants! Any crocheter will tell you that it's a fun hobby to transform simple balls of yarn into an amazing crochet item—a very rewarding feeling of accomplishment! If you don't have yarn or a crochet hook, but still want to learn, the basics will be provided. To learn more about *Mossies se Trooskombesies* and what they do, contact Marie Janse van Rensburg on 066 586 0063. For more information regarding the workshop, or to book your spot contact Danika Minnaar on 081 579 7000.

Maak Daleen Famous

Koster - Daleen Harmse, 'n Koster inwoner het besluit om haar drome te volg en in te skryf vir Die Kontrak se derde seisoen. Om in te skryf moes Daleen 'n video opneem waar sy haar gunsteling liedjie sing en op Facebook, Instagram, en TikTok laai en die mentor van haar keuse tag. Sy moes ook op hulle webblad registreer. Daleen het besluit op die liedjie *Hou My Vas* deur Joe F. "Ek sing al vandat ek 13 jaar oud is en het al verskeie geleenthede gehad om op te tree in die Noordwes Provinsie, reg deur tot in die Kaap," vertel Daleen. Sy sing graag Afrikaanse pop, country, en *golden oldies*. Daleen hou ook daarvan om haarself uit te daag en nuwe musiek te probeer sing. Haar liefde vir musiek is deur haar tannie geïnspireer. Sy was glad nie musikaal nie maar het 'n groot versameling musiek gehad. Daleen het ook opleiding ontvang by Pauline Matthews. Daleen glo dat as mens nie waag nie, sal mens nie wen nie, en dit het haar laat besluit om in te skryf. "Dit sal wonderlik wees om die musiek wêreld in te tree en my passie uit te leef," sê Daleen. Die top 24 finaliste sal op Maandag 8 Mei 2023 gekontak word en op 15 Mei 2023 sal hul amptelik op sosiale media bekend gemaak word. Gaan kyk Daleen se video op Facebook of Tik Tok en onthou om vir haar te stem.

Do you know how to play a musical instrument?

Being able to play a musical instrument is a talent which takes practice and determination. Whether you are self-taught or took lessons, can you play a musical instrument?

No. But when I was much younger, I learned how to play the piano and later the clarinet. When I moved to boarding school, I stopped my lessons and lost the skill for both instruments. I always enjoyed live music performances from a young age and always wished to one day be a part of a band. **Bontle Tsikwe**

Yes. I have been playing the guitar for a long time. Music is a family thing; I was influenced by opera and that's where my love for music started. In our family, we also have a skilled saxophone player. **Danny Moreo**

No. I'm not very creative. I'm more of a sports person and that is where my interests are. **Adele van den Berg**

PROVERBS 1

The Beginning of Knowledge

- 1 The proverbs of Solomon the son of David, king of Israel:
 - 2 To know wisdom and instruction, To perceive the words of understanding,
 - 3 To receive the instruction of wisdom, Justice, judgment, and equity;
 - 4 To give prudence to the simple, To the young man knowledge and discretion—
 - 5 A wise man will hear and increase learning,
- And a man of understanding will attain wise counsel,
- 6 To understand a proverb and an enigma,
- The words of the wise and their riddles.
- 7 The fear of the Lord is the beginning of knowledge, But fools despise wisdom and instruction.

Fedhealth Magalies Monster and Platinum Trail Run proudly supports The Kindness Collaboration

Rustenburg – ATKV Buffelspoort will be hosting the Magalies Monster MTB Classic on Saturday 3 June and the Fedhealth Platinum Trail Run on Sunday 4 June 2023.

The organisers of two of the North West Province's most respected off-road events, the Fedhealth Magalies Monster MTB Classic and Fedhealth Platinum Trail Run are proud to continue supporting The Kindness Collaboration in 2023. Founded by Fedhealth and Operation Healing Hands (OHH), The Kindness Collaboration offers much needed support to South Africans who cannot afford quality medical care.

