## PSA Demands End to Illegal Initiation Schools

NW – The Public Servants Association (PSA) has pledged its support to the North West Provincial Initiation Coordinating Committee (PICC) and the National Initiation Oversight Committee (NIOC) in their fight against illegal initiation schools.

The PSA condemned the reckless and unlawful practices at unregistered schools, which claimed the lives of six young initiates this year, while more than 100 were rescued from abuse, dehydration, and unsafe conditions.

“These tragedies are preventable,” the PSA stressed, calling for strict enforcement of the Customary Initiation Act (Act 2 of 2021), full registration of schools, and accountability for

offenders. Parents, traditional leaders, and schools are urged to ensure compliance with legal, medical, and safety requirements.

The PSA noted that awareness and proactive monitoring save lives — citing the June 2025 rescue of 67 boys — but warned that stronger, coordinated action is needed.

“Safety, legality, and respect for culture must guide initiation practices,” the PSA said, applauding the leadership of the PICC and NIOC while urging relentless enforcement and community vigilance.

# Online Scams on the Rise

## PHOKENG SAPS SOUNDS THE ALARM

**Rustenburg/ Phokeng** – The South African Police Service (SAPS) in Phokeng is urging community members to be extra cautious when buying goods or services online. The warning comes after a surge in online fraud cases, where residents have fallen victim to criminals posing as legitimate sellers.

**Sergeant Ofentse Mokgadi explained that fraudsters are using fake websites, social media ads, and false payment confirmations to deceive unsuspecting buyers.**

In one case from Luka Village, a resident paid over R3.700 for “stop nonsense” wall slabs — but the

goods never arrived. In another incident, a victim lost R1,500 trying to buy an SUV air conditioner, only to receive a fake tracking number. Even police officers, Mokgadi added, are not immune to these scams.

SAPS has shared several safety tips to help the public stay safe online: always buy from trusted websites, verify sellers, look for secure web addresses (“https”), and never share personal information with unknown sources.

Anyone who suspects fraud is urged to contact Crime Stop on 08600 10111, use the MySAPS App, or visit their nearest police station.

# POLICE HUNT ARMED SUSPECTS FOLLOWING MURDER AND VEHICLE THEFT

**Rustenburg/ Boitekong** – Police in Boitekong have launched an urgent manhunt for four armed suspects following a fatal shooting and vehicle theft that occurred during the early hours of Wednesday, 8 October 2025, in Damooiview.

Boitekong. According to SAPS spokesperson sergeant Ofentse Mokgadi, officers responded to reports of gunfire at around 00:45. On arrival, they discovered the lifeless body of Machipisa Zacarias Maphossa (37), a Mozambican

national, lying outside his yard with multiple gunshot wounds to the upper body and head. Preliminary reports indicate that four masked men approached Maphossa before opening fire and fleeing the scene with his metallic brown Toyota Hilux GD-6 (registration KZR 338 NW) and a cellphone. His wife, who was inside the house at the time, confirmed that the attackers were armed and wearing balaclavas and gloves. Later that morning, at approximately 09:30, the stolen vehicle was found abandoned in bushes near a dumping site in Kanana. Spent bullet cartridges were also recovered at the crime scene.

Brigadier Mamotsamai Ntoagae, acting district commissioner of Bojanala Platinum Sub-District 2, condemned the brutal attack.

Police investigations are ongoing. Anyone with information should please contact detective constable Motlodiwa De Huis of Boitekong SAPS on 082 416 3457, or call Crime Stop on 08600 10111. Information may also be shared anonymously via the MySAPS App.

# Rustenburg rallies for Mieke

From left: Mieke's proud big brother Xander Esterhuizen, Mieke, and her friend Leandri Steyn share smiles and sunshine on the course.

Little Mieke beams as she holds up the gift bags prepared for the golfers who came to support her cause.

**Rustenburg** – Eight-year-old Mieke Esterhuizen, a bright and bubbly learner from Laerskool Vastrap, has faced more medical challenges in her young life than most adults ever will. Born with a Congenital Heart Defect, Mieke is the only child in South Africa diagnosed with both Tachy Brady Syndrome and Sick Sinus Syndrome, rare heart rhythm conditions that cause her heartbeat to race one moment and slow dangerously the next. She also suffers from Neuro-Cardiogenic Syncope, which can cause sudden fainting spells.

On Friday, 10 October 2025, golfers came together at the Mooinooi Golf Course to show love and support at a special golf day fundraiser for Mieke's next operation – an adjustment to her pacemaker, which is currently affecting her swallowing.

"It has been a long journey with my daughter and her condition," said her mom, Bianca Esterhuizen. Despite her struggles, Mieke's determination shines through. When asked what she dreams of becoming, she smiles and says: "I want to be a child doctor – so I can help little kids like I am."

The event was filled with compassion, laughter, and community spirit as friends, family, and local businesses rallied around Mieke's family. Bianca shared a touching moment, recalling how her daughter's hiccups – caused by her pacemaker – once interrupted a school speech. "She couldn't even speak because she was hiccupping so much," Bianca said. "That's why this operation means so much."

Since her last surgery, Mieke's health has improved dramatically. She no longer needs to carry an oxygen tank and continues to inspire everyone with her courage and smile. Bianca and her family expressed heartfelt gratitude to all who took part and donated to the cause. "We are overwhelmed by the love and support," Bianca said.

## Our Ward Matters Cleans, Cares, and Connects

**Rustenburg** – From bush cutting to rubbish removal, *Our Ward Matters* (OWM) continues to prove that teamwork transforms communities. Led by André van Dyk and Cllr Tanya Rothman, and supported by the EPWP team, OWM keeps bringing visible improvement to Wards 16 and 17. Week after week, the Our Ward Matters team makes all the difference!

**7 October – Community Clean-Up**  
The OWM team launched their October efforts along Helen Joseph Drive, moving toward Kgaswane, where they cleared overgrown grass and bushes for improved visibility at intersections. From there, they worked down Waterberg Road to Cuckoo Avenue, cutting grass, clearing vegetation, and removing rubbish. The team also tidied areas around Waterfall Mall, Builders, and KFC, leaving the surroundings neat and inviting.

**8 October – Taking Hands with RLM Waste Department**  
The following day, the OWM team tackled a large section from President Mbeki Drive toward the Raasblaar triangle, through Kruger Bridge and Kruger Street, continuing into Mispel and back toward Helen Joseph Drive. A skip — arranged by Cllr Tanya Rothman — was filled and collected by the RLM Waste Department, marking another strong partnership.

**8 October – Visit to Geelhout Gardens “Voëltjie Park”**  
Concerns about safety near Voëltjie Park led *Our Ward Matters* to visit the site at Manuka and Kremetart Streets. The team found a beautiful, well-managed, and family-friendly area where residents can relax and enjoy nature. Owner Grant and his staff go beyond their boundary, maintaining surrounding areas to keep the neighbourhood attractive. OWM pledged to support these efforts.

**9 October – Geelhoutpark Clean-Up**  
On 10 October, *Our Ward Matters* turned its focus to Kremetart Street, tackling illegal dumping, overgrown reeds, and long grass. The RLM Waste Department collected refuse while OWM volunteers continued cutting vegetation near Geelhout Gardens. ## From Seedlings to Success: schools cultivate hope at EduPlant Awards

**Rustenburg** – The vibrant spirit of growth and sustainability took root at Konka Resort on Tuesday, 7 October 2025, as learners, educators, and environmental champions from across South Africa gathered for the long-awaited EduPlant Awards Ceremony — the first since the COVID-19 pandemic. Hosted by Food & Trees for Africa (FTFA) in partnership with Tiger Brands, the event celebrated schools that have turned barren patches into thriving food gardens, transforming classrooms into living laboratories of learning and resilience.

"We are here today to celebrate growth," said Christopher Wild, executive director of Food & Trees for Africa. "Not just the growth of your garden, but the growth of your knowledge as well."

## Growing Futures from the Ground Up

EduPlant, now in its 28th year, is South Africa's longest-running food security and environmental education programme. Its mission is simple but powerful — to teach learners how to grow their own food, improve nutrition, and uplift communities through sustainable practices.

Over the past two years, 300 schools were onboarded into the programme, receiving extensive training in permaculture gardening — a holistic method that integrates food production with environmental care. The 32 finalist schools were recognised for their innovation, teamwork, and dedication to food security.

During the two-day celebration, learners presented their gardens, participated in herb workshops, drumming circles, and tree-planting activities, and shared stories of how their gardens nourish both body and soul.

## Cultivating Champions

The 2025 EduPlant winners received R221,000 in cash prizes to strengthen their food-growing initiatives and expand their impact.

