AA press release extracts, dated 31 July 2023

Rustenburg – Many have speculated the reason for the power outage which occurred in Rustenburg on Friday 4 August 2023. An image of a broken-down pylon at the industry substation started circulating soon after the power went off at approximately 12:00, and thoughts ventured towards cable theft or vandalism. However, Democratic Alliance (DA) ward 18 councillor Cobus Nortje says, “The outage occurred because of a faulty 33 kV cable which runs between the industry substation and the northern substation. Eskom was on scene and attended to the matter. While the power in various areas was restored, other areas such as Oos Einde and Rustenburg CBD had to wait a little longer for the matter to be resolved. The broken-down pylon has been there for a while and did not relate to the outage”.

The broken-down pylon at the industry substation was not the cause of the power outage.

Koster – On Friday 4 August at approximately 19:20 pm a 14-year-old boy was on his way to evening prayers at the Jamia Masjid mosque on Bohemia Street when three men in an unidentified white car approached him. They called him to their car and opened their vehicle's doors. Thinking on his feet, he evaded them and ran into the mosque. "Although their intentions were unclear, the boy did feel threatened," said a community member, "This is usually a safe area, and never before has there been such an incident in the area, but parents should please remind their children to be vigilant and not to be alone in the streets after dark".

[Letter to the Editor]

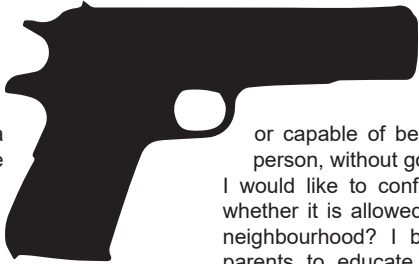

A few weeks ago, I noticed a couple of teenage boys walking down my street with airguns. This got me thinking on the law surrounding airguns. Of course, in their defence, they hadn't discharged their guns, but I couldn't help but wonder, what would happen if a reckless youth were to fire such a gun and injure an innocent passerby? I did some reading, and I think it's important for parents to be informed.

Firstly, let's start with the definition of an airgun in terms of the law (Firearms Control Act 60 of 2000): "An airgun is any airgun with a calibre of below 5.6 mm regardless of power/energy at the muzzle. An airgun is any airgun with a calibre of 5.6mm and above but is manufactured to be incapable of shooting at powers/energy of no more than 8 joules / 6 -foot pounds at the muzzle.

Any airgun that exceeds both the 5.6mm calibre and muzzle energy of 8 joules / 6-foot pounds is classified as a firearm in South Africa and in terms of the Firearms Control Act (FCA) a firearms licence is required to own and operate such."

Although airguns do not require a firearms licence in South Africa, there are provisions in the FCA that treat the use and ownership of airguns in the same manner as firearms. According to the act, it is an offence to:

- Cause injury to any person or damage to

property by negligently using a firearm, antique firearm, or an airgun.

- Discharge or otherwise handle a firearm, an antique firearm, or an airgun in a manner likely to injure or endanger the safety or property of any person or with reckless disregard for the safety or property of any person.
- Have control of a loaded firearm, an antique firearm, or an airgun in circumstances where it creates a risk to the safety or property of any person and not to take reasonable precautions to avoid the danger.
- Point any firearm, an antique firearm, or an airgun, whether it is loaded or capable of being discharged, at any other person, without good reason to do so.

I would like to confirm, as a matter of interest, whether it is allowed to discharge an airgun in a neighbourhood? I believe that this would help parents to educate their kids before equipping them with airguns.

#CuriousCommunityMember

Platinum Weekly reached out to police spokesperson colonel Adele Myburgh, who confirmed that, "It is an offence to discharge a firearm, an antique gun, or an airgun in a built-up area or any public place without good reason to do so." According to the South African Hunter Field Target Association, it is generally understood that the only "good reason" a court would find acceptable is self-defence.

EXERCISE CAUTION

[Letter to the Editor]

Rustenburg - As a regular driver on Heystek Street, I would like to warn pedestrians who frequently cross this road, especially between 16:00 and 17:00.

During this time, the sun is angled at a rather inconvenient position as it casts a glare that can make it somewhat challenging for drivers to see clearly which places pedestrians in danger.

