## Is my child allowed to report bullying to SAPS?

**Rustenburg** – To confirm whether bullying could be reported to the South African Police Services (SAPS), *Platinum Weekly* reached out to police spokesperson colonel Adele Myburgh on Tuesday 5 September 2023. According to Myburgh: "Cases of bullying can be reported to SAPS for investigation, if the act is considered a criminal offence, for example, assault with the intent to do grievous bodily harm, common assault, intentional damage to property, and the wilful injury to someone's dignity (crimen injuria). Children under the age of 18 can report to SAPS with the assistance of a legal guardian. Of course, bullying should be reported to the school, but severe cases may be reported to SAPS for investigation. SAPS will notify a social worker to assist with the investigation, and further measures will be taken according to the specifics of each individual case".

## CASE OF MONEY LAUNDERING SUSPECTS CONTINUES

**Rustenburg** – The Specialised Commercial Crimes Court postponed the case against Evan Mutale (44), a Zambian national, and Dineo Precious Powane, to Tuesday 26 September 2023. This decision was made in order for Powane to appear in court following her absence. Her attorney indicated in court that she sent him a medical certificate dated 30 August 2023, booking her off until 1 September 2023. The state applied for a warrant for her arrest, pending her appearance in court on the set date. Failure to appear will result in her arrest and an automatic forfeiture of her bail money. The state argued that she informed her attorney about her ill health on Monday, 28 August 2023, but only decided to consult a doctor a day before the resumption of the trial. This the state views as a delay tactic, to avoid a speedy completion of trial. Powane is facing charges of money laundering, while Mutale is facing 49 charges of fraud and one of money laundering, after his arrest by the SAPS Provincial Commercial Crime Unit on 12 April 2023, in Rustenburg. He was charged for stealing over R5, million, from Jaira Construction and Projects, where he was employed as an accountant, responsible for managing accounts, payroll, and loading payments. Powane was granted R3.000 bail, while Mutale is out on R10,000 bail. "It is alleged that between September 2019 and November 2020, Mutale fraudulently transferred money into an account belonging to Powane, who has no links to the company but is known to him. These transactions were done under the pretence of paying a service provider for services rendered to the company. In the process, he deceived his supervisor to make final authorisations for money to be transferred into Powane's bank account. Investigations revealed that some of this money was later transferred to his bank account and, as such contributed to the state charging him with money laundering," said regional national prosecuting authority (NPA) spokesperson Henry Mamothame. The North West director of public prosecutions, Dr Rachel Makhari, expressed her concern over the delays, as they create an unnecessary backlog in court matters.

The state applied for a warrant for Powane's arrest, pending her appearance in court on the set date.

## MOTORISTS BEWARE: ROCK-THROWING INCIDENT ON N4!

The group of Seraleng community members singing in protest outside RLM.

## Seraleng community members make a splash at RLM

**Rustenburg** - On Monday 28 August 2023, Seraleng Ward 43's community members had had enough. Frustrated residents marched to the Rustenburg Local Municipality (RLM) to air their grievances about ongoing water and sanitation problems. But these weren't your average protesters; they came armed with buckets and laundry, turning RLM into an impromptu laundromat. Why the laundry, you ask? It was a potent visual statement, a way to say, “We're in dire straits here; basic needs have become a luxury”. *Platinum Weekly* reached out to RLM to shed some light on the situation and received the following response: “The municipality sent a notice on 23 August, announcing planned water restrictions affecting greater Boitekong and other areas. This scheduled arrangement has been implemented daily to regulate reservoirs' levels as we enter a high consumption season”.

Protesters washed their laundry at the RLM premises to highlight their frustration.

# A haven of hope: inside Rustenburg Child and Family Welfare Centre

**Rustenburg** - In the heart of Cashan, on 12 Mayet Drive, is a sanctuary for children in need. Founded in 2016 by Dr Sheehan Grant, Rustenburg Child and Family Centre has been a beacon of hope, offering children not just shelter, but also love, care, and a chance to heal.