- *National Category:* Molefe Mooke Primary School (Gauteng), Nkabini Primary School (KwaZulu-Natal), and Toronto Primary School (Limpopo).
- *Centre of Excellence Category:* Diloppe Pre-Vocational School (Gauteng), Nobanda Primary School (KZN), and Alabama Primary School (North West).
- *Provincial Winners:*

## Nurturing Leaders, Not Just Gardens

For Tiger Brands, EduPlant represents an investment in the future. “A hungry mind cannot learn well,” said Maanda Milubi, director of Transformation and Enterprise Supplier Development at Tiger Brands. “EduPlant’s focus on sustainability and food security aligns with our vision of resilient, food-secure, and healthy communities.”

The initiative also promotes life skills, teamwork, and leadership. Learners who once struggled with hunger now grow their own produce, feed their schools, and share surplus harvests with neighbours — creating a ripple effect of hope. “We see learners becoming leaders,” added Wild. “They practice communication and teamwork, and they carry these lessons for life.”

Programme manager at Food and Trees for Africa, Minehle Sikosana, sharing insights on how small gardens can create big change.

From left: FTFA executive director Christopher Wild, Free State Department of Education's Mlungisi Ntlotleku, Molise Phori, and Disebo Hlakoane — all celebrating schools that are growing a greener, hunger-free South Africa.

# Wanneer leer 'n tweede kans kry – en liefde die stuur vat

**Rustenburg** – Op 'n stil plot in Rietvlei klop die hart van 'n besondere plek — Spectra Studiesentrum, 'n Impaq-leersentrum waar kinders wat nie in hoofstroomskole kan aanpas nie, weer leer glo in hul eie potensiaal.

Gestig in 2024 deur Lizelle en Jurie Robbertse, bied die sentrum 'n veilige, liefdevolle omgewing vir kinders wat met leerprobleme, ADHD of aandagafleibaarheid leef, of wat emosionele letsels dra na geboorte te wees. "Dit is nie net 'n sentrum nie; ons is 'n toevlugsoord waar elke kind se unieke leerstyl gerespekteer en ondersteun word," sê hoof, Jurie Robbertse.

## 'n Tuiskomplek vir elke leerder

Met 46 leerders en vier toegewyde tutors, waaronder Lizelle en Louise Fourie, is elke klas 'n ruimte waar geduld, begrip en aanmoediging lei tot groei. Vier klaskamers, vir Graad R-6 en vir Graad 7-12, bied gestruktureerde leer met individuele aandaag en ondersteuning.

## 'n Droom op wiele

Maar nou het hierdie droom 'n dringendheid: vervoer. Op die oomblik ry Lizelle elke dag rond om kinders op te laai en weer tuis te neem. "Sonder 'n bussie kan hulle nie die

sentrum bereik nie — en sonder die sentrum, verloor hulle 'n plek waar hulle veilig voel, waar hulle nie veroordeel of geboelie word nie, en waar hulle uiteindelik begin glo in hul eie potensiaal,” sê sy.

Die sentrum doen nou 'n fondsinsamelingsveldtog vir 'n skoolbussie. Die bussie sal nie net kinders vervoer nie, maar ook uitstappies moontlik maak en nuwe geleenthede oopry vir dié wat andersins agtergelaat sou word. "n Skoolbussie is vir ons nie net 'n voertuig nie — dis 'n lewenslyn," voeg Jurie by.

# From Rustenburg to the Mother City

**Rustenburg** – During the October holidays, the Grade 7 learners of Rustenburg Noord Primary embarked on an unforgettable educational tour to Cape Town. The group flew from OR Tambo International Airport and spent their trip exploring the Mother City's most iconic sites — from the breathtaking heights of Table Mountain to the historic depths of Robben Island, and the scenic splendour of Cape Point. Every stop offered a hands-on lesson in history, geography, and culture. A special word of thanks goes to Mr James Khabele, Ms Kedi Monageng, and Ms Jostina van Wyk for guiding and supporting the learners throughout the journey. The school also extends heartfelt appreciation to the School Governing Body (SGB) for making this educational experience possible.

## HAVE YOUR SAY

Do you think public services fail because government employees are incompetent and simply don't care?

From endless queues to unanswered calls, many South Africans feel let down by public service delivery. But what's really to blame — lack of skills, weak leadership, or sheer indifference? Share your thoughts: is it a system that's broken, or people who simply don't care anymore?