As drivers, we rely on our vision to anticipate and react to potential hazards. However, when the sun is positioned just right, it can create blind spots that compromise our ability to see pedestrians. This situation becomes even more problematic when pedestrians attempt to rush across without exercising due caution.

I urge pedestrians to be extra vigilant when crossing Heystek Street during these hours. I understand that life can be hectic, and we're often in a rush to get from point A to point B. However, taking chances in such circumstances can have serious consequences. Let's all prioritise safety and adopt a more cautious approach.

I sincerely hope this gentle reminder resonates with drivers and pedestrians alike. Let's work together to ensure the safety and wellbeing of everyone on our streets. After all, it's the small, mindful actions that make a significant difference.

Rustenburg resident, Danika Minnaar.

SISTER-IN-LAW CHARGED WITH MURDER

Rustenburg - Exemplary investigative skills of the Provincial Murder and Robbery Unit secured the arrest of 36-year-old Nomsa Lephuting, who made her initial appearance before the Bafokeng Magistrates' Court in Tlhabane on Friday, 04 August, charged with murder.

Ms. Lephuting was apprehended on Wednesday, 02 August 2023. Reports suggest that on the morning of 22 November 2022, police responded to a shooting at Lephuting's residence. Tragically, they discovered the lifeless body of Paulina Pulane Lephuting, 40, in an outer room on the same premises. Paulina's body was found in a pool of blood with multiple gunshot wounds, and was she was declared dead by emergency personnel. Preliminary observations revealed signs of forced entry: the burglar door was breached, and the wooden door was ajar.

Post the grim discovery, Tlhabane police opened a murder case. Given the gravity of the crime, it was handed over to the expert hands at the Provincial Murder and Robbery Unit. Their thorough probe led them to Lephuting.

Adding a layer of complexity to the narrative, it was revealed that Nomsa Lephuting is, in fact, the sister-in-law of the deceased, being married to Paulina's brother. She was held in custody, until her bail hearing on Tuesday 08 August at the Bafokeng Magistrates' Court. However, with the state firmly opposing her release, the hearing has been deferred to 14 August. The intricate tapestry of this investigation is still being woven, with inquiries ongoing.

Lieutenant General Sello Kwena, the North West provincial commissioner, has extended his commendation to the team and all parties involved in achieving this significant advancement in the case.

The police gathered at Magalies View Shopping Centre after an armed robbery at two of the stores at the centre.

DAYLIGHT ARMED ROBBERY

Rustenburg – Two stores at Magalies View Shopping Centre were robbed on Friday 4 August 2023 by an armed gang.

Police and security services reacted swiftly to the crime scene.

According to police spokesperson sergeant Ofentse Mokgadi: "During the robbery, some customers were assaulted while their cell phones and other valuables were forcefully taken. The police are investigating a case of business robbery."

The audacity and brazenness of the robbers is deeply concerning for our community. It's imperative that we all stand united to safeguard our shopping centres and ensure the safety of every visitor.

SAFETY ALERT:

Rustenburg/Brits - Avoid N4 highway near Brits offramp at night and early morning.

Travellers are urged to exercise caution when using the N4, specifically between the Brits offramp and the R80, during night-time and the early hours of the morning. Over the past several weeks, there have been multiple reports of spiking incidents in this region.

Authorities have identified a group of three to five armed individuals as being responsible for the spiking incidents, particularly in the stretch from Hernic mine up to the R80. The public is advised to be vigilant, consider alternative routes, or adjust their travel times if possible. Investigations are ongoing, and law enforcement is actively working to ensure the safety of all motorists.

HEAD-ON CRASH, N4 CLAIMS A LIFE

Rustenburg – Two vehicles, a grey Chevrolet Aveo and a white Mercedes-Benz, collided head-on, on the N4 just outside Rustenburg (about 2 km from StayEasy Lodge) on Friday morning 4 August 2023 at approximately 07:00.

Tragically, the driver of the Chevrolet died on the scene. The driver and four passengers in the Mercedes survived the ordeal.

Over the past two weeks, the N4 and its off-ramps have been plagued by regular accidents, raising concerns over road safety in the area. This tragic incident outside Rustenburg is yet another grim reminder of the need for heightened vigilance and caution while travelling on this route.

We extend our heartfelt condolences to the loved ones of the deceased.

