# N4 dual carriageway construction moves ahead with safety and precision

Careful preparation for blasting: Workers drilled precise holes into the rock outcrop, filling each to the required depth with explosives.

Rustenburg – “The 43-month dual carriageway construction along the N4 between Buffelspoort and Dr. Moroka interchange is on track, with essential blasting activities expected to conclude by the end of October 2024,” said Charmaine van Wyk, PR manager for Bakwena. This project, which began in March, aims to improve road safety and efficiency in the Rustenburg Local Municipality. Although traffic can be challenging, especially

with the 10-15 minute delays during blasting, we appreciate the traffic officials who are tirelessly working to keep things moving smoothly. Blasting removes rock outcrops in the road foundation, providing a stable surface for construction. These blasts, managed by contractor Raubex and their team, have been performed safely, without damage to property or injuries. The final blasting dates for October are planned between R24 Waterfall Mall and Helen Joseph

Interchange, with updates provided on Bakwena's social media. Beyond the N4, Bakwena is investing R300 million in other improvements along the N1N4 route, including resurfacing projects, bridge maintenance, and plaza upgrades to ensure smooth travel for all road users. “Road user safety is our top priority,” says Solomon Kganyago, Bakwena's COO. “We appreciate the patience of drivers as we complete these upgrades.”

## ELDERLY MAN TARGETED IN DAYLIGHT ROBBERY AT DONKERHOEK CEMETERY

**Rustenburg** – A Sunday morning visit to Donkerhoek Cemetery turned into a frightening ordeal for elderly Rustenburg resident, who was robbed at knifepoint on 27 October 2024.

Around 10:00, he arrived at the cemetery to tend to his parents' grave, a weekly tradition of respect and remembrance. But as he approached the grave, he was confronted by an unfamiliar man who initially claimed he was looking for work.

"Out of nowhere, he approached me, asking if I had any work for him," he recounted in an interview with *Platinum Weekly*. "When I made it clear I wasn't interested, his attitude changed. He grew aggressive, pulled out a knife, and demanded my phone. After taking it, he fled."

South African Police Services (SAPS) colonel Adel Myburgh confirmed the robbery and noted that the elderly man has filed a formal complaint. "The elderly man was threatened with a knife and robbed of his phone," Myburgh stated. "We are currently investigating the case."

Members of the Rustenburg Crime Community Forum (RCCF) arrived at the cemetery shortly after the robbery but were unable to locate the suspect, who had quickly disappeared from the scene. RCCF described the suspect as tall and slender, dressed in a black hat, white shirt, and black trousers.

## RUSTENBURG SCHOOL ADMINISTRATOR FACES 175 COUNTS IN R1 MILLION FRAUD CASE

**Rustenburg** – The Rustenburg Magistrates' Court has postponed the high-profile case against Ofentse Solomon Molemane (34) to 14 November 2024. Molemane, who faces a staggering 175 counts of fraud and theft, made his first court appearance on Monday 28 October 2024, following his voluntary surrender to the police. He was granted bail of R5,000 under conditions requiring him to report to the Mogwase police station twice weekly and to surrender his passport to authorities. Molemane, formerly employed as an administrative assistant within the Department of Education in Rustenburg, held a trusted position that included financial duties for a local school.

revealed a darker side to his role, implicating him in large-scale theft involving over R1 million. According to court disclosures, Molemane is suspected of using his position to transfer school funds into his personal account multiple times between January 2019 and March 2020. In addition, records indicate that in March 2020, Molemane allegedly transferred six separate payments from the school's account to his girlfriend's account. This second suspect, who remains at large, is believed to have had no legitimate ties to the school and rendered no services warranting payment, deepening the severity of the charges.

Serving as a financial officer on the school governing body (SGB) and an authorised signatory on the school's bank account, he was entrusted with handling transactions solely for school-related expenses. However, investigations have

Dr Rachel Makhari, the director of Public Prosecutions in North West Province, praised law enforcement and the prosecution team for bringing the case to court and reaffirmed the National Prosecuting Authority's commitment to holding public officials accountable.

## SON ACCUSED OF KIDNAPPING HIS OWN FATHER

**Rustenburg** – Edwin Monnakgotlha (35), accused of kidnapping, made his third court appearance in the Mogwase Magistrates' Court on Tuesday, 23 October 2024.

Onnagatas initially appeared on 15 and 16 October and has remained in custody pending his bail application.

The charges against Monnakgotlha stem from an incident reported to Sun City police on Sunday, 13 October. It is alleged that Monnakgotlha kidnapped his father in Ledig village that day. A swift response by Bojanala Sub-District 2

Detectives, Sun City Visible Policing, and Rustenburg Crime Intelligence led to his arrest on Monday, 14 October, in Chaneng village near Phokeng.

