Prophecy and Tongues

14 Pursue love, and desire spiritual gifts, but especially that you may prophesy. 2 For he who speaks in a tongue does not speak to men but to God, for no one understands him; however, in the spirit he speaks mysteries. 3 But he who prophesies speaks edification and exhortation and comfort to men. 4 He who speaks in a tongue edifies himself, but he who prophesies edifies the church. 5 I wish you all spoke with tongues, but even more that you prophesied; for he who prophesies is greater than he who speaks with tongues, unless indeed he interprets, that the church may receive edification.

Tongues Must Be Interpreted

6 But now, brethren, if I come to you speaking with tongues, what shall I profit you unless I speak to you either by revelation, by knowledge, by prophesying, or by teaching?

MOTHER AND DAUGHTER ROBBED ON N4

The assailant approached the vehicle and smashed the passenger side window.

Rustenburg - On Thursday 2 November 2023, an incident unfolded as a woman was taking her children to school on the N4 near the Helen Joseph Bridge. Her car encountered problems, prompting kind-hearted strangers to help move the vehicle to the roadside. They also volunteered to transport two of her sons to school for exams, while her daughter remained with her for assistance. Tragically, their ordeal took a terrifying turn when an assailant approached the vehicle, smashing the passenger side window. Threatening the young girl with a knife, the criminal robbed them of money and cellphones. Rustenburg Crime Combating Forum (RCCF) members swiftly responded to aid the victims.

Charl Visser, owner of Buffel Sekuriteit and Rustenburg Landelike Diens, urges motorists to equip themselves with pepper spray and/or tasers for self-defence, along with considering Smash and Grab Film to enhance vehicle security in such situations.

Having a fire extinguisher at home and understanding its operation is crucial.

Fire safety at home

Hartbeespoort – A heartbreaking tragedy occurred on the evening of Sunday 29 October 2023, at the Purple Moss shelter near Hartbeespoort. A young family, comprising three children - two girls, aged 2 and 3, and an 8-year-old boy, met with a devastating fate as a fire engulfed their home, claiming their lives. For tips to prevent such tragedies, *Platinum Weekly* reached out to Hartbeespoort Emergency Medical Service.

1. Know your neighbors, be aware of what's happening around you.
2. Save all the necessary emergency numbers on your phone for an emergency.
3. Make sure house keys are always kept in the same place, and everyone in the house knows where it is.
4. It is important to have a fire extinguisher and know how it works.
5. When there are security doors, ensure they are installed on the outside, and the security door should also open outward (making it easier to break the door open).
6. Ensure that when candles are lit, they are not placed near flammable objects, and make sure all candles are extinguished before leaving a room. Candles should preferably be placed in a candle holder that cannot tip over.
7. All gas cylinders should be located on the outside of the building and must be installed by an accredited person.
8. Get an evacuation plan/route for emergencies like a fire.
9. If someone smokes cigarettes, make sure all cigarettes are completely extinguished.
10. Crawl low under the smoke to the nearest exit. During a fire, smoke and gases rise with the heat. The air is cleaner closer to the floor.
11. Turn off the power during load shedding to prevent electricity surges.

A leaning issue

The problematic streetlamp on the Helen Joseph bridge.

Rustenburg - On Tuesday morning 7 November 2023, I found myself in a rather unsettling situation while commuting to work. It was a typical morning; I was stuck in school traffic at 07:15, trying to reach my workplace before 07:30. While waiting in traffic on the Helen Joseph Bridge, just before the four-way intersection at Bergsig Academy, I noticed a streetlamp leaning dangerously towards the side of the oncoming traffic. I believe it's only a matter of time before this lamp falls onto an unsuspecting motorist or pedestrian. The question is, what is being done about it?

#WorriedCommuter

On Tuesday 7 November 2023, *Platinum Weekly* reached out to the Rustenburg Local Municipality (RLM) for comment on the matter but received no response at the time of going to print.

Fortunately, no fatalities occurred.

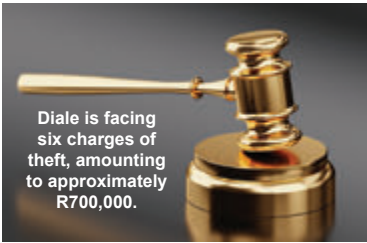

Vehicle rollover

Rustenburg - On Friday, November 3, 2023, just before 21:00, a vehicle rolled over on the R30 near the R24 junction. Trauma Rescue swiftly arrived at the scene, and luckily, only one passenger suffered minor injuries.