EMPLOYERS WHO ABUSE THEIR POWER

[Letter to the Editor]

Rustenburg – I'm very concerned about fellow staff who are still working for a certain security service company. It is tough to work for a dishonest employer who abuses power and believes that they are untouchable.

For many months I struggled without pay, as they would promise each month to pay me later, but because 'later' never arrived I decided to leave. I tried to take my case further through the necessary channels, but my attempts have been futile as my previous employer seems to hold a lot of political power—consequently, leaving me in a continuous struggle.

I am hoping that someone can assist me with this matter and put an end to corrupt bullies who take advantage of their employees.

Mayor activates Women’s Month

Rustenburg – At the launch and activation of Women’s Month in Rustenburg on Friday 4 August 2023, the Rustenburg mayor cllr Shiela Mabale-Huma encouraged women predominantly from law enforcement structures as well as other stakeholders to serve the community with pride. The Rustenburg launch involved different activities such as roadblocks by law enforcement in different locations, motorcade, distribution of fliers, and awareness campaigns across the city. The National Women’s Month programme is based on the ongoing interventions across the work of government, civil society, and the private sector within the context of the national priorities outlined by government. Women’s Month allows us to gauge how far we have come in transforming society, particularly the transformation of unequal power relations between women and men. While also focusing on and addressing gender oppression, patriarchy, sexism, racism, ageism, structural oppression, and creating a conducive environment which enables women to take control of their lives. **Rustenburg Local Municipality, press release, 4 August 2023.**

Local Artist Malebogo Molokoane elevates her glassblowing expertise

Malebogo's mentor in Paris, Zanele Muholi (left) with Malebogo. The artist says that they will soon be working together again.

Rustenburg - Malebogo Molokoane, who is currently doing her masters' degree in arts at the Tshwane University of Technology (TUT) and has a postgraduate diploma specialising in glass, embarked on an exciting journey from Friday 4 August to Tuesday 15 August 2023. Malebogo's journey means that she will further her glassblowing studies in Washington, D.C. in the United States of America (USA).

Hailing from the platinum city of Rustenburg, Tlhabane, Malebogo's artistic talents have earned her global recognition and accolades.

Since her early school days at Rustenburg Primary and Grenville High, Malebogo displayed a unique flair for art. But her passion for glassblowing took root during her varsity studies in Pretoria, where she is now based. Throughout her artistic journey, Malebogo's biggest supporters have been her friends, loving parents, siblings, and adoring nieces and nephews.

For her Washington D.C. trip, Malebogo, who is among a select group of international art school applicants, is attending the Pilchuck Glass School's 5th session titled, 'Mental: The Hand-Brain Connection' which is a popular segment of the glass summer programme.

Here, Malebogo will have the unique opportunity to interact with and be mentored by participants from the acclaimed glass-art reality series on Netflix, 'Blown Away'. Additionally, she will explore art galleries in Stanwood, Washington, and will be immersing herself in the rich artistic culture of the region.

Malebogo says, "I'm not only a glassblower, I'm also a glass artist. Hence, I specialise in many glass techniques". Malebogo decided in 2016 to challenge herself by becoming a glass artist. In 2022 Malebogo won the 2022 Gerard Sekoto Absa L'Atelier prize, and because of her win she was invited to attend the United Nations Educational, Scientific and Cultural Organization (UNESCO) African week as an artist and exhibitor at the Cité internationale des Arts from 4 April to 27 June 2023.

Malebogo also lectures part time as an alumna at the TUT arts campus, and specialises in kiln form, glass kiln casting, sand casting, glass beadwork and polishing (hot shop to cold shop). As for her future plans, Malebogo is planning something special as she aims to get her non-profit organisation (NGO) known as the Mark Making Association fully functional. With the Mark Making Association programme she aims to teach everything she has learnt to those who can't afford classes. "The purpose is to share knowledge and to create job opportunities," says Malebogo, "Once up and running, and with enough funding, the Mark Making Association will be working with various communities in the North West province."

Malebogo's beautiful collaborative art piece.

WHAT'S Cooking?

Nico Brits with his delicious freshly-baked caramel bread.

Caramel bread

Rustenburg – Bring the aroma of homemade bread to your kitchen by baking fresh loaves of Nico Brits' favourite recipe — caramel bread! He was taught this recipe by his mother.