"Yes, public service is failing because we live in a time where too many people just don't care. It's always someone else's job, and that attitude — 'it's not my responsibility' — is exactly why nothing gets done."

**Cassandra Coetzee, Rustenburg**

"Yes. The problems in public service delivery come from both individuals and the system itself. Many government employees face tough conditions, limited resources, and weak accountability. What we need is stronger leadership, better training, and a renewed culture of true service excellence."

## POLL

Would you say **YES** to dancing in the rain?

Some say life's best moments happen when you forget the rules — like splashing through puddles and laughing under a grey sky. Would you grab your boots and join in, or stay cozy and dry? Tell us — are you the "dance in the rain" type?

Here's how you can participate. Email us at [news@platinumweekly.co.za](mailto:news@platinumweekly.co.za) or WhatsApp your response to 081 579 7000.

**Include the following:**

- Your answer:** Yes or No
- Why?** We want to hear from you!
- A recent photo** – We'd love to publish your pic alongside your answer!
- Your town/city**
- Deadline** – Be sure to send your response before 12:00 on Monday, 20 October 2025.

**Vote results:** The outcome of the poll will be featured in our next issue. Be a part of our community's story! P.S.: Don't forget, you can also voice your opinion on our Facebook post about this topic. Join the conversation!

## FUN FACT

**Did you know?**

Did you know that golf has literally gone out of this world? In 1971, astronaut Alan Shepard took a modified six-iron to the Moon during NASA's Apollo 14 mission and hit two golf balls on the lunar surface. Because there's no air resistance and only one-sixth of Earth's gravity, his second swing is said to have travelled more than 600 yards! It remains the longest — and most unique — golf shot in history. Proof that no matter where you are, a good swing can take you far!

### Ekkerds Smash Meiringspoort Half!

Marelize and Jan-Nolte Ekkerd crossing the finish line in De Rust — mission accomplished in 1:46:58!

**Rustenburg** — On Saturday 11 October 2025, the scenic Optimum Meiringspoort Half-Marathon drew runners from far and wide to the dramatic ravines between Oudtshoorn and Prince Albert in the Western Cape. Among them were two dedicated athletes from the Run/Walk For Life Rustenburg club, Marelize Ekkerd and Jan-Nolte Ekkerd, who completed the 21.1 km route in a superb time of 1:46:58. This event — part road-race, part ode to nature's splendour — challenges runners with winding sections through cliffs and river crossings, all wrapped in one of South Africa's most arresting backdrops. Congrats!

## Afri Readymix tees off for Môrester Kids

# SWINGING FOR HOPE

Chryso South Africa Construction Chemicals sales representative Mwee Cloete swinging for a cause — helping raise hope for the children of Môrester.

The Afri Readymix team bringing their A-game — and big hearts — to Mooinooi Golf Club in support of Môrester Child and Youth Care Centre.

**Rustenburg/ Mooinooi** — The greens of Mooinooi Golf Club buzzed with laughter, generosity and community spirit on Thursday, 9 October 2025, as Afri Readymix hosted its annual Golf Day in support of Môrester Child and Youth Care Centre (Môrester Kinderhuis) in Rustenburg. What began as a simple day of golf turned into a powerful act of kindness — raising R370,000 in pledges for the centre that currently provides care for 28 children. “What an incredible day on the course!” said Afri Readymix director, Gerhard Maree. “The Afri Readymix Golf Day was more than just a round of golf — it was a day filled with community spirit, generosity, and hope. We’re truly grateful to everyone who participated, sponsored, and contributed to making a difference in the lives of the children at Môrester. Together, we’re building more than concretely; we’re building brighter futures.” Môrester Child and Youth Care Centre director, Helen Lotz, expressed heartfelt gratitude to Afri Readymix and all who joined the cause. “The golf day was a massive success,” she said. “Gerhard and Afri Readymix make this possible for us every year, and we are so thankful. Gerhard has been part of the Môrester family for a long time — he’s always there when times are tough. Thanks to everyone who came out, played, socialised, and helped ensure our children’s needs will be met for the months ahead.” Even participants who travelled from outside Rustenburg were touched by the event’s purpose. Chryso South Africa Construction Chemicals sales representative, Mwee Cloete, said, “Môrester is an incredible organisation — their commitment to community support and the way they bring people together through events like this is truly inspiring.” The golf day once again proved that when local businesses and residents come together, they build more than concrete — they build community.