What makes this centre a home? First and foremost, it's the non-profit organisation's unwavering commitment to the well-being of the children they take in. Each child undergoes a thorough assessment during admission, followed by the development of an individualised care plan. All this is carried out by a designated social worker, who, along with the centre's manager, ensures that only children who meet the home's requirements are admitted, backed by a valid court order.

But the home's care doesn't stop at admission. As a registered child protection organisation (CPO), the home sees to it that all children continue to receive vital services like medical and therapeutic care. Keeping the child's stability in mind, efforts are made to let them stay in their original schools. When necessary, they are enrolled in schools that better meet their educational needs.

The foster home leaves no stone unturned when it comes to emotional and educational support. Children have access to social workers five days a week to help them process their feelings and experiences. Furthermore, every child receives daily after-school tutoring from qualified teachers to ensure they don't fall behind academically.

Rustenburg Child and Family Welfare Centre, co-chairperson Charlene Schoeman.

The carers themselves aren't overlooked either. These caregivers are trained and well-versed in meeting the emotional needs of the children they look after. Each unit is small, managed by a pre-screened caregiver to make sure the children receive the attention and emotional support they deserve.

Safety is also paramount. The premises is under camera surveillance, monitored by the home's manager, and equipped with double security gates, high walls, and electric fencing.

Behind the scenes, a dedicated management committee of volunteers takes on the herculean task of sustaining the organisation while ensuring that the children receive the highest quality of

service.

While they offer a world of love and care, there are ways the community can chip in. Donations of food, toiletries, or even help in arranging birthday parties for these children can go a long way. It's comforting to know that in a world that often seems cold and uncaring, places like Rustenburg Child and Family Welfare Centre exists, ensuring that every child they take in feels a little more loved, a little safer, and a lot more hopeful about the future.

# 'n Smaakvolle dag!

**Rustenburg / Brits** - Tussen Vrydag 1 September en Saterdag 2 September 2023, was dit 'n fees van kleur, klank en, natuurlik, aarbeie by die *Heartland Equestrian Park*. Geleë langs die N4 by die afrit na Brits op R511, was die park 'n magneet vir bykans 12,000 musiek- en aarbeieliefhebbers.

Byna 16 ton aarbeie is verkoop, en die atmosfeer was propvol met lekker musiek en 'n mengsel van soet en sout kos om jou smaaklikheid te prikkel. Almal het ontspan en die vrye tyd geniet, van die kleintjies tot die ouer garde. Dit was definitief 'n musiekfees om te onthou.

Hier's tot volgende jaar se fees—mag dit net so suksesvol en vreugdevol wees!

Soos die feesgangers van hierdie jaar jou sal vertel: die Aarbeie Musiekfees was die plek om te wees!

# Be a part of Christ's light!

NG Protea Park's *Liggies vir Lewe-Fees* is an annual highlight on the church's calendar. During the festival, the church illustrates Christ's life through a wonderful display of lights!

The theme of this year's festival is 'Starry Night'. In Van Gogh's famous painting, the lights in the houses shine brightly, but the church has no light. This year, NG Protea Park wants to add deeper meaning to the Christmas season by shrouding the church with a brilliant display of lights.

Each year, the church has helped many organisations with funds and donations, and with the festival, it aims to make a difference once again.

## The festival's programme:

- Sunday 3 December: *Adam Tas*, will be performing, and the festival's lights will be turned on at approximately 20:00.
- Monday 4 December: *Bee-Bee die By en Heuning* will once again pay a visit, and kids are invited to dress up in their favourite bee costumes!
- Tuesday 5 December: *Skemer* takes the stage.
- Wednesday 6 December: The festival will draw to an end with beautiful Christmas carols. The motorbike club will also be involved this year with a special stationery collection initiative.

The funds raised during the *Adam Tas* performance will be donated to Spes Bona, a residential facility that provides a safe place for people with various disabilities who have nowhere else to turn to. Additionally, the stationery collected will be donated to Dawid Brink Primary School's new Grade ones.

Various food stalls will be available, which means that families can enjoy their dinner along with the entertainment and lights!

The church would like to encourage community members to get involved with this year's festival, as everyone's help is needed to make it a success.