Ingredients:

- 500 ml heavy whipping cream
- 2 cups caramel sugar
- 2 ready-to-bake bags of dough (± 500g per bag)

Method:

1. Mix the caramel, sugar, and cream together.
2. Preheat your oven to 180°C.
3. Put in the microwave for about 20 seconds, but make sure the mixture does not boil over. Then stir the mixture.
4. Repeat the process until the sugar is dissolved.
5. Pour the caramel cream mixture into an ovenproof pan, enough to cover the bottom.
6. Roll your dough into small balls.
7. Place the dough balls in the caramel-cream mixture of the oven pan.
8. Pour the rest of the mixture over the dough balls.
9. Set aside for ±45 minutes to rise until it doubles in size.
10. Bake for 30-45 minutes at 180°C.
11. For a smaller portion, halve the ingredients and follow the same recipe.

For a salty version:

1. Replace the cup of caramel sugar with 1 packet of mushroom or beef soup.
2. Enjoy with roasts or any other meat dish.

If you would like to have your recipe featured in the Platinum Weekly newspaper (free of charge), contact Cayla Gerber at 081 579 7000 or email editorial@platinumweekly.co.za.

Local Artist Dee Afriq returns from East West Africa Summit Expo

Jordan - Dineo Katane, known as Dee Afriq, is talented artist and singer who hails from Phokeng. Dee Afriq recently returned from her exhilarating journey to Jordan. The tour was filled with remarkable experiences, including a visit to Mount Nebo, which is mentioned in the Bible as the place where Moses was granted a view of the Promised Land before his death. Dee Afriq embarked on her journey on Wednesday 12 of July 2023, and after a 9-hour flight, she arrived at Kempinski Hotel Amman, Jordan. The first highlight of her itinerary was performing at the opening of the East West Africa Summit Expo with her enchanting song 'Gatagata.' During this event, Princess Taghrid Muhammad of Jordan warmly welcomed crafters from various countries such as Egypt, Kenya, New York, Mexico, Cameroon, Sudan, and South Africa, making the summit a true multicultural affair. During the expo, the array of crafters had the opportunity to display their talent in woodwork, beadwork, clothing, food, jewellery, as well as musical crafters such as Dee Afriq who showcased her beautiful vocals. Later, on the Kempinski Hotel Amman's rooftop, the talented artist also had the privilege of performing at a gala in front of Jordan VIPs and international guests. Dee Afriq returned to Rustenburg on 19 July with valuable lessons and insights. Reflecting on her experiences, she expressed, "As women, we shouldn't just plan but also act on our dreams wholeheartedly, without expecting anything

in return. Unity and collaboration will lead to significant progress in the world". Dee Afriq, whose music reflects the Setswana culture, appeals to her followers, stating, "I can't do this alone; I need your support, love, and honesty. As the Setswana saying goes, 'Motho ga Nke a iphetsa a nnosi' (a person cannot clap with one hand). Let's work together to achieve greatness". The talented artist's debut album, "Mosadi wa Motswana," pays tribute to women and African culture. Her music is available on various digital platforms, including Apple Music, iTunes, Spotify, and YouTube. Dee Afriq encourages her supporters to follow her on all social media channels, expressing heartfelt gratitude for the support she has received thus far. As she continues to bask in the success of her tour, Dee Afriq remains dedicated to her music. Although she is not currently working on another album or single, she is busy writing new material, eagerly preparing for her next studio venture and hoping for exciting collaborations in the future. Dee Afriq's journey has been nothing short of inspiring, and she hopes to motivate other women to pursue their dreams with determination and faith in divine guidance. Her soulful music is sure to touch hearts and resonate with audiences worldwide.

Does the sound of someone chewing bother you?

Some people chew their food quite daintily while others chow down like grinders without giving much thought to other people's peevs. Does the sound of someone chewing their food bother you, or don't you pay much attention to it?

Yes, it bothers me. It makes me think of a mouse chewing on something, and I don't like mice.

Presley Senengwe

Yes, it's annoying when you're next to someone chewing loudly, it's not good manners. Be mindful of people around you when you're chewing. No one wants to hear you chew or smell a nasty breath, please!

