# R100 million drug-lab bust

## SMALL-TOWN SWARTRUGGENS NOW AT CENTRE OF MAJOR POLICE INVESTIGATION

**Platinum Weekly newspaper | Swartruggens** – A suspected R100 million drug manufacturing laboratory discovered on a farm near Swartruggens has placed this small North West farming community at the centre of a major organised crime investigation. Eleven suspects were arrested during the intelligence-driven operation, including four Mexican nationals. The scale of the operation – uncovered in a rural area better known for cattle and crop farming than organised crime – has raised serious concern about the growing reach of international drug syndicates and the increasing use of isolated areas for illegal manufacturing activities. Behind every drug laboratory, shipment or syndicate are communities that suffer the consequences – especially young people. Across South Africa, many families continue to witness the devastating impact of drugs on the youth, with addiction often leading to violence, crime, broken homes and lost futures. National police spokesperson brigadier Athlenda Mathe confirmed that the operation was executed by National Head Office Crime Intelligence, National Head Office

Organised Crime Investigations, and a national team from the Directorate for Priority Crime Investigation (DPCI), known as the Hawks. The operation led to the successful dismantling of the laboratory and the arrest of suspects believed to be linked to large-scale drug manufacturing. Police have not yet officially confirmed what type

of drugs were allegedly being produced at the site. However, reports suggest the laboratory may have been used to manufacture highly addictive chemically produced drugs. Acting national commissioner of the SAPS, lieutenant general Puleng Dimpane, praised officers involved in the operation.

Police also revealed that, during operations conducted across the country last week alone, 280 suspects were arrested for dealing in drugs, while another 2,573 suspects were arrested for possession of drugs. Investigations into the Swartruggens case are continuing.

## Graffiti competition comes alive at Three Star

**Platinum Weekly newspaper | Rustenburg** – Young artists turned blank walls into bright masterpieces during a lively graffiti competition hosted by Three Star Cash & Carry on Saturday, 9 May 2026. The exciting community event brought together talented children from across the area, all eager to showcase their artistic skills by painting colourful graffiti-style drawings on the store's walls. Armed with paintbrushes, creativity and reference pictures of popular grocery products, the young artists transformed the walls into

vibrant displays filled with imagination and flair. The competition created a festive atmosphere filled with laughter, excitement and plenty of encouragement from family members, shoppers and sponsors who gathered to support the budding artists. "It was tough deciding the winners of the competition this year. The kids are so talented. The day was filled with excitement and laughter," said Three Star Cash & Carry manager, Wayne Labuschagne. Sponsors also played an important role in making the event a success. Representatives and suppliers attended the event and assisted with prizes for the winners, helping to encourage and celebrate the children's creativity. Senior store buyer Amina Joosub shared an inspiring message during the event: "There is no one magic move or secret that creates victory, but lots of little items that when added together make you victorious." The event once again highlighted the importance of community involvement and giving young people opportunities to express themselves creatively while building confidence and having fun.

## OWM turning neglected spaces into community pride

**Platinum Weekly newspaper | Rustenburg** – From teaching young minds to restoring neglected streets and open spaces, *Our Ward Matters*

(OWM) continues to create visible change across Wards 15, 16 and 17 through hands-on community clean-up projects and ongoing support initiatives.

From left are Cllr Tanya Rothman, MP Jeanne Adriaanse, Cllr Johan Cronje, Cllr Jean Keyser, Our Ward Matters founder and director André van Dyk, Emanuel Thabang from OWM and members of the EPWP Our Ward Matters Team during the 12 May community clean-up initiative.

Led by founder and director André van Dyk, alongside Ward 17 councillor Tanya Rothman and supported by Jean Keyser, the initiative continues to focus on improving safety, visibility, cleanliness and community pride in local neighbourhoods.

Our Ward Matters members continued their clean-up operations across Azalea Park and Selly Park on 6 May 2026, clearing overgrown areas, cleaning drains and restoring safer road conditions for residents.

The organisation also expressed sincere appreciation to Pastor Doug, Pastor Liza and their entire team from GrowthPoint Church for their continued support towards monthly clean-ups and the charity division, *Our Ward Cares*. Special thanks were also extended to Shabby and the entire team for "taking hands" with the initiative and helping to impact lives in the community. On Wednesday, 6 May 2026, the OWM team worked in Azalea Park and Selly Park, beginning in Langeberg Avenue along the mountainside where grass was cut and the area cleared. The team then moved into Kougaberg Avenue and Drakensberg Avenue, removing mud, sand and overgrown grass from the roads while also cleaning stormwater drains. One blocked curb inlet filled with sewage, reportedly caused by recent heavy rains, was opened by the team to restore proper water flow and help reduce flooding and pothole damage in Drakensberg Avenue. The work continued all the way towards the road islands near the R24. On Monday, 11 May, the clean-up efforts continued at the busy intersection of President Mbeki Drive and Kremetart Avenue. The team focused on cutting grass, removing litter and giving the Raasblaar Triangle road island a full makeover. Work then continued towards Kruger Street and Wildevy Centrum. OWM thanked Lorinda Walker for buying food for the team and donating petrol, while appreciation was also extended to the Rustenburg Local Municipality Waste Department for collecting refuse bags in some of the affected areas.

The latest community clean-up took place on 12 May at Bosduif Crescent, Arend Road and Moorhen Street, where teams tackled overgrown grass, illegal dumping sites and rubbish-filled open spaces. More than 80 refuse bags were filled during the operation. Wow! Those joining the clean-up included Cllr Tanya Rothman, Jeanne Adriaanse, Johan Cronje, Cllr Jean Keyser, André van Dyk, Emanuel Thabang from OWM and the EPWP *Our Ward Matters* Team.

