BREAKTHROUGH IN CONSTABLE MAKOLA MURDER CASE: TWO SUSPECTS IN CUSTODY

Rustenburg/Marikana – Lieutenant general Sello Kwena, the provincial police commissioner, has commended the efforts of law enforcement following the apprehension of two suspects in connection with the tragic murder of constable Mogoro Clement Makola (31). The late officer was fatally shot on Monday evening, 15 April 2024, in Lekgalong near Marikana. Brigadier Sabata Mokgwabone disclosed that the suspects, aged 40 and 44, were captured in Ramochana outside Rustenburg on Friday 26 April 2024. Their arrest was the result of a targeted operation led by the Brits Trio Task Team and Marikana Visible Policing, with crucial support from the Brits Local Criminal Record Centre (LCRC) and Crime Intelligence. The breakthrough came after the LCRC provided vital fingerprint information, leading to the identification and subsequent arrest of the first suspect at a local liquor outlet.

Constable Mogoro Clement Makola (31), tragically killed.

Interrogation of this suspect led to the apprehension of his alleged accomplice at the same location. A subsequent search of a nearby residence uncovered a 9mm firearm with a filed-off serial number, along with a magazine and four rounds of ammunition. Both suspects, identified as Mozambican nationals, appeared before the Rustenburg Magistrates' Court on Monday 29 April 2024 to face charges of murder. The case is currently under investigation by the Directorate for Priority Crime Investigation (DPCI), known as the Hawks. Lieutenant general Sello Kwena praised the dedication and collaboration of all units involved, including the Hawks, in swiftly bringing the suspects to justice. Meanwhile, constable Makola, who succumbed to his injuries upon arrival at Kanana clinic, was laid to rest on 27 April 2024 in Jane Furse, Limpopo.

TRAGIC LOSS: ANC WARD COUNCILLOR POPPY MORAPEDI SHOT AND KILLED

Rustenburg – The Rustenburg community is reeling from the tragic loss of African National Congress (ANC) ward councillor Poppy Morapedi, who was fatally shot on Friday 26 April 2024, around 21:00. Born on 4 February 1971 and raised in Photsaneng, Morapedi, 54, dedicated her life to serving her community. Her untimely death has left a void in the hearts of many. Her funeral is scheduled for Saturday 4 May 2024. Expressing their grief, Morapedi's brother, Abram Morapedi, said, "May her wonderful soul rest in peace. We have lost one of ours. We will miss her

so much. She meant so much to us and did us so proud." She is survived by her two sons and two daughters. Brigadier Sabata Mokgwabone reported that the Rustenburg police have launched a manhunt following the murder. The incident occurred as Morapedi and her cousin were walking home from a shop. They were approached by four unknown men, one of whom fired two shots at Morapedi, fatally injuring her. Her cousin ran into the yard and screamed for help, prompting Morapedi's brother to rush out and spot the suspects fleeing in a BMW.

Morapedi was shot below the left ear and forehead and was declared dead by emergency and medical services on scene. The motive for the attack is yet to be established, and investigations are ongoing. No arrests have been made. This tragic event is a grim reminder of the dangers faced by councillors. Morapedi is not the first RLM councillor to be shot and killed in Rustenburg. The community mourns the loss of a dedicated leader and extends its deepest condolences to Morapedi's family and loved ones.

The late ANC ward councillor Poppy Morapedi

Marchers on their way to Rustenburg Local Municipality to hand over a memorandum.

Community march for better service delivery in Rustenburg

Rustenburg – On Tuesday 30 April 2024 community members from Marikana, Sunrise Park, Boitekong, Freedom Park, Luka, Ledig, and surrounding villages gathered for a peaceful march to the Rustenburg Local Municipality. The purpose of the march was to address concerns regarding the city's poor service delivery. The marchers, carrying banners and chanting slogans, made their way to the municipality's offices to hand over a memorandum outlining their grievances. The memorandum was accepted by a spokesperson from the Rustenburg Local Municipality, who assured the crowd that their concerns would be looked into. The community members expressed frustration over issues such as unreliable water and electricity supply, inadequate housing, and poor infrastructure maintenance. They called for urgent action to improve these services and enhance the overall quality of life in Rustenburg.

DANGER ALERT: N4 SPIKING THREATS ON THE RISE

Rustenburg – The N4 highway has once again become a target for dangerous criminal activities known as spiking. These incidents, where dangerous obstacles like rocks and spikes are deliberately placed on the road, are most prevalent between the hours of 18:00 and 04:00. Over the past two weeks, there has been a concerning increase in spiking incidents along the N4 between Brits and Rustenburg. The intention behind these malicious acts is to coerce drivers into stopping, leaving them vulnerable to hijackings, theft, and in more extreme cases, kidnapping or fatal attacks. If you encounter such obstacles, do not stop. DO NOT pull over. Your life is worth more than your vehicle's rims. Mike Bolhuis, Specialist Investigators into Serious Violent, Serious Economic Crimes & Serious Cybercrimes, has issued a warning about the escalating trend of spiking incidents across South Africa. Criminals are increasingly using this method to immobilise vehicles, leaving drivers vulnerable to attacks. **If you encounter any objects on the Bakwena N1N4 route or need assistance, please call 0800 BAKWENA or 0800 2259362. Stay safe and alert on the roads.**