SOULFOOD

PROVERBS 15

A Soft Answer Turns Away Wrath
15 A soft answer turns away wrath, But a harsh word stirs up anger.
2 The tongue of the wise uses knowledge rightly, But the mouth of fools pours forth foolishness.
3 The eyes of the Lord are in every place, Keeping watch on the evil and the good.
4 A wholesome tongue is a tree of life, But perverseness in it breaks the spirit.
5 A fool despises his father's instruction, But he who [b]receives correction is prudent.
6 In the house of the righteous there is much treasure, But in the revenue of the wicked is trouble.
7 The lips of the wise disperse knowledge, But the heart of the fool does not do so.
8 The sacrifice of the wicked is an abomination to the Lord, But the prayer of the upright is His delight.
9 The way of the wicked is an abomination to the Lord, But He loves him who follows righteousness.

Domestic tourism – the bedrock of South Africa’s tourism sector

From left: Tourism Business Council of South Africa (TBCSA) chairman Blacky Komani, minister of tourism Patricia de Lille, and North West DEDECT MEC Virginia Tlhapi.

Rustenburg – The tourism industry, led by minister of tourism Patricia de Lille, came together in Rustenburg on Tuesday 1 August 2023 for the launch of Tourism Month 2023 to reflect on tourism’s vital role in our country’s growth and development – particularly, domestic tourism.

South Africa commemorates Tourism Month in September to coincide with World Tourism Day on 27 September. Tourism Month aims to create awareness and promote domestic tourism and cultivate a culture of travel among South Africans. It is also an opportunity to showcase the country’s diverse tourism offerings and foster a sense of national pride and appreciation for the beauty and richness of South Africa.

At the launch, De Lille highlighted the importance of domestic tourism to South Africa’s tourism sector: “Domestic tourism is the bedrock of our industry. It serves as the heartbeat that sustains our hospitality sector supporting local businesses, and generating employment opportunities for our people. When we choose to explore our own land, we not only discover the breathtaking landscapes and connect through the vibrant cultures that define us, but we also contribute significantly to our nation’s economic prosperity.”

The global theme as set by the UNWTO for this year is ‘tourism and green investments’. This theme emphasises the significant role of tourism in fostering inclusive economic growth and development. By generating employment opportunities, stimulating local economies, and promoting social inclusion, tourism becomes a powerful catalyst for positive change.

The impact of domestic tourism on our economy cannot be underestimated. As South Africans, each journey we embark upon within our country’s borders has a ripple effect on various industries. It sustains our hotels, lodges, restaurants, and countless small businesses that rely on our patronage,” De Lille added.

In line with the theme, the national launch of Tourism Month took place at the Thaba Legae Guest Lodge in Rustenburg. The lodge is also one of the beneficiaries of the Department of Tourism’s Green Tourism Incentive Programme (GTIP) and is owned by Millicent Shai. Thaba Legae Lodge’s solar PV installation was co-funded by the Department of Tourism to help the establishment operate despite energy constraints and offer an uninterrupted visitor experience.

Minister de Lille was joined by various dignitaries and industry leaders including MEC for Economic Development, Environment, Conservation and Tourism (DEDECT) in the North West Province, Virginia Tlhapi.

“As the North West province, we stand proud to be part of this auspicious occasion. We believe this occasion will go a long way in demonstrating that the tourism ecosystem is functioning once again, while no effort is being spared in re-engineering the tourism economy of the province for the benefit of our people. Our province is a multi-layered destination,” Tlhapi said.

Be a part of Christ’s light!

NG Protea Park’s *Liggies vir Lewe-Fees* is an annual highlight on the church’s calendar. During the festival, the church illustrates Christ’s life through a wonderful display of lights!

The theme of this year’s festival is ‘Starry Night’. In Van Gogh’s famous painting, the lights in the houses shine brightly, but the church has no light. This year, NG Protea Park wants to add deeper meaning to the Christmas season by shrouding the church with a brilliant display of lights.

Each year, the church has helped many organisations with funds and donations, and with the festival, it aims to make a difference once again.

The festival’s programme:

- Sunday 3 December: *Adam Tas*, will be performing, and the festival’s lights will be turned on at approximately 20:00.
- Monday 4 December: *Bee-Bee die By en Heuning* will once again pay a visit, and kids are invited to dress up in their favourite bee costumes!
- Tuesday 5 December: *Skemer* takes the stage.
- Wednesday 6 December: The festival will draw to an end with beautiful Christmas carols. The motorbike club will also be involved this year with a special stationery collection initiative.