Former attorney's representations on RAF theft case rejected by the DPP

Rustenburg - The Specialised Commercial Crimes Court in Rustenburg postponed the case against Betty Diale (52) to Tuesday 28 November 2023, for trial. This comes after her representations to request the Director of Public Prosecutions (DPP) to withdraw her charges were rejected. The state has already provided her with all the necessary documents in preparation for trial. The state also hopes there won't be any further delays recorded, as the matter has been postponed on various occasions. A warrant for her arrest was previously issued for failing to appear in court on 26 September 2023 and failing to provide reasons for her absence. She was rearrested on 6 October 2023 and released on warning after she produced a medical certificate. Diale is facing six charges of theft, amounting to

approximately R700,000, allegedly stolen from the Road Accident Fund (RAF) claimants. "Police reports reveal that the Legal Practice Fidelity Fund received several complaints from the RAF claimants whose payments were deposited into Diale's trust account. The claimants alleged that the said money did not reach them after the payout, and subsequently reported to the police for investigation. Diale was practicing as an attorney during the alleged commission of the crimes between 2009 and 2011 and was subsequently charged with six counts of theft in June 2021. The Legal Practice Council has struck her off the roll, preventing her from practicing as an attorney," said National Prosecuting Authority (NPA) regional spokesperson Henry Mamothame.

Diale is facing six charges of theft, amounting to approximately R700,000.

Decomposed body discovered in canal

Rustenburg - Police spokesperson captain Aafje Botma confirmed that police are investigating an inquest after the decomposed body of a man was discovered in a water canal at Platinum Square Shopping Centre at approximately 15:30 on Tuesday 7 November 2023. According to Platinum Square Shopping Centre marketing and public relations manager, Elize Magor: "The body was found in the water canal that passes beneath Platinum Square. We can't say for certain, but we believe that the body could have washed down from the nearby mountain's stream due to the rainfall".

Anyone who might have information, may contact the investigating officer, sergeant Klaas on 082 373 9571.

Sibanye-Stillwater assumes full ownership of Kroondal earlier than expected and concludes 5-year wage agreement

Rustenburg – On Wednesday 1 November 2023, Sibanye-Stillwater announced that the transaction entered into between Rustenburg Platinum Mines Limited (RPM) a subsidiary of Anglo American Platinum Limited (AAP), and Sibanye-Stillwater's subsidiary, Sibanye Rustenburg Platinum Mines Limited (Rustenburg operation) as announced on 31 January 2022, has been brought forward, resulting in the Rustenburg operation acquiring RPM's 50% share in the Kroondal pool and share agreement (Kroondal PSA) and the Group assuming full ownership of the low cost, mechanised Kroondal operation, effective 1 November 2023. Sibanye-Stillwater chief executive officer, Neal Froneman, commented: "Concluding the transaction earlier enables effective consolidation of these operations under a single owner. By extending the operating life of the Kroondal operation, which as a standalone operation was constrained by the existing PSA agreement. We

are now able to realise the true potential of our adjacent resources by utilising the mechanised and low-cost Kroondal operation to mine across the boundary with the Rustenburg operation. This will accelerate the extraction of more remote parts of the Rustenburg operation orebody, expected to sustain employment for thousands of employees until 2029 and ensure the creation of significant shared value for all stakeholders in the region". **Sibanye-Stillwater, press release extracts, 1 November 2023.** Furthermore, on Monday 6 November 2023, Sibanye-Stillwater advised that it had concluded a five-year wage agreement with all representative unions, comprising the Association of Mineworkers and Construction Union (AMCU) and the National Union of Mineworkers (the NUM) in respect of annual wages and benefits for employees at the Kroondal PGM operations. The five-year wage agreement is similar to the terms and increases reached at the Group's

Rustenburg and Marikana operations during 2022. The agreement is inflation-linked, with category 4-8 employees receiving an increase of a minimum of 6% in each of the five-years of the agreement. Miners, artisans, and officials will receive an increase of 6% in each year of the five-year agreement. The estimated average increase in the total wage bill, including all benefits, over the five-year period is approximately 6.4% per annum. Sibanye-Stillwater chief executive officer, Neal Froneman, commented: "We are pleased to have concluded this five-year inflation-linked wage agreement, which follows the agreements we reached at our Rustenburg and Marikana operations in 2022, in a constructive manner and without any disruption. The agreement secures wage stability in the operations which will benefit all stakeholders". **Sibanye-Stillwater, press release, 6 November 2023.**

Water is a gift of life, a basic need, and a fundamental human right.

