Rustenburg/ Brits – Time and again reports of pangolin poaching arise. After receiving news of four suspects who were apprehended for the possession of dead pangolins on Tuesday 4 July 2023, *Platinum Weekly* reached out to wildlife rehabilitation specialist and African Pangolin Working Group co-chairperson Nicci Wright, who helped us to shed more light on this vulnerable creature. **Read more on page 5.**

MAN'S BODY FOUND IN COMPLEX

Rustenburg – On Tuesday 4 July at approximately 22:00 a couple were apparently heard quarrelling outside a residence in a Safari Gardens complex. Shortly after, the 29-year-old woman drove out of the security-controlled access gate. The lifeless body of the 33-year-old man was later discovered on the ground by a passerby who informed security. "The woman was apprehended and released on a warning. Meanwhile the police are investigating a case of culpable homicide," said police spokesperson sergeant Ofentse Mokgadi.

PEDESTRIAN ACCIDENTS INCREASING ALONG THE R24

Rustenburg – In recent weeks, a significant number of pedestrian accidents have been reported along the R24, just outside Rustenburg. This stretch of road used to be a death trap until South African National Roads Agency Ltd (SANRAL) stepped up to the plate. Major upgrades to the R24 were conducted back in 2015, as the single lane was developed in a dual carriageway. The project started in March 2013 and was completed in October 2015. This brought along a massive decline in vehicle accidents on the R24. However, when *Platinum Weekly* reached

out to Department of Community Safety and Transport Management, spokesperson Rebaone Moeng said: "The R24 is not designed for pedestrian crossing," and cautioned: "Never cross a road until it is absolutely safe to do so". *Platinum Weekly* also reached out to ER24 and Anton's Towing Services, who both acknowledged the increase in pedestrian accidents along the R24. Anton's Towing Services shared: "When traveling along the R24, be extra vigilant. It's a high foot traffic area. Be especially weary when it's dark, or in the mornings during school traffic."

PROVERBS 11

The Folly of Wickedness [verse 1-6]

11 Dishonest scales are an abomination to the Lord, But a just weight is His delight.

2 When pride comes, then comes shame; But with the humble is wisdom.

3 The integrity of the upright will guide them, But the perversity of the unfaithful will destroy them.

4 Riches do not profit in the day of wrath, But righteousness delivers from death.

5 The righteousness of the blameless will direct his way aright, But the wicked will fall by his own wickedness.

6 The righteousness of the upright will deliver them, But the unfaithful will be caught by their lust.

Berlina, a finalist for Mrs South Africa!

Moses Kotane – The highly anticipated 2023 Dallmayr Mrs South Africa pageant announced its 2023 finalists at its first-ever semi-final showcase event, on Friday 7 July 2023 at the famous Theatre of Marcellus, Emperors Palace. Out of a fiercely competitive field of 100 remarkable semi-finalists from all over South Africa, Berlina Lekgethwane representing the North West province, secured her place amongst the Top 30 announced. Berlina started from humble beginnings and grew up in Ramokokastad in Phadi village. Guests who attended the first-ever Mrs South Africa semi-finalist showcase, in association with Dallmayr Coffee were treated to an evening of elegance, talent, and inspiration, including a black-tie VIP pre-party with renowned MC, Jo-Ann Strauss. The contestants then showed off

their dazzling evening wear and, finally, the judges' Top 30 finalists were announced. This year's prestigious panel of judges included well-known figures such as former Mrs South Africa Queens, Matapa Maila and Jacqueline Ferns, Dr Fezile Mkhize and Catherine Constantinides. Berlina Lekgethwane, a full-time manager of media and communications in Moses Kotane Local Municipality, said that becoming a finalist is a dream come true! She is a highly driven individual with a passion for the development of others. "I especially carry in me the burden to empower others from humble beginnings like me, motivate as well as equip them with skills so that they too can gain the advantage of opportunities," said Berlina. Mrs South Africa is the country's leading pageant for married women, offering

participants a renowned self-development programme, as well as the opportunity to positively impact their communities. Through mentorship, leadership training, workshops, and personal development, the pageant empowers its contestants with the skills and tools necessary to effect meaningful societal change Berlina shares. The grand finale, where one finalist will be crowned the new Dallmayr Mrs South Africa, will be held on 17 November this year. Watch this space! "We were simply amazed by the remarkable talent and dedication of each of this year's Top 30 Finalists, and we look forward to welcoming them on the next stage of their Dallmayr Mrs South Africa journey," says Joani Johnson, the CEO of Mrs South Africa.

