## ARMED ROBBERS TARGETING HIKERS

**Rustenburg** – Three suspects, Organzo Phenza Mbombe (37), Obvious Moyo (24), and Prince Njove (30), appeared before the Rustenburg Magistrates' Court on Monday 19 February 2024. They face charges related to armed robbery and extortion, following their arrest in a precisely coordinated crime intelligence-driven operation. The court has remanded all three in custody pending further investigations.

The arrests were the culmination of a joint operation by the Provincial Crime Intelligence, the Rustenburg Trio Task Team, and the Mooiwooi and Marikana police units on Friday, 16 February 2024. This operation was sparked by reports of three armed robberies targeting hikers in the nature resorts around Marikana between 24 December 2023 and 1 January 2024. Lieutenant colonel Amanda Funani detailed the crimes, noting that the victims were confronted and overpowered by armed assailants. These criminals not only threatened the hikers with firearms but also robbed them of personal items such as cellphones, a video camera, shoes, and clothing. Additionally, the victims were coerced into transferring money to the assailants via E-wallets or similar electronic means before being released. Lieutenant general Sello Kwena, the provincial police commissioner, lauded the cooperation and dedication of the various SAPS units involved in the operation.

Firearm seized: key evidence unearthed in arrest of robbery suspects.

## COMMUNITY ALERT: DAYTIME ARMED ROBBERY

**Rustenburg** – Residents of Joubert Street in Rustenburg were subjected to a terrifying ordeal on Wednesday 21 February 2024 when a family's home became the target of an armed robbery. In a bold midday crime, four individuals concealed with balaclavas forcibly entered the residence, threatening the occupants with firearms.

According to Ofentse Mokgadi, spokesperson for the Rustenburg South African Police Service (SAPS), the assailants held the family at gunpoint. The robbers proceeded to loot the family's safe, making off with firearms, jewellery, and other valuable possessions. This incident has raised concerns about safety in local communities, especially given the audacity of the crime occurring in broad daylight. Investigations continue.

## PHOTSANENG CPF SUB-FORUM LAUNCHED

**Rustenburg** – A significant step forward in community policing and safety was taken on Wednesday, 21 February 2024, as the Rustenburg Community Policing Forum (CPF), in close collaboration with the South African Police Service (SAPS) and the Royal Bafokeng Reaction Unit, unveiled the Photsaneng CPF sub-forum. This initiative marks a pivotal movement towards fostering a safer environment for the residents of Photsaneng and surrounding areas. The establishment of the Photsaneng CPF sub-forum is part of a broader effort to engage community members directly in the safety and security of their neighbourhoods. By working hand-

in-hand with law enforcement agencies, the sub-forum aims to address local safety concerns more effectively and promote a spirit of mutual assistance and vigilance among residents. The forum is led by chairperson Omphemetse Komane, with Maki Molotsane serving as the deputy chairperson. The critical roles of secretary and deputy secretary are held by Olebogeng Pettele and Abbey Huma, respectively. # MANYANE RESORT HIT BY MIDNIGHT FIRE

**Mogwase** – A fire incident in the early hours of Tuesday, 27 February 2024, has severely damaged Manyane Resort, a popular destination within Pilanesberg National Park. The blaze, which erupted around 01:30, quickly spread through the resort, leading to the destruction of the reception area, conference room, restaurant, and support staff offices. Preliminary reports from security personnel suggest the fire started in a passage linking the restaurant to the conference facilities, with Fire and Rescue Services responding swiftly to contain the inferno. Despite the significant damages incurred, there were no injuries reported among people or harm to the local wildlife and vegetation. The resort, excluding the affected facilities, remains operational, ensuring that guests can still enjoy the camping and caravan sites, along with other activities within the nature reserve unaffected by the fire. Investigations into the cause of the fire are ongoing, with the North West Parks and Tourism Board collaborating closely with Golden Leopards Resorts management. The aim is to determine the origin of the fire and implement measures to prevent future incidents, ensuring the safety and enjoyment of all visitors to this cherished national park.

Extensive damage at Manyane Resort: the fire incident left the reception, conference facilities, restaurant, and support staff offices in ruins.

The Luka Sports Facility promotes sports development and provides a vibrant space to gather and engage in leisure activities for residents of Luka. With state-of-the-art amenities and recreational facilities that include a soccer field, an athletics track, swimming pool and kiosk, the facility caters to the needs of approximately 17,500 residents. Last year, the venue celebrated its first milestone after successfully hosting the final soccer and netball tournament of the annual Royal Bafokeng Sports Metshameko Programme.

Moses Motlhageng, chief executive of Impala Rustenburg, said: “Impala Rustenburg is proud to have successfully completed this project in collaboration with our local stakeholders. These essential facilities will help foster sporting activities, which cultivate essential life skills. We believe in the transformative power of sports, which offer not just physical activity but also opportunities for personal growth and development. By offering a safe space for recreation, we also hope to provide a place where the youth of the community can engage positively, channelling their energy constructively.”