Zinniaville Ratepayers Association awaits response from RLM

Rustenburg - On Wednesday, 4 October 2023, the Zinniaville Ratepayers Association, in its ongoing battle with water issues, along with residents, peacefully protested as they delivered their memorandum of complaints and demands to the Rustenburg Local Municipality (RLM). "It is problematic that all areas affected are previously disadvantaged areas. There have been no improvements. We are concerned

that the water situation is changing from bad to worse, and we will continue experiencing water shortages for the foreseeable future. Residents are experiencing many challenges and hardships because of a very low level of basic service to the people of Rustenburg. Residents are frustrated, angry, and upset regarding the poor level of basic services rendered by the Rustenburg Local Municipality. The consequences of the lack of

water do not have to be spelled out. Water is a gift of life, a basic need, and a fundamental human right, and it is the obligation of the government to provide every citizen with clean and potable water. We also request and propose that the residents of Rustenburg North, Zinniaville, Karlien Park, Seraleng, Nkandla, Tlhabane West, Boitekong, Sunrise Park, and Geelhout Park receive water from Rand Water, which is more stable and definitely a cleaner supply. Unfortunately, the entire architecture constructed to provide service delivery has collapsed much in the same way that the actual infrastructure is collapsing around us," said Zinniaville Ratepayers Association chairman Shuaib Bham. On Tuesday 7 November, Bham noted: "The memorandum was received on 4 October on behalf of RLM by the MMC of Infrastructure, Thabang Rampou, who had assured us that we would receive a written response within 14 days of receipt of the memorandum. However, we have still not received a written response as of date".

The pair were arrested by the Directorate for Priority Crime Investigation (HAWKS) on Sunday, 5 November and Monday, 6 November respectively.

"The investigations revealed that on 1 January 2020, the accused persons conspired to commit housebreaking with intent to steal at the Phala Phala farm, and on 8 January 2020, Imanuwela with two others entered Stokkiesdraai farm, believing that it was Phala Phala farm. They broke in but nothing was stolen. The following night they located Phala Phala farm where they broke in and stole \$580,000. The matter has been postponed to Friday, 10 November, for Imanuwela to arrange for legal representation and for a formal bail application," said National Prosecuting Authority (NPA) Limpopo regional spokesperson Mashudu Malabi-Dzhangli.

HAVE A HEART

[Letter to the Editor]

When you hear someone has a pet, you immediately think of cats or dogs, right? Well, in some cases, people have pet fish. Many view pet fish as more of a decoration than a true companion, leading to misconceptions about owning fish as pets. Fish have very specific needs and require attentive and routine care. Neglect can make them sick and even lead to their demise. Taking a fish to the vet isn't always possible.

In my case, one of my pet fish, Denji, a molly, fell ill. I attempted to treat him, but it appeared he had an inoperable cancerous tumor. Saddened by this, I sought advice from friends on how to ease his suffering and help him pass peacefully. Immediate suggestions included 'flush it,' 'chop its head off,' or 'just take it out of the water.' After all, it's just a fish, right? Wrong.

Every little life deserves mercy. So, I conducted some research and discovered that the most humane way to help my little friend rest was to use clove oil. Clove oil acts as an anesthetic for fish and, in specific quantities, can be used to euthanize them.

Approximately 0.4 ml of clove oil per liter of aquarium water is sufficient to euthanize a fish. First, mix the clove oil with a small amount of warm water before gradually adding it to the aquarium water. This gently induces sleep in the fish, allowing them to pass away peacefully. Rest in peace to my dear Denji, and I hope that more fish owners out there will reconsider flushing their ailing friends down the toilet.

#There'sAnotherOption

Denji the molly was peacefully eased out of his suffering.

Are you a fan of energy drinks?

People often turn to energy drinks for a quick boost of alertness and energy. These beverages typically contain caffeine, sugar, and other stimulants that can provide a temporary increase in mental alertness and physical energy. But others see another side of the coin...