Provincial police commissioner Sello Kwena commended the officers for their timely action, which led to Monnakgotlha's prompt arrest.

The investigation continues as authorities work to determine the motive behind this alleged family abduction.

## UNLAWFUL FIREARMS AND EXPLOSIVES BUST

**Rustenburg** – In the early hours of Tuesday, 22 October 2024, a collaborative effort between the Vala Umgodi team, the Local Criminal Record Centre (LCRC), and the Explosives Unit led to the arrest of a man in Robega village, near Phokeng outside Rustenburg, for illegal possession of firearms and explosives.

The arrest was made after authorities received intelligence about illegal activities involving dangerous weapons in the area. During the operation, police seized a 9mm Taurus pistol loaded with nine rounds of ammunition.

The suspect, identified as 45-year-old Godfrey Nkunyanebomvu, allegedly admitted to not holding a valid firearm license. A thorough search of his residence uncovered a range of ammunition and explosives hidden in his bedroom.

As officers were leaving the property, they conducted a search of the suspect's Toyota Fortuner, leading to the discovery of

a Norinco pistol with a filed-off serial number, along with a magazine and five rounds of ammunition. Preliminary investigations revealed that the Taurus pistol belonged to a Zinniville resident and had been reported stolen during a robbery in Marikana in May 2022.

Brigadier Sabata Mokgwabone confirmed that Nkunyanebomvu appeared before the Bafokeng Magistrates' Court in Tlhabane on Wednesday, 23 October 2024, facing charges of unlawful possession of firearms, ammunition, and commercial explosives.

North West provincial commissioner, lieutenant general Sello Kwena, welcomed the successful operation, commending the team's efforts to curb illegal firearm possession. "These items are often used to commit crimes, including during illegal mining operations," Kwena stated, underlining the importance of cracking down on such offenses for community safety.

# RUSTENBURG SHOPS IN ASHES AFTER TAXI RANK FIRE

Firefighters battle intense flames as they work to contain the blaze that swept through Rustenburg taxi rank shops on Friday night, preventing further devastation.

**Rustenburg** – On Friday evening, 25 October 2024, a fire engulfed three local businesses at the Rustenburg Taxi Rank, reducing popular spots like the Pirates Casino Club, Super Fry supermarket, and a traditional medicine shop to ashes. The fire, which erupted at around 20:00, remains a mystery as to its exact starting point, with witnesses divided over whether it began on the roof or within one of the affected stores. "Some people noticed smoke rising from the roof and rushed inside to warn those inside," explained a street vendor stationed nearby. He speculated that faulty wiring might have ignited the flames, which quickly spread, leaving businesses scrambling to save whatever they could. Rustenburg Local Municipality spokesperson Odirile Madiba

confirmed that the Emergency and Disaster Management team responded swiftly, preventing further spread. "Our teams contained the fire, and thankfully, no one was injured," said Madiba. The extensive effort involved multiple firefighting units from Rustenburg, Anglo American Platinum, Bafokeng EMRS, and Kgetleng, with over 20 firefighters working to battle the blaze until it was fully extinguished around 23:30. SAPS provided support at the scene, and the cause of the fire is currently under forensic investigation, said police spokesperson colonel Adele Myburgh. Rustenburg has experienced an alarming rise in fires in recent months, causing widespread concern among residents and local business owners.

Three businesses lie in ruins after Friday night's devastating fire.

Firefighters and local farmers worked through the night to bring the wildfire under control.

## Farmers and Firefighters Tame Raging Wildfire

**Rustenburg** – On Sunday, 27 October 2024, a fire ignited on a gravel road along the R24, opposite Brauhaus Afrika, around 16:00. Fuelled by scorching temperatures and high winds, the flames spread through green, planted pastures, advancing nearly four kilometres in just a few hours.

Petra Rough, chairperson of the Greater Rustenburg Fire Protection Association, described the situation as intensely challenging. "It started in green pasture, but the heat was intense, and the winds only made things worse. The fire was so fierce it even jumped across the R24," she recounted.

Fortunately, a collaborative response from the Greater Rustenburg Fire Protection Association, the local Fire Department, and area farmers helped contain the blaze. DA Ward 36 representative, Jean Keyser, acknowledged the efforts, noting, "The Fire Department, Greater Rustenburg Fire Protection Association, and some of the farmers of the area were also involved in fighting the fire. Luckily, they gained control over the fire at approximately 21:00 in the evening."

