

And let's not overlook Zinniaville, an area so riddled with potholes that even a 4x4 might consider a retreat (read more on page 6). But hey, if you're into extreme sports, these roads might just be your new playground! But more importantly – please stay safe on Rustenburg's roads!

COMMUNITY URGED TO AID IN IDENTIFICATION OF UNIDENTIFIED INDIVIDUAL: KOSTER POLICE SEEK HELP

Koster – The Koster authorities are reaching out to the community for help in identifying an unidentified white male, thought to be in his 30s or 40s. The individual's body was discovered in a ditch on Saturday, 30 December 2023, near the R30 roadway linking Rustenburg and Ventersdorp, between the Oakland and Raakvat farms.

Captain Aafje Botma detailed the state of the discovery, noting that the man was found without shoes, his hands bound with a cable, and his face covered

with plastic. He was clothed in a white t-shirt and blue beach shorts. The Koster Police are earnestly appealing to anyone with information that could aid in the identification of the individual to step forward. Detective sergeant Olebogeng Morolodi is the assigned investigating officer and can be reached at 076 510 9112. For those preferring anonymity, the South African Police Service (SAPS) provides a Crime Stop contact number, 08600 10111, or the option to relay information through the MySAPS App.

COMMUNITY ALERT: URGENT MANHUNT UNDERWAY AFTER TRAGIC DOUBLE MURDER IN RUSTENBURG

Rustenburg – In a somber call to justice, the South African Police Service (SAPS) in Tlhabane is intensively searching for a suspect linked to the heart-wrenching double murder of a woman and her mother. The horrifying incident unfolded in the quiet hours before dawn on Sunday, 14 January 2024, in Mathlatsimarwana Section, Lefaragatlhe, just outside Rustenburg.

The victims, a 37-year-old woman and her 73-year-old mother, met their tragic end in what can only be described as a senseless act of violence. Brigadier Sabata Mokgwabone detailed the chilling events: the younger woman, upon opening her door for her boyfriend, was allegedly met with a brutal knife attack. The assailant then turned his rage towards her mother, inflicting fatal stab wounds before fleeing the scene on foot.

The elderly victim's life was claimed at the scene, a dark reality for the first responders. Her daughter, a mother to a five-month-old baby, fought valiantly for life but ultimately passed away in the Jobe Shimankane Tabane Hospital in Rustenburg. The suspect, now the target of an extensive manhunt,

remains at large, his whereabouts unknown even after thorough searches at his known residence. The police are urging anyone with information, no matter how insignificant, to come forward. Detective warrant officer Khomofo Matlala stands ready to receive any leads at 076 257 9026. The public can also contact the SAPS Crime Stop number at 08600 10111 or provide anonymous tips through the MySAPS App. Every piece of information is a potential key to ensuring justice for the victims and safety for the community.

Lieutenant general Sello Kwenia, the provincial commissioner of North West, expressed profound condemnation of the brutal killings. Emphasising the gravity of the crime and the urgency of the situation, he has directed the investigation team to pursue every avenue, to “leave no stone unturned” in their mission to apprehend the perpetrator.

This act, perpetrated by someone who should have been a protector, not a predator, shakes the very core of our societal values.

We extend our heartfelt condolences to the family of the deceased during this profoundly difficult time.

In liefdevolle herinnering aan Jannie van der Walt

Wyle Jannie van der Walt

Rustenburg – Die gemeenskap van Rustenburg staan saam in rou ná die hartseer verlies van Jannie van der Walt, wie se begrafnis op Saterdag, 13 Januarie 2024, by die Nederduitsch Hervormde Kerk Onverwacht in Ellisras gehou is. Kancho Albert Venter, die stigter en hoofinstrukteur van Tokon Shotokan Karate A/C International, het die tragiese gebeurte van 1 Januarie 2024 gedeel. Op daardie noodlottige dag het Jannie, in 'n heldhaftige poging om twee dames te beskerm, 'n gewelddadige voertuigkaping gekonfronteer. Ongelukkig het hy ernstige beserings opgedoen tydens die aanval, wat gelei het tot sy uiteindelijke oorlye in die hospitaal na 'n dapper stryd om te oorleef. Albert het verder gereflekteer oor Jannie se onuitwisbare nalatenskap, deur te sê: "Jannie was nie net 'n shihan vir TSKKIA nie, maar ook 'n steunpilaar vir ons gemeenskap. As 'n uitmuntende instrukteur het hy die lewens van sy studente diepgaande aangeraak. Sy afwesigheid sal diep gevoel word."

