CELEBRATING HEROES
AND UNITING HEARTS

What do you think happens to orphans when they turn 18?

Rustenburg – As part of its Mandela Month celebrations, IWISA No 1 joined the team from Three Star Powertrade at the Lighthouse Children's Home on Wednesday 17 July 2024, to create awareness about the critical work of this local NPO. Currently supporting 66 children without any sustained government support, the Lighthouse team of local heroes and heroines works tirelessly each day to create hope and possibility for all the children in their care. In the spirit of Mandela Month, this day provided an opportunity to acknowledge them, thank them, and offer a helping hand. Started at the end of 2019 to offer a place of safety and new possibilities to 11 vulnerable children, the story of the Lighthouse Children's Home is both inspirational and remarkable. "From the beginning, we were determined to change the lives and futures of the children in our care," explains Elsa Doubell, co-founder of Lighthouse. "Our starting point was to rally the local community of Rustenburg – to help us buy a property where we could create a home, a safe space for them." Five short years later, Lighthouse now finds itself at capacity, supporting 66 vulnerable children from the community, aged from just a few months old to almost 18. "The collective team from Lighthouse has made the 'impossible' possible," says Sibongile Mooko, Premier FMCG Executive: Marketing Milling. "Working against all odds, they have succeeded in expanding their work and impact across the community. They're now on the brink of taking a critical next step in their journey – to purchase an adjoining property that can be used as an 'exit home' for the children turning 18 years old this year, who need to leave the Home's care because of their age. We're here to create awareness about this important next step – and encourage the community to rally with us to make it happen!" Doubell explains that while turning 18 is a milestone for the Lighthouse beneficiaries, it is a critical reality check for our current childcare system: "When these children reach the age of majority, we can no longer provide for them as we currently do. They need to 'move out' of our home and live on their

own as adults. Without the right guidance, care, and support (including financial support), this could prove impossible and undo all the positives they have created for themselves in the time they have spent at Lighthouse. Our goal to create an 'exit home' is therefore a priority." The team has earmarked a property adjacent to the ones Lighthouse already owns. Ideally located, this "transition space" will allow these young adults to live independently while being equipped with the critical life skills they need; everything from mental and physical health and wellbeing, all the way through to financial literacy. "The target amount needed to purchase the exit house property is R600,000," says Mooko. "This needs to be raised by the end of November – a message we're sharing very strongly today!" She explains that there are two ways that consumers and members of the community can assist the NPO to reach this target: by donating directly or through purchasing any IWISA No 1 product at Three Star Powertrade. "As part of our IWISA No 1 Fills Good campaign, all purchases of IWISA No 1 result in a direct donation to Lighthouse – the campaign beneficiary. All amounts from the campaign will be pooled, with the collective donation amount handed over to the NPO at the start of December 2024." "With just four months to go to raise the collective amount, we want to encourage members across our Rustenburg community to open their hearts and take action," says Wayne Labuschagne, store owner of Three Star Powertrade. "Please make your purchase choice count, and help us ensure the positive future journeys of the Lighthouse beneficiaries by supporting this incredible team of local heroes and heroines. Lighthouse, we salute you and we thank you for your incredible work!" For more information, please visit www.lighthousekids.co.za or contact admin@lighthousekids.co.za.

DRUNK? DRIVER HITS

Rustenburg officials and business directors face fraud charges in court

Rustenburg – Five individuals, including both former municipal employees and company directors, appeared in the Rustenburg Magistrates' Court on Wednesday, 17 July 2024, facing charges of fraud. Lieutenant Colonel Tinyiko Mathebula confirmed the charges against Mpho Alistair Lesolle (41), Johannes Botes Rossouw (58), Pieter Retief Von Wielligh (58), Nthayakgosi Michael Mokgwamme (66), and Merika Johannes Madungandaba (66).

According to the Directorate for Priority Crime Investigation, known as the Hawks, Rossouw, Von Wielligh, and Madungandaba are directors of Malesela T&D Pty (Ltd). This company allegedly secured a contract with the Rustenburg Local Municipality in 2013 to install a switchgear for the Ikemeleng Bulk Infrastructure. Lesolle and Mokgwamme, former employees of the municipality, were charged with overseeing the project and ensuring that the switchgear was delivered.

Reports indicate that in September 2013, the Municipality paid Malesela's company over R2 million to install the switchgear as per the contract. However, investigations revealed that the company did not render any service.

Following a thorough investigation, the accused were served with summons between June and July 2024 to appear in court. During their brief court appearance, all five accused were released on warning. The matter has been postponed to 21 August 2024.

MOTHER AND BOYFRIEND ARRESTED FOR ALLEGED MURDER OF FOUR-YEAR-OLD

Rustenburg/ Boitekong – In a chilling turn of events, a 31-year-old mother and her 26-year-old boyfriend were arrested on Thursday evening, 4 July 2024, for the alleged murder of her four-year-old boy. The case, which has sent shockwaves through the community, has been postponed until Friday, 25 October 2024, according to Lieutenant Colonel Amanda Funani.