The funds raised during the *Adam Tas* performance will be donated to Spes Bona, a residential facility that provides a safe place for people with various disabilities who have nowhere else to turn to. Additionally, the stationery collected will be donated to Dawid Brink Primary School’s new Grade ones.

Various food stalls will be available, which means that families can enjoy their dinner along with the entertainment and lights!

The church would like to encourage community members to get involved with this year’s festival, as everyone’s help is needed to make it a success.

You can do this by:

- Donating meat and products to make *sosaties*.
- Donating pancake ingredients.
- Donating Christmas lights.
- Cash donations will help to cover various costs.
- Providing sponsorship for the artists who will be performing; companies will receive exposure, before, during, and after, by sponsoring an artist.
- Get involved by helping with the festival’s arrangements; you can help with sales, *braaiing sosaties*, baking pancakes, and so much more!
- Help with advertising the festival, especially by word of mouth.

God is the light that shines eternally through His church and His people. You are invited to be a part of Christ’s light and to shine with your community!

Argentinië vs SA

In Buenos Aires moes die Bokke hard werk vir 'n oorwinning oor die Pumas en wen 24-13. Die rustyd telling was 10-3 in die Pumas se guns en duisende Bok supporters het naels gekou. Bongani Mbonambi het vir die eerste keer as *cappie* uitgedraf en duidelik die druk gevoel. Libbok het gesukkel met sy skoppe pale toe, maar het 'n paar goeie skoppies geloods. Sy dwarskop vir Moodie was puik en die vleuel kon afrond.

Die Wêreld Beker groep van 33 spelers is ook dan Dinsdag aangewys. Dit is slegte nuus dat Handré Pollard, Lood de Jager, en Lukhanyo Am weens beserings nie ingesluit kon word nie.

Die insluiting van vier skrummies sal bevraagteken word maar tussen Reinach en Williams is daar baie spoed en kan ook dan op vleuel instaan. Pollard, Am, de Jager, Joseph Dweba, Herschel Jantjies, Jean-Luc du Preez, Gerhard Steenkamp, Evan Roos, en Thomas du Toit is op 'standby' geplaas.

Daar is streng reëls vir plaasvervangers vir die 33-man groep vir elke land. Siya Kolisi sal weer die span aanvoer, dalk van die bank af want daar word nie regtig uitgewei of hy wel 100% wedstryd-fiks is nie. Die Bokke speel dan Saterdag 19 Augustus teen Wallis in 'n opwarmings-game.

- Ander uitslae:**
- Samoa 34-9 Tonga
 - Japan 12-35 Fidji
 - Skotland 25-21 Frankryk
 - Wallis 20-9 Engeland
 - Roemenië 17-31 VSA
 - Uruguay 26-18 Namibië
 - Ierland 33-17 Italië

RCC pedals to victory

Rustenburg – The Rustenburg Cycling Club's (RCC) junior cycling members have outdone themselves at the North West School XCO Cup #3 held at High School Volk Potchefstroom on Saturday 5 August 2023. Banyana Banyana aims to become bigger and better

SA - Banyana Banyana's FIFA Women's World Cup journey did not start when they played the opening match of the global tournament against Sweden, it started when Banyana Banyana beat Tunisia in the quarterfinals of the Women's Africa Cup of Nations in Morocco last year. The win against Tunisia secured qualification to their second FIFA Women's World Cup and coach Desiree Ellis' side returned to the global stage with much more experience, and it was evident on the field of play. The Sasol-sponsored team made history as they got their first point, won their first World Cup match, and then made their historic maiden appearance in the knockout stages. Despite their 2-0 loss against the Netherlands on Sunday 6 August 2023, the team has a right to remain proud, "We want to be remembered as a team that lit up the World Cup, as so-called underdogs, an underdog team that plays good football but can also mix it up with the best out there. We also want to be remembered for our

singing because that's who we are and that's what unites us and keeps us together. When we walked around the stadium after the match against the Netherlands, we could see how the people appreciated what we brought to the tournament, and I believe we will be back in four years' time bigger and better," said Banyana Banyana manager Desiree Ellis.

The team displayed great teamwork during the World Cup.

This Saturday Bergsig will take on Dinamika High School in the semifinal of the Noordval cup!