KOSTER COMMUNITY UNITES FOR CLEAN-UP DAY

Koster – The community of Koster came together for a transformative clean-up event on Saturday 13 April 2024. The initiative, spearheaded by dedicated volunteers, aimed to revitalise the town by addressing neglected areas and beautifying public spaces. The event saw a diverse group of individuals, spanning different age groups and backgrounds, join forces to tackle various tasks, including cleaning, painting, and general maintenance. Their efforts not only improved the aesthetics of the town but also fostered a sense of pride and unity among residents. The success of the clean-up day can be attributed to the collaborative efforts of various organisations and individuals. Special thanks are extended to the Koster Athletics Club, the Freedom Front Plus team, Action SA, and all the residents of Koster who contributed their time and resources to make this event a success. By recognising the importance of small actions, the community of Koster has demonstrated that even the simplest gestures can have a profound impact on the overall wellbeing of a town. As we move forward, let us continue to work together to keep Koster clean, vibrant, and proud.

Wow! A clean street, with a clean and neat Koster post office. #SoProud!

141 SUSPECTS ARRESTED IN ANTI-ILLEGAL MINING OPERATION

Rustenburg – An intensive 'Vala Umgodi' operation carried out in Tlhatlaganyane village outside Rustenburg on Sunday, 28 April 2024, by a collaborative effort of the South African Police Service (SAPS), South African National Defence Force (SANDF), Directorate for Priority Crime Investigation (DPCI), Department of Mineral Resources and Energy, Department of Forestry, Fisheries and Environmental, and Rustenburg ER24, led to the apprehension of 141 suspects. Brigadier Sabata Mokwabone reported that the suspects were captured at an illegal mining site in Tlhatlaganyane village. The operation resulted in the confiscation of a significant

supply of equipment, including 59 generators, 46 jackhammers, 5 gas cylinders, 49 wheelbarrows, 21 shovels, 30 spades, 13 pickaxes, 1 fork spade, 27 hammers, 4 saws, 1 roll of extension cord, 3 heater pumps, 1 cylinder pipe, 1 toolbox, 3 1-litre grease cleaners, and 2 chisels. All suspects appeared before the Mankwe Magistrates' Court in Mogwase on Monday, 29 April 2024, facing various charges, including contraventions of the Immigration Act, 2002. Provincial police commissioner, lieutenant general Sello Kwenia, commended the joint team for their dedication in combating illegal mining activities. Illegal mining, particularly copper theft, remains

a persistent issue for local mines. Criminal syndicates often gain access to worked-out underground areas, where they strip remnant electrical cables and infrastructure. To counter this, specific measures such as sealing old mining areas with concrete, employing night vision drones, and monitoring the scrap metal trade are being implemented. These actions aim to curtail the rampant theft and protect the mining industry from further exploitation by criminal elements. The Rustenburg community is urged to remain vigilant and report any suspicious activities related to illegal mining to the authorities.

An array of confiscated equipment, including generators and tools.

Drumroll... and the winner is: Tessa Erasmus!

Celebrating Sibling Month with Sun City and *Platinum Weekly's* Competition

Tessa and Cherise: a bond beyond measure!

Rustenburg – The air is buzzing with excitement as Tessa Erasmus emerges as the lucky winner of Sun City and *Platinum Weekly's* Sibling Month competition! Tessa's heartwarming entry, highlighting the special bond she shares with her sister, Cherise Everson, captivated the judges and secured her a fabulous prize.

Tessa's prize:
Tessa has won a luxurious two-night stay at Cabanas, Sun City, valued at R6,700 for two people. This incredible prize includes breakfast worth R840 and a thrilling 30-minute quad biking experience for two valued at R1,200, making the total prize value an impressive R8,740!

Tessa's story:
In her entry, Tessa shared a touching narrative about her family, emphasising the love and support she has received from her sister, Cherise. Tessa and Cherise, who are 15 years apart, grew up in Mogwase, attending school in Rustenburg. Cherise played a pivotal role in Tessa's life, from preparing her for school to assisting with homework, and the two shared many cherished moments together. "I was adopted by my parents at just one month old, but I'm far from being their only child. In fact, my parents lovingly raised 27 children before they both passed away in 2016 and 2017," she said. Despite losing their parents, Tessa and Cherise's bond has only grown stronger. Cherise, who worked at a local restaurant, always made time for Tessa, showcasing the true essence of sibling love and support. As Tessa prepares to embark on her well-deserved mini-vacation at Sun City with Cherise, her story serves as a reminder of the importance of family and the joy that comes from celebrating these special bonds. Congratulations, Tessa, on your win!

Yes, we should not have to choose because both water and electricity are basic human rights. As citizens and residents, we are being robbed of these rights. This results in poor service delivery and mismanagement of resources, often due to ineffective and untimely maintenance. It's a sad truth, but acknowledging it is the first step towards change.