The couple is accused of killing the toddler last year and burying him in a shallow grave in the bushes on the outskirts of Boitekong. The grim discovery came to light when residents of Extension 4 became suspicious after not seeing the child for an extended period. The boy was last seen by neighbours in July 2023. Despite their enquiries, the mother allegedly provided various excuses about the child's whereabouts.

The community, growing increasingly concerned, involved their local ward councillor. Upon confronting the mother, she reportedly confessed to the horrific act, disclosing that she and her boyfriend had killed the child and buried him in a nearby bush. Acting swiftly, the councillor and community members handed the mother and her boyfriend over to the police, where they were subsequently charged with murder. They first appeared before the Rustenburg Magistrates' Court on Monday, 8 July 2024.

The provincial police commissioner, lieutenant general Sello Kwenza, condemned the heinous crime while commending the community for their restraint and cooperation with law enforcement. Investigations continue.

Hoërskool Rustenburg
se glans prestasie by
ISC kompetisie

Voor van links: De Wet Fourie, en Monique Nel (afriqter). Ry twee van links: Amber-Leigh Calitz, Illiané Botha, en Shaun Homan. Ry drie van links: Megan van der Westhuizen, Mardia de Beer, Danieke Esterhuysen, en Rhichelle Deysel. Agter van links: Richard Deysel (afriqter), Nathan Marx, Jayden Fourie, Melandie Swart, en Henry La Grange (afriqter).

Rustenburg – Op Saterdag 12 Julie 2024, het Hoërskool Rustenburg hul merk gemaak by die ISC-kompetisie wat gehou is by Laerskool Rustenburg se boogskietgronde. Die skool het hul spore van uitnemendheid agtergelaat en 'n indrukwekkende vertoning gelever.

Shaun Homan het met sy skitterende vertoning die algehele tweede plek in die seunsafdeling verower. By die meisies het Illiané Botha die eerste plek behaal, terwyl Danieke Estherhuizen die tweede plek in die meisiesafdeling ingeneem het. Hierdie individuele prestasies was reeds uitsonderlik, maar dit was die prestasie van Rustenburg se A-span wat werklik die aandag getrek het deur die eerste plek in die spanafdeling te verower.

Die gemeenskap van Rustenburg is trots op die harde werk en toewyding van al die deelnemers van Rusties wat bygedra het tot hierdie indrukwekkende vertoning. Die sukses by die ISC-kompetisie is 'n bewys van die hoë standaard van sport en samewerking by Hoërskool Rustenburg.

SOULFOOD

JAMES 1

Qualities Needed in Trials
19 So then, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath; 20 for the wrath of man does not produce the righteousness of God.

Doers—Not Hearers Only
21 Therefore lay aside all filthiness and overflow of wickedness, and receive with meekness the implanted word, which is able to save your souls.
22 But be doers of the word, and not hearers only, deceiving yourselves. 23 For if anyone is a hearer of the word and not a doer, he is like a man observing his natural face in a mirror; 24 for he observes himself, goes away, and immediately forgets what kind of man he was.

**FUN FACT**

Did you know?

The "Sandwich Generation" refers to adults who care for aging parents while supporting their own children. This dual responsibility often leads to financial, emotional, and physical stress. Balancing work, family, and caregiving duties can be overwhelming, leaving little time for personal needs. The pressures are intensified by longer life expectancies and delayed childbearing.

CASMAR Impala crushes Matlosana

CASMAR Impala Rugby Club's first and second teams celebrate their victories over Matlosana Rugby Academy!

Rustenburg – On Saturday 13 July 2024, the CASMAR Impala Rugby Club delivered a spectacular performance in the Nesper-A Leopards league against Matlosana Rugby Academy in Vaal Reefs. The first team secured a decisive 60-5 victory, while the second team dominated with a 38-0 win.

Despite the challenging conditions of a dry winter field in Orkney, head coach Johan Engelbrecht praised his team for their impressive point haul. "The men did well to get as many points as possible to maintain the momentum. We hope to get as many supporters as possible at the next game," said Engelbrecht. Looking ahead, CASMAR Impala Rugby Club faces a crucial home league match against the Hurricanes on Saturday 20 July 2024. Engelbrecht emphasised the importance of the game, noting, "It's a must-win for both teams to play in the semi's next weekend." Fans are encouraged to come out and support the team. With an unbeatable points lead and just one game remaining, the club was crowned Nesper-A Leopards League champions after the match. The first team showcased their dominance with a 51-3 victory, while the second team delivered an even more impressive 77-0 win against the Hurricanes. The club's nine-try spectacle was highlighted by standout performances from Jaco Pretorius, who scored three tries, and Eugene Cunha and Sakkie Smit, each contributing two tries. Monwabisi Ngema and Luphiwe Ndesi each added a try, with Sakkie Smit's exceptional play earning him the man of the match title. Head coach Joel Scherman expressed his pride, stating, "I am very proud of the men. They delivered an outstanding performance, and we won the Nesper-A Leopards League." With the league title secured, the Sibanye-Stillwater SAPGM Rugby Club now shifts its focus to the President League semi-finals and final. Their next challenge awaits at home in Rustenburg against the Rovers Rugby Club on Saturday 20 July 2024. Fans are encouraged to come and support the team.