## You can do this by:

- Donating meat and products to make *sosaties*.
- Donating pancake ingredients.
- Donating Christmas lights.
- Cash donations will help to cover various costs.
- Providing sponsorship for the artists who will be performing; companies will receive exposure, before, during, and after, by sponsoring an artist.
- Get involved by helping with the festival's arrangements; you can help with sales, *braaiing sosaties*, baking pancakes, and so much more!
- Help with advertising the festival, especially by word of mouth.

God is the light that shines eternally through His church and His people. You are invited to be a part of Christ's light and to shine with your community!

# A grave concern: infant on lap behind the wheel!?! [letter to the editor]

**Rustenburg** – On Monday evening 28 August 2023, around 17:00, while navigating the intersection of Boven and Helen Joseph Street (a very busy intersection that time of the day), I bore witness to an alarming sight. A man was behind the wheel of a bakkie, not only with an infant cradled in his lap but also attempting to bottle-feed the child as he drove. What deeply troubled me was the tender age of the child; an infant who seemingly required neck support. This isn't merely about the evident irresponsibility of the driver. This act seriously jeopardises the safety of the child, as well as every other motorist and pedestrian in proximity. Driving with a child unsecured, especially in such a vulnerable state, contravenes every principle of road safety. I write to draw attention to such acts of negligence in hopes that, as a community, we can stress the paramount importance of child safety on our roads. **In disbelief, #WhatTheHeck?**

# PERi-PERi Chic

**Pick n Pay Clothing, renowned for its affordable yet quality clothing, is partnering with Nando's, the hottest chick in the game! These two iconic South African brands are launching an exclusive collection of tees that are set to fire up the fashionistas as we spring into Spring.**

# Nando's & Pick n Pay Clothing's Spring/Summer Collection

With the theme of "Ignited by Diversity. One Nation. One Chicken", the range is a tribute to the Mzansi spirit of collaboration, creativity and multiplicity; perfectly timeless as we celebrate what it means to be truly South African this Heritage month. Nando's, the sauce of South Africa's pride since '87, is sure to amass invaluable street cred through these fresh 100% cotton tees. Pertunia Mabotja, Marketing Manager: Customer Experience at Nando's, says: "We are delighted to announce our exciting partnership with Pick n Pay Clothing for this exclusive t-shirt range. Just like our diverse menu, this collection offers something for everyone. We appreciate the love and support we receive from the South African community. Through this collaboration, we aim to give South Africans of all ages the opportunity to literally wear their hearts on their sleeves and join us as we proudly reaffirm our commitment and love for this amazing country we live in. Our commitment to South Africans is unwavering, making this project particularly special to us. This one's dedicated to you, Mzansi!" The Nando's & Pick n Pay Clothing collection harmoniously fuses the best elements of both brands: it melds Nando's zesty flavours and playfulness with the premium 100% cotton tees that Pick n Pay Clothing prides itself on.

The range features 12 distinctively local tees catering to women, men, and children, alongside an adorable "Born in the New SA" onesie designed for babies. The collection showcases Nando's signature font and its iconic PERI-PERI sauce bottles. Vibrant hues, including the national flag and the outline of the African continent, infuse the designs with an authentically South African touch. Diverging from the usual style of designer collaborations, this unique partnership "blends the spirited essence of Nando's with Pick n Pay Clothing's dedication to accessible and trendy fashion," explains Hazel Pillay, General Manager of Pick n Pay Clothing. "The range of tees will undoubtedly elevate your t-shirt game this summer, making you feel as 'hot' as Nando's legendary sauces," she adds. Pillay also notes that collaborations are gaining popularity because they allow brands to offer exclusive ranges that align with the latest trends, while injecting fun and uniqueness into their offerings. "Collaborating with Nando's, a popular brand known for its unique flavour and spirit, is an incredible opportunity to produce something unique and exceptional for our customers," says Pillay.