# From missing person to brutal murder case: Two arrested in Rustenburg

**Platinum Weekly newspaper | Rustenburg**

– What started as a desperate social media search for a missing woman has ended in heartbreak for a Rustenburg family and community.

Last week, posts circulated widely online after a 54-year-old woman was reported missing. According to information shared by loved ones, she was last seen leaving Sonskyn Retirement Village in her vehicle. Her worried family searched frantically for answers as concern spread across the city.

Then came the devastating update: she had been found deceased.

According to police, the woman's body was discovered dumped in bushes near Dinie Estate Road on Tuesday, 5 May 2026. Authorities say her throat had been slit. Her vehicle was missing at the time.

During a separate response to a domestic violence complaint on Sunday night, 10 May 2026, police officers reportedly noticed a vehicle matching the description of the missing woman's car. The registration plates on the vehicle had allegedly been changed.

This discovery triggered an intelligence-driven investigation involving Rustenburg Crime Intelligence, Crime Prevention members and detectives. Further forensic investigations and information-sharing reportedly led police to suspects believed to be preparing to flee.

According to police spokesperson warrant officer Ofentse Mokgadi, a 22-year-old male suspect and a 34-year-old female suspect were arrested on Monday, 11 May 2026. They are expected to appear before the Rustenburg Magistrate's Court on charges linked to the murder, while additional charges may still be added as investigations continue. Police are also investigating whether more people may have helped conceal the crime or assist the suspects. The deceased's vehicle had been recovered at a residence in Protea Park during the investigation.

The arrests were reportedly made possible through strong cooperation between the South African Police Service, community structures and private security. Members of the Community Policing Forum (CPF) reportedly made the first arrest with the assistance of SAPS, while Oasis Security also assisted in tracing the suspects.

Acting Bojanala Platinum sub-district commissioner brigadier Mamotsamai Ntoagae commended members involved in the operation for their teamwork and swift action.

The tragedy has left many residents shaken, not only by the brutality of the crime, but by the painful reality that a woman who was loved by her family was allegedly discarded "like trash" beside a road.

We extend our heartfelt condolences to the family and friends of the deceased during this deeply painful time.

The deceased woman's vehicle, which was recovered in Protea Park during the police investigation into the Rustenburg murder case.

# Rustenburg loses another big match

**Platinum Weekly newspaper | Rustenburg** – Rustenburg is set to lose out on yet another major sporting event after ORBIT College FC confirmed that their highly anticipated Betway Premiership clash against Orlando Pirates will no longer take place at Royal Bafokeng Stadium.

In a media statement released on Tuesday, 12 May 2026, the club announced that the fixture, scheduled for Saturday, 23 May 2026 at 15h00, has been moved after confirmation that the stadium will remain unavailable until 30 June 2026.

The club is now searching for an alternative compliant venue capable of hosting a match of such magnitude, with a final announcement expected by Friday, 15 May. For many local football supporters and businesses, the news comes as a major disappointment. Matches of this size attract thousands of visitors, bringing valuable income to fuel stations, restaurants, accommodation establishments, street vendors and other local businesses.

Residents have also expressed frustration that this is not the first time Rustenburg recently has lost out on major events because facilities were reportedly not ready or unavailable. Many believe a stadium of this calibre should be fully prepared and actively pursuing opportunities to host more top-level matches and events.

A fixture involving Orlando Pirates would have placed Rustenburg firmly in the national spotlight, while also boosting local tourism and economic activity.

ORBIT College FC apologised for the inconvenience caused and thanked supporters and stakeholders for their patience and understanding during the process.

RWFL athletes Marelize Ekkerd (left) and Danelle Du Plooy delivered excellent performances at the 2026 Sun City Ultra Triathlon held at Sun City Resort on Saturday, 9 May 2026.

## HAVE YOUR SAY

### Would you ever take part in a strike?

Strikes are often used to raise concerns, even when peaceful, but they can disrupt communities and services. In South Africa, some people join strikes without always fully understanding the cause. Would you say yes or no -and why? Do you believe striking is necessary, or are there better ways to resolve issues?

"I would not take part in a strike. I believe concerns should be handled lawfully and respectfully through proper channels. Strikes can sometimes create unnecessary conflict when peaceful communication and organised processes may lead to better solutions."

**Joseph Setuke, Rustenburg**

"Yes – but only if the strike is peaceful, lawful, and a last resort. People deserve to have their voices heard when serious concerns are ignored. Violence and destruction, however, only damage communities and distract from the real issues."

**Anabela Coelho, Rustenburg**

## Buitengewone vlug vir buitengewone kinders!

**Platinum Weekly koerant | Rustenburg** – Ses leersers van die Rustenburg Skool vir Buitengewone Onderwys het onlangs 'n onvergeetlike ervaring beleef toe hulle op Vrydag 8 Mei 2026 die Children's Annual Flight by die Jack Taylor Airfield bygewoon het. Die leersers was onder sowat 600 minderbevoorregte kinders van verskillende skole wat die geleentheid gekry het om in vliegtuie te vlieg – iets wat vir baie van hulle 'n eerste ervaring ooit was. Vir die Rustenburg-leersers was dit nie net 'n uitstapjie nie, maar 'n dag vol opwinding, nuwe herinneringe en groot drome.

Die leersers van Rustenburg Skool vir Buitengewone Onderwys het onvergeetlike herinneringe huis toe geneem ná hul eerste vlieg-ervaring tydens die Children's Annual Flight by Jack Taylor Airfield in Krugersdorp.