Ons harte gaan uit na Jannie se familie, vriende, en kollegas tydens hierdie uitdagende tyd.

Ofentse Jeremiah More
Farmer

This isn't a story, **it's a journey.**

I'm Ofentse Jerimiah More, a farmer from Bethanie village in the North West. Before Glencore and Agri-SETA, I worked the land, but a year of intensive training changed my trajectory. Through Glencore's collaboration with Agri-SETA, I unlocked a treasure trove of knowledge. The art of mixing fertilisers, forming farmer alliances, and gaining financial access became my toolkit for success.

Today, I specialise in wheat, soybeans, sunflowers, and even livestock. As the winter wheat sprouts, I tend to its growth, applying top dressing with care. Yet my vision extends far beyond the fields. I dream of a comprehensive school that nurtures young minds in hands-on skills from carpentry to agriculture.

This journey isn't mine alone; it's the pulse of a community empowered. Through Glencore and Agri-SETA, I stand prepared to face the future – one of expansiveness, thriving land, and knowledge shared.

Thank you, Glencore, for cultivating not just crops but a better tomorrow.

Progress. Together.

Excel in Giving

8 Moreover, brethren, we make known to you the grace of God bestowed on the churches of Macedonia: 2 that in a great trial of affliction the abundance of their joy and their deep poverty abounded in the riches of their liberality. 3 For I bear witness that according to their ability, yes, and beyond their ability, they were freely willing, 4 imploring us with much urgency that we would receive the gift and the fellowship of the ministering to the saints. 5 And not only as we had hoped, but they first gave themselves to the Lord, and then to us by the will of God. 6 So we urged Titus, that as he had begun, so he would also complete this grace in you as well. 7

But as you abound in everything—in faith, in speech, in knowledge, in all diligence, and in your love for us—see that you abound in this grace also.

NEW KING JAMES VERSION (NKJV)

People in Zinniaville are really careful driving on these streets. A local, Lucky Sebeko, said: "We drive here every day, and the road is full of dangerous potholes. It's even riskier when it rains because the holes fill with water, and you can't see them."

STREETS IN ZINNIIVILLE: A CALL FOR URGENT RESTORATION

This might surprise you, but this is actually a paved road. The rainwater and big potholes make it look more like a dirt road. This section of Boulevard in Petunia Street, Zinniaville, has been getting worse and worse over the last year.

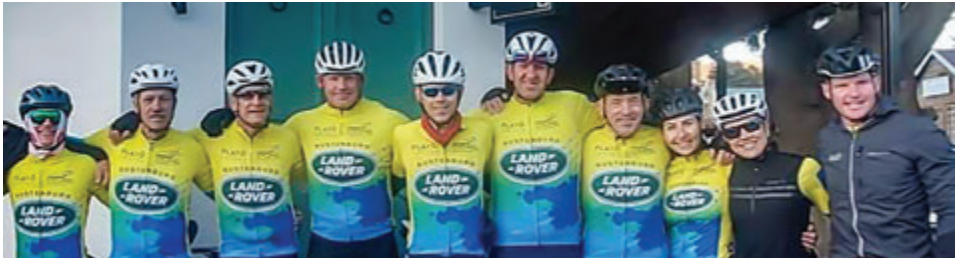

Rustenburg – In Zinniaville, a neighbourhood characterised by its vibrant community and bustling streets, a dangerous challenge disrupts the daily life of its residents: the deteriorating condition of its roads. Petunia Street, a once-smooth tarred road, has now devolved into a treacherous path, riddled with potholes so large and numerous that the street more closely resembles a gravel road than a city street. The persistent neglect and the absence of maintenance have led the road to transition from bad to worse over the last year. The Zinniaville Ratepayers Association has taken proactive steps to address this growing concern by reaching out to the Rustenburg Local Municipality (RLM) in hopes of initiating road repairs in Petunia Street and other affected areas within Zinniaville. However, their pleas have yet to prompt action, leaving residents in a constant struggle against the crumbling infrastructure. The *Platinum Weekly* newspaper sought a response from the RLM regarding this pressing issue, but received no response by the time of going to print.

Cycling enthusiasm on the rise in Rustenburg

Rustenburg – The Rustenburg Cycling Club (RCC) set ambitious targets for 2023, aiming to expand its membership base and enhance participation. The dedication and support of our members and sponsors have been the cornerstone of our success in 2023," Brown remarked. "Their generosity and collaboration have not only made our journey enjoyable but also instrumental in

achieving the goals we set out at the beginning of the year." Looking ahead, Brown is optimistic about the future and the potential for further achievements. "As we step into 2024, our commitment to fostering a stronger community and reaching new heights remains unwavering. We are excited about the opportunities that lie ahead and are eager to continue this journey with the unwavering support of our members and sponsors," he added.