Yes. I like energy drinks, because I'm on my feet the whole day, and I need the energy to be on top of my game at work. Energy drinks come in a wide selection of flavours to choose from, and some contain vitamins as well, so not only do you get energy for the day, but also vitamins. **Quenton Engelbrecht**

No, I'm not a fan of energy drinks because they are not good for the heart and are detrimental to the nervous system, causing health issues. The body derives no real benefits from energy drinks. **Jacqueline Matlou**

YOUR FRIDAY FUN FACT

Did you know?

The sand you find on most beaches is made up of tiny pieces of rocks and shells that have been broken down by wind, water, and waves over millions of years. So, when you're walking on a sandy beach, you're essentially strolling on the remnants of ancient geological processes!

Laerskool Elandskraal se sterre pronk tydens die kultuuraand

Rustenburg - Laerskool Elandskraal se kultuursterre het sentraal gestaan gedurende die skool se Kultuuraand op Woensdag, 1 November 2023. Die gehoor is bederf met 'n vertoning van die jaar se beste sang, dans, voordrag, gimnastiek en drama-items. Topkunswerke was ook uitgestal, en die toneelstuk "Spieëltjie, Spieëltjie" deur dramaturg Jo-Athne Stemmet, het die verhoog geïllustreer. Die aand het geëindig met 'n betowerende kooroptrede en die uitreiking van medaljes aan alle deelnemers, wat almal verstom het met die ongelooflike kultuurtalent wat ten toon gestel is.

Boshoeck Primary School's literacy showdown

Rustenburg - On Friday 3 November 2023, Boshoeck Primary School hosted a spelling contest that pitted Grade 4 against Grade 5, and Grade 6 against Grade 7, with a total of 65 contestants participating. In collaboration with the Moamogoe Foundation, this event aimed to champion literacy by setting a positive goal for learners, enhancing their cognitive and vocabulary skills, and providing a platform to showcase their hard work. The first prize winner was awarded a fully paid two-night stay at Sun City Resort, complete with breakfast and family access to The Valley of Waves. The first prize winner also received the prestigious Spelling Bee Trophy, a medal, a generous R1,500 cash prize, books, and a special lunch with classmates, all courtesy of the Moamogoe Foundation. The second prize consisted of a

medal, a R500 cash prize, and books. The third prize included a medal, a R300 cash prize, and books as well. These prizes were the same for winners in the Grade 4 vs Grade 5, and Grade 6 vs Grade 7 categories. The atmosphere was electrifying, with the audience kept on the edges of their seats as contestants vied for the top positions. From 08:00, the Bumble Bees from Grades 4 and 5 eliminated each other until the last three remained at 11:00. From 11:00 to 12:00, it became even more nerve-racking as suspense hovered in the hall while Grade 6 contested with Grade 7, leaving three learners standing after a five-round battle. The event was an exquisite success thanks to an excellent panel of judges, team managers, guests, the event announcer, the student governing body (SGB), and the principal, Mr Mokgoatheng.

This isn't a story, it's a journey.

I'm Reabetswe Maungwa, the creator of 1019 Sauce, and I come from Tlhabane in Rustenburg. When COVID hit, I found comfort in my kitchen. Mixing South African and Ghanaian flavours, I stumbled upon a unique sauce that felt like home.

Glencore, in their effort to build economically resilient and sustainable communities, became an ally in my business with their Enterprise and Supplier Development programme. They provided the tools I needed – an oven, delivery vehicle, and other equipment that allowed me to scale up and produce more. Their support transformed my kitchen experiment into a real business.

I envision a future in agro-processing, empowering others and expanding my brand's reach. Glencore's belief in my journey fuels my determination.

With Glencore as my partner, the story of 1019 Sauce is more than a sauce – it's a testament to dreams nurtured and empowered. To my fellow entrepreneurs, keep that fire alive, trust your path.

Progress. Together.

Generosity on Mount Sera's milestone

Rustenburg - Mount Sera Primary School turned 20 and celebrated with a heartwarming gesture by donating 60 bags of previously used clothing to Hospice Rustenburg on Friday 3 November 2023. This annual 'pack a bag' drive supports the hospice, as the hospice sells the clothing to gather funds, and gives clothing to patients in need. The school's continued efforts highlight a legacy of community care woven into its history.