While the fire did not damage any buildings, two farmers sustained minor injuries during the operation and received medical care on the scene.

A stash of dagga seized from the suspect in Bethlehem Drive Taxi Rank, Rustenburg.

## DAGGA AND LIQUOR SEIZED IN POLICE SWEEP

**Rustenburg** – The SAPS Vala Umgodi team made a significant arrest on Monday afternoon after following up on a tip-off, which led them to the Bethlehem Drive Taxi Rank in Rustenburg. A 50-year-old male suspect was apprehended, found with a black refuse bag containing a hefty 4.5 kg of dagga. The man was charged with possession of dagga and faced his first appearance before the Rustenburg Magistrates' Court on Monday 28 October 2024.

In other police actions, a 36-year-old man in Mooiooi was fined R500 for selling illicit cigarettes, contravening the Counterfeit Goods Act (Act No. 31 of 1997).

Police in Marikana also intervened on Thursday evening, 17 October 2024, when they caught a 26-year-old female suspect violating the Liquor Act (Act No. 27 of 1989) by selling alcohol without a license. Officers seized a range of alcoholic beverages from her premises, issuing her a R300 fine.

## Quick response saves grain stock in NWK Silo fire

**Rustenburg/ Boons** – On the evening of Saturday, 26 October 2024, a fire erupted at NWK Limited's silo complex in Boons, damaging parts of the facility. Fortunately, the blaze was contained, and no grain stock was impacted, with NWK confirming that no current risk exists to stored grain supplies.

NWK Grain's senior manager, Jaco du Rand, explained that the fire caused damage to non-

critical infrastructure, and an investigation is underway to determine the cause. "Electricity supply has since been restored to the premises, and alternative plans are in place to accommodate the loading and offloading of grain. This will be implemented in a matter of days," said Du Rand. According to NWK, producers will not experience disruptions due to the incident or upcoming repairs.

The blaze reached NWK's control room, but quick action prevented further damage to critical areas.

## BAKKIE LANDS IN TREE

**Rustenburg** – A grey Ford Bantam bakkie veered off the R24, near Konka, on Saturday 26 October 2024. The vehicle plunged into a ditch before coming to a precarious stop in a tree.

According to Rufus Nong, manager of Bojanala Ambulance Services, the driver sustained moderate injuries and received prompt medical assistance at the scene before being transported to the hospital for further care.

**Bojanala Ambulance Service press release extracts**

Emergency responders tended to the driver, who sustained moderate injuries in the accident.

## Sibanye-Stillwater strengthens Rustenburg community services

Representatives from Sibanye-Stillwater, Rustenburg Local Municipality, the Department of Mineral Resources and Energy, and the North West Department of Health at the official handover of two ambulances, an emergency response vehicle, a water tanker, a waste removal truck, and three skip bins – all dedicated to serving the Rustenburg community.

**Rustenburg** – Sibanye-Stillwater donated critical emergency response vehicles, a water tanker, and waste management equipment to the North West Department of Health and the Rustenburg Local Municipality, on Friday, 25 October 2024. This donation is part of Sibanye-Stillwater's Social and Labour Plans (SLP) initiatives, aimed at improving essential services and infrastructure in the area.

The donation includes two ambulances and an emergency response vehicle for the North West Department of Health, a waste removal truck and three skip bins for the Ikemeleng community, and a water tanker truck to address the local water crisis. This support bolsters emergency health services, enhances waste management, and improves access to clean water, especially for informal settlements facing shortages.

Rustenburg executive mayor Shiela Mabale-Huma emphasised the significance of this collaboration, stating, "The key intent of the partnership between the mine, municipality, and North West Department of Health is to improve services for the Rustenburg community."

This initiative not only addresses urgent service needs but also creates jobs, with the municipality and Department of Health planning to hire additional drivers and support staff to operate the new resources.

By Grace Through Faith

2 And you He made alive, who were dead in trespasses and sins, 2 in which you once walked according to the [a]course of this world, according to the prince of the power of the air, the spirit who now works in the sons of disobedience, 3 among whom also we all once conducted ourselves in the lusts of our flesh, fulfilling the desires of the flesh and of the mind, and were by nature children of wrath, just as the others.

4 But God, who is rich in mercy, because of His great love with which He loved us, 5 even when we were dead in trespasses, made us alive together with Christ (by grace you have been saved), 6 and raised us up together, and made us sit together in the heavenly places in Christ Jesus, 7 that in the ages to come He might show the exceeding riches of His grace in His kindness toward us in Christ Jesus.