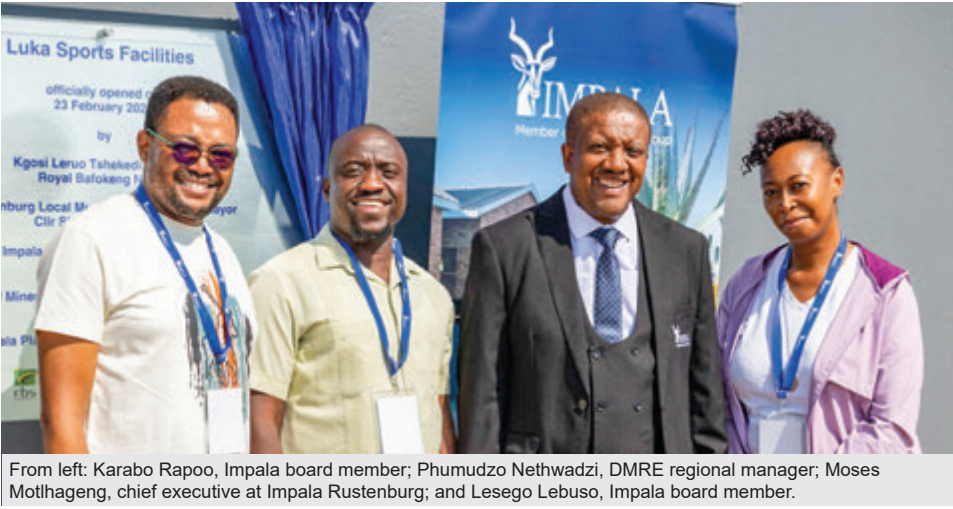

The project, which was completed in July 2023, reflects Impala's dedication to fostering growth and prosperity within its mine communities.

Rustenburg Local Municipality's executive mayor, Sheila Mabale-Huma, expressed her appreciation for private-sector collaboration with the government, saying, “I extend my gratitude to Impala Rustenburg for its continued commitment to community development and for delivering this transformative project. By empowering the SMMEs involved, Impala has contributed to local economic growth and strengthened community resilience. We trust that the Luka residents will preserve these facilities and enjoy them for years to come.”

# Support the Koster House of Safety: a beacon of hope for vulnerable children

**Koster** – In the heart of Koster, a beacon of hope shines brightly for children facing the darkest challenges. The Koster House of Safety, a dedicated non-profit company (NPC), is on a mission to provide a nurturing sanctuary for children. This noble initiative seeks to offer these young individuals not just a safe haven, but a chance at a brighter, more hopeful future.

Cheryl Mastop, the house mother at Koster House of Safety, shares her profound insights into the harsh realities faced by many children in the community. "Every day, numerous children are subjected to unimaginable hardships, battling through physical, emotional, and psychological abuse. These young souls, innocent and vulnerable, deserve a fighting chance at a life free from fear, pain, and suffering. Our NPC stands as a pillar of sanctuary for these children, providing them with a safe haven where they can heal, grow, and thrive."

However, the journey towards healing and empowerment is not a path that the Koster House of Safety can walk alone. The organisation urgently calls upon the support and generosity of the community to ensure the continuation and expansion of its vital services. "Every contribution, no matter the size, can spark a significant change in the lives of these vulnerable children. It's about giving them hope, love, and the opportunity to embrace a future they rightfully deserve," Mastop emphasised.

By supporting this organisation, you are not just donating; you are investing in the future of children who have nowhere else to turn. We sincerely hope you consider supporting this cause. For more information on how you can help, please contact the Koster House of Safety at 076 377 2642 or via email at [houseofsafetykoster@gmail.com](mailto:houseofsafetykoster@gmail.com).

### PSALM 61

#### Assurance of God's Eternal Protection

**To the Chief Musician. On a stringed instrument. A Psalm of David.**

1 Hear my cry, O God;  
Attend to my prayer.  
2 From the end of the earth I will cry to You,  
When my heart is overwhelmed;  
Lead me to the rock that is higher than I.  
3 For You have been a shelter for me,  
A strong tower from the enemy.  
4 I will abide in Your tabernacle forever;  
I will trust in the shelter of Your wings. Selah  
5 For You, O God, have heard my vows;  
You have given me the heritage of those who fear Your name.  
6 You will prolong the king's life,  
His years as many generations.  
7 He shall abide before God forever.  
Oh, prepare mercy and truth, which may preserve him!  
8 So I will sing praise to Your name forever,  
That I may daily perform my vows.

Wow!  
I won a Yamaha Baby Grand Piano!

[letter to the editor]

**Rustenburg** – Imagine my excitement upon discovering I have won a Yamaha Baby Grand Piano! These exquisite instruments can command prices in the hundreds of thousands of rands, varying by model. As someone who frequently enters competitions, this seemed like a dream come true. However, a nagging feeling prompted me to scrutinise the details. Upon closer inspection of the congratulatory email, I realised something was amiss — I don't recall entering any competition offering a piano as a prize. My suspicion deepened when I learned my husband received an identical message. This revelation was the red flag I needed to recognise the situation for what it was: a phishing scam. Thankfully, I had not yet provided my personal details in response to the email. It's a reminder of the lengths to which scammers will go, exploiting

our hopes and dreams. I urge everyone in our community to remain vigilant. If an offer seems too good to be true, it probably is. Let's protect ourselves and each other by sharing our experiences and staying informed about the tactics used by these digital predators. **#TooGoodToBeTrue!**