Rustenburg – Two of Rustenburg's young swimming prodigies, Ruan Faber and Nicky Coetzee from Fields College, have once again demonstrated their mastery at swimming at the recent swim gala held in Potchefstroom from 6 to 10 December 2023.

Ruan Faber, a remarkable talent in Grade 8, showcased a series of stellar performances. He dominated various events, securing 1st place in the 100m backstroke, 50m butterfly, 200m backstroke, and 100m butterfly. His versatility was further highlighted with a 2nd place finish in the 200m individual medley (IM) and strong 3rd place showings in the 100m breaststroke, 200m breaststroke, and 50m backstroke. Faber's dedication and skill have earned him a prestigious spot on the NW Butterfly Team, where he will represent his school and region in Bloemfontein on Saturday 27 January 2024. Joining him in the spotlight, fellow Grade 8 student, Nicky Coetzee, also made a significant impact at the gala. Coetzee clinched a commendable 3rd place in the highly competitive 100m freestyle event, showcasing his speed and endurance.

Their exceptional performances not only highlight the individual talents of Ruan and Nicky but

Wat 'n begin van die jaar by Hoërskool Rustenburg!

Rustenburg – Die jaar het afgeskop met 'n plons en 'n lag by Hoërskool Rustenburg! Vrydag, 12 Januarie 2024, was 'n dag vol modderige pret vir die nuwe Graad 8-leerders, of soos ons hulle hier ken, die Bonsai's.

Die tradisionele ontgroening – ontkieming – 'n simbool van groei en nuwe beginne. Hierdie unieke benadering tot die verwelkoming van nuwelinge bring 'n vars briesie van opwinding en kameraadskap. Soos die modderige glimlagte getuig, is dit nie net 'n dag van moddergooi nie, maar ook 'n kans vir hierdie jong Bonsai's om hul wortels in die skool se ryk tradisies en gemeenskap te vestig. Aan al ons Bonsai's, sterkte vir die jaar wat voorlê! Laat die avontuur begin!

Heart-to-heart communication with horses

Karen Spies with one of her horses: A serene moment at In Touch Therapy Equine, embodying the harmony and healing power of equine therapy.

Children love horses! Experience the joy and therapeutic benefits at In Touch Therapy Equine. Book a spot today and be a part of this journey!

The inspiring journey of Karen Spies and In Touch Therapy Equine

Rustenburg – Nestled 7 km outside Rustenburg on the R24, behind the majestic Excalibur Castle, lies a haven of healing and hope: the In Touch Therapy Equine. Founded in 2010 by equine therapist Karen Spies, this non-profit organisation has been a cornerstone for therapeutic innovation, utilising the serene and empowering presence of horses to assist individuals with various challenges and special needs.

A childhood dream realised
Karen's journey with In Touch Therapy Equine began as a childhood dream. "As a child, I dreamed of working with horses to assist people with challenges or special needs," she recalls. Today, her dream is a reality that not only benefits her but also those who come seeking solace and strength through the horses. "To see how the Lord uses horses to help people, to witness the impact they have, is my favourite part of the job. Even if we make a difference for one person, it's a victory for us," Karen says with a heart full of passion.

The therapeutic power of horses
In Touch Therapy Equine is home to seven horses, most of whom are rescues, each with a unique story of resilience and recovery. The therapeutic benefits of interacting with these gentle giants

are backed by extensive research. Studies have shown that engaging with horses can lead to numerous physiological and psychological benefits, such as reduced blood pressure and stress levels, increased beta-endorphins, and improved feelings of empowerment, confidence, and self-worth. Through the rhythmic movements of these horses, the organisation provides a therapeutic intervention that is as much a journey of physical healing as it is of emotional and psychological growth. The process not only assists those with special needs but also instills a sense of self-confidence and worth, nurtured through the act of caring for and socialising with the horses.

An invitation to experience transformation
In Touch Therapy Equine extends an open invitation to experience this unique form of therapy. "Children love horses! Book a spot today at In Touch Therapy Equine!" encourages Karen, highlighting the organisation's appeal to younger audiences. The serene environment and the compassionate team provide an ideal setting for both individual and group therapy sessions. For more information, you can check out their Facebook page or contact Karen Spies directly at 084 422 2377 or via email at karenspies@telkomsa.net. In Touch Therapy Equine stands as a testament to the healing power of nature and the enduring bond between humans and horses.