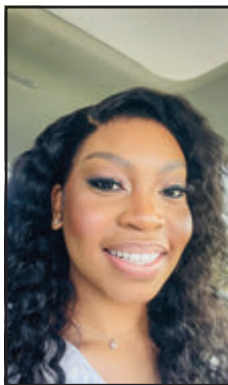

NEW KING JAMES VERSION (NKJV)

**HAVE YOUR SAY**

**Do you think mob justice is justice served?**

Mob justice remains a controversial issue in South Africa, where communities sometimes take the law into their own hands. However, these incidents rarely result in arrests, raising questions about justice and accountability. On that note, do you think people use mob justice to cover up murder? (Because there are almost never arrests with mob justice.)

Yes, at times, acts of violence — even murder — are hidden behind the guise of mob justice. People may exploit the anonymity of a crowd to settle personal scores, using "mob justice" as a cover. In the chaotic nature of a mob, identifying individual offenders becomes challenging, allowing participants to evade accountability. This lack of scrutiny can lead to attacks on individuals with little to no evidence, creating a dangerous cycle where personal vendettas masquerade as community justice.  
**Mpho Molothanyi, Rustenburg**

Yes, I do believe it's a form of justice. Countless lives have been affected by injustice, and the lengthy process of obtaining justice often leaves communities frustrated. I think if the death penalty were reinstated, we might see a significant drop in crime. Ultimately, mob justice is the community's way of saying, "enough is enough."

**Did you know?**

In 1895, Wilhelm Conrad Röntgen, a German physicist, stumbled upon a scientific marvel: X-rays. While working with cathode rays, he noticed an eerie glow on a nearby screen, despite the lab being pitch-dark. Curious, Röntgen placed his hand in the beam's path and was astounded to see his bones! Dubbed "X-rays" for their mysterious nature, this discovery revolutionised medicine by allowing doctors to look inside the body without surgery. Röntgen's "accident" earned him the first Nobel Prize in Physics and forever changed our view of the world — literally!

# CHRISTMAS LIGHTS NIGHT RIDE

11 December 2024 - Save the Date  
Everybody is Welcome

More information will be provided closer to the date.

# Cyclists ride for Rhino Conservation in the heart of Pilanesberg

Cyclists wind through the stunning landscapes of Pilanesberg Nature Reserve, soaking in the scenery while riding for a cause.

Members of Rustenburg Cycling Club join the Pilanesberg anti-poaching team, standing united for rhino conservation during the Tour de Pilanesberg.

**Rustenburg** – The Rustenburg Cycling Club (RCC) recently joined forces with conservationists in the heart-stirring Tour de Pilanesberg, pedalling through the iconic Pilanesberg crater to support rhino conservation. Organized by Dr. Perry Dell from the Pilanesberg Wildlife Trust, the event drew avid cyclists eager to contribute to anti-poaching

efforts while experiencing the reserve's breathtaking landscapes. Participants were immersed in the rich wildlife of Pilanesberg, with sights of elephants, rhinos, buffalo, and antelope enhancing the thrill of the journey. The route was challenging, as temperatures rose above 35°C, but volunteers from Friends of Pilanesberg

and Makanyane kept riders hydrated and spirited throughout the day. A helicopter, together with an anti-poaching team, provided safety and support along the rugged terrain. Among RCC's dedicated participants were Jon and Tracey Andrews, who completed the tour and look forward to future rides in support of a cause

close to their hearts. "It's a journey that reminds us of the beauty we're fighting to protect," they shared, already eager for next year's ride. With each pedal, the Tour de Pilanesberg underscored the vital connection between the community and conservation, illustrating that every small effort contributes to a greater impact.

# Help Fill Santa's Bag

**DONATE TOYS AND TREATS**

**Rustenburg** – This Christmas, Staan Saam Rustenburg and the Community Police Forum (CPF) Sector 1 are teaming up to create something magical — and they're inviting you to join in the spirit of giving!

In the lead-up to December, they're collecting toys and sweets to bring smiles to children who need it most. Whether it's a brand-new gift or a gently loved toy in need of a little "Santa's Workshop" TLC, every contribution helps light up a child's holiday.

Juanita Low, the head of donations for Staan Saam Rustenburg, shared, "Christmas is a time for giving! We're reaching out to our community to open their hearts and help us make this

project a success. New toys are fantastic, but we're grateful for any donations. Santa's elves are even ready to spruce up preloved toys! Our goal is to reach as many children as possible." If you'd like to help bring some festive cheer to a child's life, please contact Julene at 066 491 8819 or Juanita Low at 083 444 6391. Your kindness and generosity can brighten a child's holiday season — let's make it unforgettable!