Berlina Lekgethwane represents the North West province in the Mrs South Africa pageant.

Tlhabane/ Rustenburg – The MEC for the Department of Community Safety and Transport Management, Sello Lehari, led an anticrime imbizo in Tlhabane on Friday 7 July 2023. The recently released fourth (4th) quarter crime statistics were discussed.

The stats indicate that the Bojanala district recorded a total of 41% of the crime for the entire North West province, while Rustenburg's crime escalated by 10.3%. For the quarter, Tlhabane and Phokeng reported 1,180 crime incidents. It was for this reason that MEC Lehari led the anticrime imbizo. "What worries me more, is the ever-rising figures of robberies, car hijackings, residential robberies, domestic violence, and gender-based violence," he said.

"Disturbingly, the number of sexual-related crimes and incidents of child neglect and ill-treatment are on the increase. We implore the communities to act responsibly and report all incidents that contravene any law of the country," MEC Lehari reiterated. "Most of the crime incidents seemingly emanate from alcohol-seitered premises like taverns and often both victim and perpetrator know each other."

MAMOJA launches road safety campaign

From left: Road safety stakeholders, Mamoja Trading and Projects CEO Annah Ngxeketo, control provincial inspector Johan Esterhuizen, and senior provincial inspector Francinah Ngcengcela.

Senior provincial inspector Francinah Ngcengcela and Mamoja Trading and Projects CEO Annah Ngxeketo handed safety goodie bags to truck drivers on the N4 and Mmaditlokwa bridge.

Rustenburg – The MAMOJA Trading and Projects' safety campaign is an initiative which aims to raise road safety awareness, thereby reducing the severity and frequency of truck accidents in the country. The Department of Transport and the Road Transport Management System (RTMS) have made great strides forward in safety awareness in recent years. On Wednesday 5 July 2023 the MAMOJA team and campaign partners gave away safety goodie bags to truck drivers on the N4 and Mmaditlokwa bridge towards Sibanye Stillwater and Tharisa Mines. The campaign was launched under the theme, 'Safety is a small investment for a rich future; hence it remains our priority'. North West Department of Community Safety and Transport Management Control provincial inspector Johan Esterhuizen said that road users must always be

considerate of other road users. He added that their department has built a working relationship with MAMOJA because it's an RTMS certified company and safety is the priority. Nicole Melck is an accident survivor who shared a moving message of the importance of buckling up and how her life changed after a head-on collision. "The reason MAMOJA came up with this initiative is because, as part of the industry, we bear witness to more truck accidents every year. The most obvious reason why road safety is important is that many lives are at stake when you are on the road. Some factors contributing to the high rate of accidents include the behaviour of drivers and other road users, the maintenance and design of infrastructure etc. All these accidents are avoidable, and at MAMOJA we believe a lasting change in workplace attitudes and culture is

necessary from everyone who works in the transport industry. To deliver the biggest possible impact, we need to ensure that our safe vehicles are driven by safe drivers on safe roads," said MAMOJA Trading and Projects CEO Annah Ngxeketo. Some of the companies who partnered to support this initiative are Standard Bank, Unitrans, Grow Supplier ZA, Concentrate Carriers, JC Auditors, TSE Big Max, Fleet Watch, Atarah Solutions, Ndima Management Systems Consulting, Nthome Transport, The Chartered Institute of Logistics and Transport SA. Mining companies which fully supported the campaign are Sibanye Stillwater and Sylvania Mines. Maruatona and Jabula transport companies were also present. **The MAMOJA Trading and Projects, press release, 7 July 2023.**

Impala Rugby Club's winning streak continues

Trevor Visser's winning kick against Potchefstroom Dorp Rugby Club!

Rustenburg – On Saturday 8 July 2023, Impala Rugby Club locked horns with Potchefstroom Dorp Rugby Club on Impala's home grounds in Rustenburg. The first match kicked off at 15:30. It seemed like the team would lose until Trevor Visser's golden boot won the penalty, resulting in a winning score of 43-40 in the last minute. First-team captain Hanru Botha delivered an outstanding performance by scoring three tries, while Dewald Havenga and Jacobus ("Spiedie") du Plessis each scored a try in the match. Trevor Visser successfully converted five conversion kicks and one penalty kick, contributing a total of 13 points in the game. This impressive match placed Impala Rugby Club's first team in the second spot on the log. The second team kicked off at 14:00 and achieved victory with a score of 55-15. Next up for Impala Rugby Club is a match against Matlosana Rugby Club Academy in Klerksdorp this Saturday, 15th July 2023.

Rugba nuus!