**The collection by this iconic Mzansi duo will be available exclusively at select Pick n Pay Clothing stores and online at [www.picknpayclothing.co.za](http://www.picknpayclothing.co.za) from 1 September.**

### PROVERBS 20

#### Wine Is a Mocker

20 Wine is a mocker, Strong drink is a brawler,  
And whoever is led astray by it is not wise.  
2 The wrath of a king is like the roaring of a lion; Whoever provokes him to anger sins against his own life.  
3 It is honorable for a man to stop striving, Since any fool can start a quarrel.  
4 The lazy man will not plow because of winter; He will beg during harvest and have nothing.  
5 Counsel in the heart of man is like deep water, But a man of understanding will draw it out.  
6 Most men will proclaim each his own goodness, But who can find a faithful man?  
7 The righteous man walks in his integrity; His children are blessed after him.  
8 A king who sits on the throne of judgment Scatters all evil with his eyes.

# Triggered!

**Rustenburg** - I'm writing to address a concern that's impacting both my peace of mind and the harmony of our community. Lately, there's been a recurring issue with a nearby house whose residents are frequently absent. Unfortunately, their home security alarm is overly sensitive, leading it to sound off for extended periods, causing significant disruptions for all of us. Despite the security company's best efforts, they're struggling to promptly resolve the problem due to the residents' frequent absence.

**[Letter to the Editor]**

**BLUEEPP**

This repetitive alarm has become an ongoing source of frustration for our entire neighbourhood. I urge fellow homeowners and renters to take a moment and properly set up their security alarms before embarking on extended trips away from home. It's crucial to ensure these systems aren't triggered easily by common events like moving branches, pets, or minor household activities. This simple precaution can go a long way in preventing unnecessary alarm activations that disrupt our daily lives.

Let's collaborate to uphold the peaceful atmosphere of our neighbourhood and guarantee that we all relish a serene living environment. Your attentiveness to this matter will undoubtedly contribute to a more harmonious and secure community for everyone. **#OnAlert!**

Akira Hussain crafts a flavourful batch of mango atchar.

Savouring the tangy delight of mango atchar!

## Mango Atchar

**Rustenburg** – Dive into the rich flavours of Mango Atchar, a cherished recipe from Akira Hussain's family kitchen. Infused with a hint of curry, this age-old recipe has been passed down from her grandmother and remains a beloved staple in their home. Simple yet delightful, it's a timeless treat for the taste buds.

### Ingredients:

- Green mangoes: 1 and ½ kg
- 2 tablespoons of salt
- 4 tablespoons of red chili powder
- 2 tablespoons of whole jeera
- 1 tablespoon of crushed dhania
- 3 tablespoons of Methi masala
- 1½ cups sugar (375 ml)
- 2 cups vinegar (500 ml)
- 1/2 cup corn flour/ Maizena (125 ml)

### Vagaar mixture:

- 1½ cups oil (375 ml)... you can use less oil if you'd like!
- 6 green chilies slit
- 8 cloves of garlic
- 2 tablespoons of mustard seeds
- 1 handful of curry leaves

### Method:

1. Peel the mangoes, wash, and drain thoroughly until dry. Sprinkle with salt and red chili powder.
2. In a pot, combine sugar, Maizena, and vinegar. Bring to a boil, stirring continuously. Once the mixture thickens, pour it over the bowl of mangoes.
3. In a pan, fry the vagaar mixture in oil. Once fried, pour it over the mangoes.
4. Mix everything thoroughly and allow to cool. Once cooled, transfer the atchar into bottles.
5. This atchar can be frozen and preserves well in the freezer.

# #GroenMasjiene

maak 'n kragtige indruk in krieket

Die ywerige o/14A-span het die krieketveld verlaat met 'n oorwinning van 44 lopies, nadat hulle 'n formidabele telling van 171/5 na 20 beurte opgestel het. Wagpos het probeer terugveg, maar kon slegs 127/10 na 18.3 beurte bereik. Enkele van die sterprestasies was:

- Xander Wenhold: 45 lopies met die kolf.
- AJ Coetzer: 2/6 met die bal.
- Christiaan Stoop: 2/26 met die bal.

Nietemin het die onder 17A-span ook hul merk gemaak en 'n oorweldigende oorwinning van 112 lopies behaal. Die Rusties het 'n indrukwekkende telling van 214/5 na 20 beurte op die bord gesit, terwyl Wagpos gestruikel het met slegs 102/10 na 15 beurte. Uitblinkers in hierdie wedstryd sluit in:
