Motorist Warns
‘DO NOT STOP!’

Bapong/ N4/ near Rustenburg – Two motorists were targeted in a rock-throwing incident on Monday, 7 July 2025, while driving on the N4 near Bapong — just outside Rustenburg. Delta Dlamini, a resident of Hartbeespoort who commutes daily to work in Marikana, was driving home at around 16:05 when his vehicle was struck. “I was in the slow lane approaching the Total garage near Bapong. Two men crossed the road, so I slowed down. Then a third man standing ahead suddenly threw a rock straight at my windscreen,” Delta recalled. The rock hit the front of his vehicle, damaging the windscreen. Another vehicle driving behind him was also struck by a rock thrown moments later. Both

motorists managed to continue driving until they found a safe place to stop further down the road. “There was only one rock thrown at each of us — but that’s all it takes,” Delta said. “To other drivers, I say: do not stop. Keep moving and pull over safely later.” Delta said the individuals involved appeared to be adult males. He was driving alone at the time and did not observe any parked vehicles or other pedestrians nearby, aside from the men on the road. This stretch of the N4 is a lifeline for thousands of commuters — but one wrong moment could turn deadly. Delta hopes his close call serves as a wake-up call to others: stay alert, and never stop in an unsafe area.

“Statutory rape is a crime – NOT a custom”

SA – The Public Servants Association (PSA) is calling on government to urgently investigate and prosecute all cases of statutory rape in a bid to address the rising crisis of teenage pregnancy in South Africa.

This call follows alarming statistics showing that over 122,000 teenagers gave birth in the past financial year. Shockingly, this includes 2,716 girls aged 10 to 14 and 119,587 girls aged 15 to 19 – children still in their own formative years now faced with raising children themselves. On 1 January 2025 alone, 80 teenagers gave birth across the country. Although this number reflects a drop from the 190 recorded in 2024, the PSA insists that even one child giving birth due to statutory rape is too many.

“These girls are often forced to drop out of school, condemning them to a future of limited opportunities. But what is worse – there is no clear correlation between these births and criminal cases. That means perpetrators walk free,” said the PSA.

Statutory rape laws exist to protect minors who are legally too young to give consent. Yet, the PSA points out that the absence of prosecutions suggests a failure in enforcing these protections. The association is urging a collaborative response from the Departments of Education, Health, Home Affairs, Social Development, Justice, and the South African Police Service. While laws and policies are in place, implementation and accountability remain lacking.

The PSA also condemned the tradition of resolving such matters quietly through family negotiations, stressing that this practice is not only outdated but illegal. “No matter the perpetrator’s social standing, statutory rape must be treated as a crime – not a custom to be settled behind closed doors.”

With this urgent call to action, the PSA hopes to shift the focus from reactive care to proactive justice. “To reduce teenage pregnancies, we must begin by protecting children from abuse and prosecuting those who rob them of their childhood.”

ERM CVS to Conduct a Follow Up IRMA Assessment of Sibanye-Stillwater Rustenburg Operations

ERM CVS Seeks Input from Local Community and Other Stakeholders

Today, 4 July 2025, ERM CVS announces that on 4-8 August 2025, auditors will visit the Sibanye-Stillwater Rustenburg operations, located in the Rustenburg Local Municipality, South Africa. This is an extension of the independent, third-party audit initiated in November 2024 against the Initiative for Responsible Mining Assurance (IRMA) standard.

During this August 2025 audit extension, ERM CVS will be collecting feedback from local stakeholders – anyone directly or indirectly affected by the mine -- including community members, mine workers, and government officials. Feedback can be provided on all of Sibanye-Stillwater Rustenburg operations, including the Kroondal operations, which will be a special focus. The ERM CVS team will also inspect the operation and its associated facilities.

When the audit is finished, an IRMA assessment results in a public audit report released locally and on the internet. This report will describe how ERM CVS scored Sibanye-Stillwater Rustenburg Operations against each of the 400+ requirements of the IRMA Standard for Responsible Mining, and why ERM CVS gave Sibanye-Stillwater Rustenburg Operations that score. The report will also assign an overall achievement level: IRMA Transparency, IRMA 50, IRMA 75, or IRMA 100.

Sibanye-Stillwater can use this information about the environmental and social impacts of the Rustenburg operations, inclusive of Kroondal, to improve its practices. Other stakeholders, particularly affected communities, may use this audit report to engage with Sibanye-Stillwater and others on a more equal footing to improve the operation in the ways that matter most to them.

4 – 8 August 2025

Your comments will help ERM CVS assess the impact of Sibanye-Stillwater Rustenburg Operations, inclusive of Kroondal, on local communities and measure its performance against best mining practices. ERM CVS invites you to sign-up for an interview with auditors during the onsite audit, and/ or submit written comments to the auditors about Sibanye-Stillwater Rustenburg operations using the contact details below. You must contact us before 28 July 2025 to be interviewed. Written comments submitted before 15 August 2025 will be incorporated into the results of this audit.

Interviews with members of the community occur without mine personnel present. Interviews with non- management workers occur without management present and can be scheduled to occur offsite on request. ERM CVS protects the identity of individual commenters although the general nature of comments will be summarized in the report.

OUR WARD CARES, OUR WARD CLEANS

Rustenburg – Our Ward Matters (OWM) continues to lead from the front — cleaning up our streets and caring for our people. Under the leadership of Cllr Tanya Rothman and André van Dyk, the team has launched Our Ward Cares (OWC), a new outreach initiative already making a tangible difference.

LAST WEEK'S CLEAN-UP
On Wednesday, 2 July 2025, ward committee member Kate Roux guided volunteers through a clean-up stretch along Dachill and Protea Avenue. The team made steady progress toward Cuckoo Avenue, where they wrapped up their midweek efforts. Then, on Friday, 4 July, the OWM team hit the streets again — clearing rubbish from the top of Cuckoo Avenue down to Waterberg, across the Waterfall Mall area (from Econo Foods to KFC), and along the R24 all the way to Selly Park Secondary School and Azaleapark. This week, the hardworking team is taking a well-earned break.

OUR WARD CARES
Our Ward Cares is the compassionate arm of OWM, driven by a powerful mission: to uplift those in crisis — be it families struggling to make ends meet, senior citizens, or vulnerable children.

With the support of volunteers and residents like you, the OWC team collects and distributes:

- Warm clothes for men, women, and children
- Non-perishable food items
- Toiletries, blankets, and shoes
- Books, stationery, and household goods

Recently, the team delivered soup, winter clothing, and books to Kerkstraat Woonstelle, and reached out to families in urgent need — bringing warmth, hope, and dignity to those who need it most. “Charity starts at home,” said André van Dyk. “And in Ward 17, we look out for one another.”

WANT TO HELP?
Donations can be arranged for drop-off or collection. Whether it's a tin of beans, a pair of shoes, or a book, every contribution matters. Together, we care. Together, we clean. Together, we build a better Ward 17.

Watch What You’re Pumping!

[letter to the editor]

I recently came across an article on MyBroadband titled “Signs diesel car drivers in South Africa should look out for regarding contaminated diesel” (28 June 2025, by Hanno Labuschagne), which raised a red flag that hits close to home for us here in Rustenburg.

The piece highlights a troubling trend: diesel being illegally mixed with cheaper paraffin — sometimes up to 68% — before reaching unsuspecting motorists. The South African Revenue Service and law enforcement recently cracked down on two million litres of this adulterated fuel. But what about the damage already done?

Several people right here in Rustenburg have privately shared horror stories of engine trouble, unexplained smoke, and sudden breakdowns — only to later discover contaminated diesel was the cause. These are not just mechanical inconveniences; they’re expensive and dangerous.

Symptoms to watch out for include difficulty starting your engine, increased fuel consumption, unusual noise, rough idling, and reduced power. If any of these show up after a refuel, it might not be your vehicle — it could be the diesel itself. Fuel suppliers must be held accountable, and we as motorists must remain alert. I urge your readers to report suspicious fuel stations and to share their stories, so we can protect each other from becoming the next victims of this costly fraud.

Sincerely,
Concerned Rustenburg Diesel Driver

PRIDE IN EVERY PLAY... Sibanye-Stillwater SAPGM Rugby Club celebrates a thrilling win against Welkom Rugby Club in their latest President League clash.

IMPALA ROARS TO VICTORY

GAME FACE ON... Centre Keegan Twiggs, number 13, strides onto the field with calm confidence before the big win.

Rustenburg – It was a double dose of triumph for Impala Rugby Club on Saturday, 5 July 2025, as both their first and second teams secured decisive victories against Klerksdorp Rugby Club in the Leopards Nesser A League. The atmosphere was electric at Impala's home grounds, and the players didn't disappoint. The first team edged out their opponents in a nail-biting 24–22 win, while the second team delivered a commanding 25–0 shutout. "It was a tough match, just as we expected," said Johan Engelbrecht, director of rugby. "But the men proved they've got what it takes to win." Standout performances came from Spiedie du Plessis, who truly stepped up on the flank, and Jurich Classen, who scored two tries and converted two — earning him the well-deserved Man of the Match title. Impala's next clash will be on Saturday, 12 July 2025, again at their home field in Rustenburg. They'll take on the Northan Wolves from Hartbeespoortdam in another exciting round of the Nesser A League. Kick-off times are 13:30 for the second team and 15:00 for the first team. For more details, contact Johan Engelbrecht on 083 417 9652.

2025 Seisoen: Bokke vs Italië
Saterdag 5 Julie

Die Bokke klop Italië op 'n drafstap 42-24 ou grote, maar dit was nou nie juis iets om oor huiستoe te skryf nie. Hier en daar 'n stukkie briljantheid maar dis dit. Dit is seker hoekom Rassie 'n heeltetal ander span vir die tweede toets in PE gekies het. Alweer 'n nuwe cappie en so gaan dit aan... Willie le Roux speel in sy 100ste en laaste toets vir die Bokke en mens kan die man saluut! Werklik 'n opwindende en begaafde speler gewees — en vir 'n groter afskeidsgeskenk kon hy nie gevra het nie. Dink net as Willem nou nog cappie ook moes wees.

Die volgende toets skop Saterdag 12 Julie om 15:10 af op die Nelson Mandela Bay Stadion in Gqeberha, met Salmaan Moerat wat voor gaan uitdraf vir die toets as cappie.

Junior Bokke nuus

Die Junior Bokkies speel tans puik ruggas en het hulle groepwedstryde gewen, wat 'n oorwinning oor die huidige Kampioene Engeland insluit. Die Bokkies moet net seker maak hulle klop Skotland en is dan geboek vir 'n kwart-finaal. Die jongelinge het groot, baie groot goenas teen die Engeland gewys. Go Bokkies!

Rustenburg – Sibanye-Stillwater SAPGM Rugby Club pulled off an electrifying upset on Saturday, 5 July 2025, defeating reigning President League champions Welkom Rugby Club 19–17 in a fierce home-ground battle just outside Rustenburg. The match, part of the Leopards Nesser A President League, showcased grit, strategy, and the heart of a team hungry for greatness. "Every player left it all on the field. We prepared well, kept our composure, and executed when it mattered most," said head coach Joel Scherman, praising his squad's determination. The first team's hard-fought 19–17 victory was anchored by the brilliance of captain Sakkie Smit, who scored 14 points and was rightfully named Player of the Match. The winning try was driven over the line by Franco van Wijk, sending the crowd into a frenzy. Although the second team narrowly lost 24–23, their performance reflected the same tenacity and commitment that's becoming the club's signature. Next up, SAPGM will face off against Matlosana Rugby Club in their next league fixture on Saturday, 12 July 2025, in Klerksdorp. Both the first and second teams will be taking to the field as they continue their President League campaign. Contact head coach Joel Scherman on 079 754 3284 for more information.

HAVE YOUR SAY

Do you think addiction to sugar should be recognised like addiction to alcohol?

While alcohol addiction is widely acknowledged and treated, research shows sugar triggers similar reward pathways in the brain. Some experts argue it leads to dependency, mood swings, and health risks. Should sugar addiction be taken just as seriously in public health and policy discussions?

I don't believe sugar addiction should be treated as seriously as alcohol or drug addiction in public policy. Sugar is essential for daily bodily function, unlike alcohol or recreational drugs. While education on sugar's health risks is important, there are more urgent issues that deserve priority in health debates.

Cheryl Phillips, Rustenburg

Yes, sugar should be recognised as an addiction, just like alcohol. It may not intoxicate, but it can still cause serious health problems. It's an underrated addiction that deserves more attention.

Ntlatfso Khunou, Rustenburg

PUBLIC POLL: THE RESULTS ARE IN!

Do you think addiction to sugar should be recognised like addiction to alcohol?

POLL

Do you agree that the Pension Funds Adjudicator should decide who gets a deceased person's pension?

A new law lets anyone challenge who a deceased person nominated as a pension beneficiary. The Pension Funds Adjudicator now has the final say – not the fund, and not the deceased's stated wishes. This aims to protect vulnerable dependents who may have been left out. But it also means the person who paid into the fund no longer has full control over who receives it. Is that fair, or not? What do you think?

Here's how you can participate. Email us at news@platinumweekly.co.za or WhatsApp your response to 081 579 7000.

Include the following:

- Your answer:** Yes or No
- Why?** We want to hear from you!
- A recent photo** – We'd love to publish your pic alongside your answer!
- Your town/city**
- Deadline** – Be sure to send your response before 12:00 on Monday, 14 July 2025.

SMASH, SERVE & SMILE!

On court and on fire! Millie Smuts (11, Grade 5) and Lanah van Stadin (10, Grade 4) showing off their skills at the Wi Padel bootcamp.

Rustenburg – Laughter, energy, and a healthy dose of competition filled the air on Tuesday 8 July 2025 as Wi Padel at Bergsig Academy hosted a vibrant bootcamp for young padel enthusiasts — and it was a smash hit! From energetic four-year-olds to confident pre-teens, kids embraced the fun of padel under the expert guidance of head coach Pieter de Beer of ASMA Tennis Academy.

De Beer, a well-known name in Rustenburg's coaching circles, inspired the youngsters with this message: "You don't have to be great to start — but you have to start to be great."

The event wasn't just about padel — it was about community. Parents gathered at the Smash & Serve Court Café to enjoy a bite while watching their children shine on court. The café, with its relaxed vibe and tasty kid-friendly menu, invited families to "come eat here while the kids play" — turning match day into a family day.

A special shoutout goes to coaches Pieter de Beer and Abdool Satar for their guidance, enthusiasm, and heart. Their involvement made the day both safe and meaningful. Padel is a racket sport that combines elements of tennis and squash. It is typically played in doubles on an enclosed court about one-third the size of a tennis court. The game is easy to learn, making it popular among players of all skill levels.

So, what are you waiting for? Grab a racket, grab a smoothie, and get in the game. For more info, contact 081 494 6851.

"I don't know all the rules... but I'm winning!" Muhammad Zayyaan Dada (4) brought the charm as he signed up at the "Enlist Here" station.

Squad goals! From left: Liyanah Kola (9), Muhammad Zayyaan Dada (4), Ariane Botha (9) and Lanah van Stadin (10) beamed after a fun day on the court.