Die Junior Bokke se droom om in die finaal te speel lê aan skerwe. Nadat hulle baie gelukkig was om deur te dring na die semi finaal, verloor hulle 31-12 teen Ierland. Ierland dring dan deur na die finaal om teen Frankryk uit te draf. Op hulle beurt het die Franse haantjies Engeland afgeransel met 52-31. Vroeër vanjaar het die Franse teen Ierland verloor; wat 'n riller gaan dit nie wees tussen die twee top spanne nie! Die jong Bokkies gaan Vrydag teen Engeland meeding vir die brons medaljes.

Semi finaal uitslae:

- Frankryk 52-31 Engeland
- Ierland 31-12 Suid-Afrika

Bepalings: Vrydag 14 Julie
Uitspeel wedstryde:

- | | |
|------------------------------|------------------------------|
| • Italië 12:00 | (sewende en agste) |
| • Japan (elfde en twaalfde) | • Georgia 17:00 |
| • Wallis 14:00 | • Nieu-Seeland |
| • Australië (nege en tiende) | • Suid-Afrika 16:30 |
| • Fidji 14:30 | • Engeland (derde en vierde) |
| • Argentinië | |

Finaal:

- Ierland 19:00 Frankryk

Suid-Afrika vs Australië

Op Loftus klop die Bokke se 'B' span die Aussies met 43-12 met puik *ruggas* ou grote. Die vertoning van die Aussies onder grootbek Eddie Jones was pateties en mens wonder of die Franse se onder-twintigs nie dalk die Aussies kan klop op hulle vertoning Saterdag nie. In die Bokspan het Kurt-Lee Arendse soos 'n arend gesweef en druk drie skitterdrieë. André Esterhuizen het op binnesenter vir die keurders gewys wat in hom steek. Met verbasing is nie een van die twee sterre in die Bokspan vir die toets teen die All Blacks ingesluit wat Saterdag teen die All Blacks in Auckland te staan kom. Eben Etzebeth is as kaptein van die Bokke aangewys om teen 'n gedugte All Black 23-tal op te draf.

Argentinië vs Nieu-Seeland

In Mendoza verniel die Kiwi's die Pumas 41-12 ou grote. Met rustyd was die telling 0-31 in die Kiwi's se guns. Die Pumas het beter vertoon in die tweede helfte, maar dit was nie goed genoeg nie. Die All Blacks is honger vir 'n wen!

Bepalings:
Saterdag 15 Julie

- Nieu-Seeland 09:05 Suid-Afrika
- Australië 11:45 Argentinië

2023 o/18 Craven Week

Die gesogte toernooi vir skoolseuns kon weer vanjaar plaasvind en kookwater *ruggas* was te sien in George. Die span van die toernooi was die WP wat die Blou Bulle in die finaal geklop het. Die Oostelike Provinsie se span het ook die toernooi onoorwonne afgesluit. Die Luiperds het hulle beste vir die laaste *game* gehou en klop die Limpopo Blou Bulle. Ses van die Luiperds spelers is afkomstig van die Hoërskool Rustenburg.

Uitslae (Saterdag)

- Valke 29-14 Griekwas
- SWD 27-26 WPXV
- Limpopo Blou Bulle 26-51 Luiperds
- Goue Leeus 21-40 Vrystaat
- Pumas 24-28 Boland
- Sharks 22-33 OP
- Griffons 20-29 Grens
- WP 29-5 Blou Bulle

Water crisis in Rustenburg persists

Rustenburg – Access to clean, potable water remains an uphill battle in Rustenburg – especially in previously disadvantaged areas. Areas that are mostly affected by water shortages in Rustenburg, include Rustenburg North, Zinnaville, Karlien Park, Serlang, Nkandla, Tlhabane West, Boitekong, Sunrise Park and Geelhout Park. And while many concerned residents, business owners and associations raised complaints with several government institutions, including the Rustenburg Local Municipality (RLM), Office of the Premier, Department of Water and Sanitation, Rand Water, Water and Sanitation Services South Africa (WSSA), and Magalies Water... the waves they made is a mere drop in the bucket. This persisting issue is a multi-faceted challenge with no single, easy solution. From poor infrastructure, no/ little maintenance, and lack of planning for development are but a few of the challenges landing the government in hot water. But that still leaves residents in bad waters. "The water shortages in Rustenburg are going from bad to worse and we will continue to experience water shortages for the foreseeable future," said Zinniville Ratepayers Association chairman Shuaib Bham in an interview with *Platinum Weekly* newspaper. In a letter from the Zinniville Ratepayers Association, addressed to the office of the Minister of Water and Sanitation, honourable Senzo Mchunu on 4 July 2023, they listed a number of days in which Karlien Park and Zinniville were left without water:

- | | | |
|---------------------------|---------------------------|-----------------------|
| • June 2022 – 5 days | • November 2022 – 9 days | • April 2023 – 5 days |
| • July 2022 – 9 days | • December 2022 – 27 days | • May 2023 – 9 days |
| • August 2022 – 25 days | • January 2023 – 21 days | • June 2023 – 27 days |
| • September 2022 – 9 days | • February 2023 – 24 days | |
| • October 2022 – 14 days | • March 2023 – 15 days | |

That amounts to a staggering 199 days without water, from June 2022 up to June 2023. The complaint to the minister was not a first, and will most definitely not be the last. Yet, all past complaints are water under the bridge – but what about our future? "We humbly request that immediate steps be undertaken to remedy the situation," adds Bham.

Rand Water to implement planned maintenance

Rand Water will implement a planned maintenance to tie-in two valves between the A19 and B14 Pipelines. The planned maintenance will be undertaken to replace multiple valves at the Vereeniging Water Treatment Plant, Eikenhof Booster Pumping Station and Zuikerbosch Water Treatment Plant. The last part of the project will be work on electrical boards at Lethabo Pumping Station. This project forms part of Rand Water's maintenance strategy that focuses on proactive refurbishment and upgrading of its infrastructure to ensure future sustainability. The 58-hour project will commence from 19:00 on Tuesday, 11 July 2023 until 05:00 on Friday, 14 July 2023. Some residents within the Rustenburg Local Municipality, Mogale City Local Municipality and the Rand West Local Municipality will experience intermittent water supply during the implementation of the project. **Rand Water press release extracts, 6 July 2023**

If you won a free trip to space, would you take it?

Virgin Galactic, the company founded by United Kingdom entrepreneur Richard Branson in 2004, successfully completed its first commercial flight to the edge of space on Thursday 29 June 2023. With that said, would you be interested in a trip to space if given the free chance?

No, I wouldn't. *Eish...* I've never thought about travelling to space, and I will never take that risk. People have made safe travels to space, but you never know if it will be your last day or not. So, it's a big no! **Danny Moreo**

No, I wouldn't. I would love to step out of my comfort zone, but not away from gravity! I am happy with the air that I'm breathing. Also, the suits you have to wear in space are a no-go! And not to mention... If they can lose a submarine at the bottom of the ocean, what makes you think they can't lose a spaceship in outer space? So absolutely no thanks! **Tiffany Pace**

No thanks! It doesn't sound like something that would interest me. I cannot imagine that it would be a comfortable trip. **Jessica Lovmore**

Did you know?

Nobel Prize-winning physicist Albert Einstein gave specific instructions concerning his death; he didn't want his body to be 'worshipped' or his brain to be studied so he wished to be cremated. After he passed away on 18 April 1955, Thomas Harvey, the pathologist who was on call when Einstein died, stole Einstein's brain. When Einstein's family found out, they didn't press charges or object to the theft, and Harvey was allowed to keep the brain in two jars in his basement.

Local cycling engine at Tour de France!

Rustenburg – One of Rustenburg Cycling Club's (RCC) own cyclists, Louis Meintjies (31) is currently participating in one of the biggest cycling challenges, the Tour de France. As of Wednesday 12 July 2023, Meintjies was ranked 45th after stage 11 with a distance of 179.3 km covered.

With ten stages to go before completing, many hold their breaths for the local cycling

champion. "The toughest stages are yet to come, and it will be a real tactical battle," said Meintjies.

Louis joined the RCC shortly after it was established in 2004. Hennie Fourie, a co-founder of the RCC, told *Platinum Weekly* on Tuesday 11 July 2023 that he quickly recognised the youngster's cycling prowess. "When he started at the RCC we went on a

lot of rides, and I soon noticed that he had exceptional balance and showed a lot of mettle on the inclines," said Hennie.

Before graduating high school, Louis told Hennie that he was considering university, but that he also felt as if his passion was leaning more towards cycling. "It's a lot of hard work to become a professional cyclist," Hennie warned him. Proud father Johannes

Meintjies said: "Louis currently has a very busy schedule; he is a focused individual who easily applies himself to whatever he takes on. But whenever we catch up during his breaks, Louis is eager to catch up on the day-to-day family news before he updates me on his cycling mission. I could say that he misses SA, but as I said, he is focused on his current goal. He is much like a diesel engine pushing on."