"We are extremely proud to continue supporting the fantastic role that The Kindness Collaboration fulfils," says Michael Meyer, managing director of Stillwater Sports. "It's a sad reality that not all South Africans have access to or can afford quality medical care. Thanks to Fedhealth and OHH, The Kindness Collaboration offers a much needed helping hand to these families. It is an honour to support this fantastic initiative and we would like to urge mountain bikers and trail runners alike to do the same by donating towards the cause when entering the Fedhealth Magalies Monster MTB Classic and/or Fedhealth Platinum Trail Run online."

Says Jeremy Yatt, Fedhealth principal officer: "Fedhealth proudly partnered with OHH, a charity started by a group of doctors, to launch The Kindness Collaboration. The project sees us, working closely with OHH, our members, brokers, and service providers, to raise the funds needed to cover preventative and life-saving screenings and procedures for South Africans who cannot afford quality medical care. We are proud to put our name and backing behind a project that raises

funds to cover the cost of preventative and life-saving screenings and/or surgeries. The Kindness Collaboration is a joint initiative between Fedhealth and OHH. All medical professionals associated with OHH provide their time and skills for free; the funds raised go towards expenses such as

consumables and random medical expenses. **For more information and/or to enter the Fedhealth Magalies Monster MTB Classic and/or the Fedhealth Platinum Trail Run please visit www.stillwatersports.com or email entries@stillwatersports.com.**

Phokeng/Rustenburg – There was a hive of soccer activity on Saturday 29 April 2023 during the Seboleswa Four Nations Cup at the reaction force ground in Phokeng. The final, a tightly contested match, saw River Kings registering a 4-3 win over Likhukhuni Masters through a penalty shootout. The winning team, River Kings, received a trophy and 25 yellow medals while the runners up, Likhukhuni Masters, received 25 silver medals. Phokeng Masters, who finished third, received 25 bronze medals. "We are proud to have been the hosts of the games this time around," managing director of Phokeng Masters Ferdinand Phusoane said. KAP Sani2c Cycling adventure

SA – Rustenburg Cycling Club (RCC) members, Nico Otto, Justin Van der Linde, and Quintin Stander, enjoyed three days of cycling from 27 to 29 April 2023 in Kwa-Zulu-Natal. The KAP Sani2c Race is a 265km mountain biking cycle from Himeville and passes through the Umkomaas Valley. A big well done to Otto and Van der Linde who finished second overall in the veteran's category! Stander, who also did well, enjoyed testing himself against the other competitors.

RCC members Nico Otto (6th from left) and Justin van der Linde (7th from left) finished 2nd overall in the veteran's category.

Impala (pictured here in blue during their 73-0 win over Ikgang on 15 April 2023) will be hoping to maintain the same winning form when they take on Klerksdorp in their third match of the season.

Tough test for Impala

Rustenburg – Impala Rugby Club's first team are currently on top of the Leopards Rugby League with 10 points after winning their two matches. While it's still in the early days, Impala have already taken control of the league title chase as they are the only team out of eight teams to have won both their matches. On Saturday 6 May 2023, Impala will face a stern test when they play against Klerksdorp Rugby Club in their first away fixture of the season. Klerksdorp, who have won a single match and lost the other, are third on the log with 6 points and will be going all out for a win in front of their

home supporters. Impala, who have made it clear that their intention is to win the Leopards Rugby League this season, have played both of their matches in front of their home supporters. Managing a win against Klerksdorp, away from the familiar surroundings of the Impala Sports Grounds, could therefore suggest that Impala has both the mental and physical ability to go all the way and win the league title. Said Impala Rugby Club manager Trevor Visser: "We have no injuries, so we will have our full strength for the upcoming match."

ADVENTUROUS FUNDRAISING

Rustenburg – Steineck Lodge, together with Hankook and Arrie Nel Pharmacy hosted a fundraiser for Laerskool Dawid Brink, Rustenburg Hospice, and Spes Bona at Steineck on Saturday 29 April 2023.

More than 1,000 people attended the event and enjoyed family fun at the stalls, horse rides, and jumping castles. On stage the talented 4 Eva Young Band and Ricky Faber entertained the attendees with their music.

The highlight of the day however was the 4x4 competition where 10 vehicles had to prove their mettle on the slopes. Spectators were at the edges of their seats as the vehicles had to face steep hills while dust filled the air.

Congratulations to the following winners in their respective categories:
