## BE THE VOICE

OF

# Santie Bothma

SANTIE CAN NO LONGER SPEAK FOR HERSELF.  
WE CAN. WE WILL.

**Platinum Weekly newspaper | Rustenburg** – The memory of 54-year-old Santie Bothma continues to unite the Rustenburg community as residents prepare to stand together in a call for justice ahead of the next court appearance in her murder case on Tuesday 9 June 2026.

A community-driven campaign, titled "Be the Voice of Santie Bothma", is encouraging residents to show support for Bothma's family and loved ones while raising awareness about violence against women and children. The campaign's message is simple but powerful: "Santie can no longer speak for herself. We can. We will."

Community members are being urged to stand together for justice, support those affected by the tragedy and promote safer communities for all. The campaign also calls on the justice system to carefully

consider the seriousness of the case and the impact it has had on Bothma's family, friends and the wider community. The case has attracted significant public attention since Bothma's body was discovered in bushes near Dinie Estate Road on 5 May 2026. Her vehicle was later recovered in Protea Park during an intelligence-led police operation.

Twenty-two-year-old Corné Engelbrecht and 34-year-old Roelien Hattingh were arrested and appeared in the Rustenburg Magistrates' Court on 13 May 2026. They face charges of murder, robbery, hijacking and defeating the ends of justice. According to police, the arrests followed an intelligence-driven operation involving Rustenburg Crime Intelligence, Rustenburg Crime Prevention and detectives. The acting district commissioner of Bojanala Platinum Sub-District 2, brigadier Mamotsamai Ntoagae, commended all

members involved for their dedication during the investigation.

**The accused have remained in custody since their arrest. The matter has now been postponed to 9 June 2026, when the case is expected to return to court.**

Across social media and throughout the community, messages of sympathy, support and remembrance continue to pour in. Many residents have expressed solidarity with Bothma's family while calling for justice to take its course.

As the next court date approaches, organisers behind the campaign are encouraging residents to attend proceedings where possible and to continue being a voice for Santie. "Together we stand. Together we remember. Together we seek justice."

**BE HER VOICE**  
Community unites for justice for Santie Bothma

# NO BAIL

We call on the justice system to carefully consider the seriousness of this case and the impact it has had on Santie's family, friends and our community.

**Placing an obituary**

Announcing the death of a family member is a time-honoured tradition as life should be celebrated and never forgotten. To help you to celebrate the life of your loved one and share details about the upcoming funeral, place an obituary in our newspaper, free of charge. You can include the date of death, details about their life and surviving family members. You can also write a special message, a poem or a prayer. Please include a photo and the date, time and place of the memorial service. If you would like to place an obituary in *Platinum Weekly / Platinum Bushvelder*, send the information via WhatsApp to 072 482 6871.

**Tragic End to Search for Missing Teen**

*Platinum Weekly newspaper | Rustenburg* – What began as a desperate search for a missing teenager has ended in heartbreak for a family, friends, and the Boitekong community.

The remains of 18-year-old Olebogeng Felicia Tagote, who was reported missing after she was last seen on Sunday, 24 May 2026, have been found. The discovery has left many residents shocked and saddened.

According to the South African Police Service (SAPS), Olebogeng was last seen by a friend after they left school together. Following her disappearance, police, family members, and community members searched extensively for the teenager, while investigators followed up on numerous leads.

On Tuesday, 3 June 2026, human remains were discovered near a bridge along Bophuthatswana Road leading to Boitekong, close to a local primary school. The discovery was made during a coordinated search operation involving SAPS, Community in Blue, and members of the community. A family member who was present at the scene identified the remains as those of Olebogeng. Police confirmed that the body was found in a partially decomposed state and that the cause of death has not yet been determined. Preliminary investigations indicate that Olebogeng may have been sexually assaulted, as she was found partially clothed. As a result, police are investigating cases of both murder and rape.

The acting district commissioner of Bojanala Platinum Sub-District 2, brigadier Mamotsamai Ntoagae, expressed heartfelt condolences to Olebogeng's family and thanked all those who assisted during the search efforts.

**Police investigations are continuing, and anyone who may have information that could assist is urged to contact detective sergeant Patrick Sebalane on 060 142 0796 or detective sergeant Peter Mosete on 078 926 3810. Information can also be reported anonymously via Crime Stop on 08600 10111 or through the MySAPS App.**

The tragedy has once again highlighted the devastating impact of violence against women and children in South Africa. *Platinum Weekly* extends its sincerest condolences to Olebogeng's family, friends, classmates, and all who knew and loved her.

## Jaiden Brown chases national title

Platinum Weekly newspaper | Rustenburg – A talented young local boy is proving that hard work, dedication and a positive attitude can open doors to exciting opportunities.

Jaiden Brown has been turning heads both on and off the stage as he continues to build an impressive list of achievements. Known for his humble nature, determination and growing confidence, Jaiden successfully balances academics, sport, culture and modelling while remaining focused on his goals.

As a proud Globe Modellook model, Jaiden has become a familiar face on the runway, using every opportunity to grow, learn and inspire others to pursue their dreams.

His commitment has earned him several titles and awards over the years, recognising not only his talent but also his versatility and dedication. Whether he is competing in the swimming pool, playing hockey, practising karate, participating in cultural activities or stepping onto the modelling stage, Jaiden approaches every challenge with enthusiasm and discipline.

Adding to his growing list of accomplishments, Jaiden is currently a finalist in the prestigious Mr Teen South Africa 2026 competition. As he prepares for the next stage of the competition, he is calling on the community for support and votes to help him achieve his dream. Another proud milestone awaits him on 16 June 2026 when he will be honoured as a recipient of the SA Youth Award, a recognition that celebrates young people who make a positive impact through leadership, dedication and achievement.

**Vote for Jaiden!**

Scan the QR code and show your support.  
R10 = 5 votes.

Every vote counts on his journey to Mr Teen South Africa 2026.

A vibrant selection of stalls drew shoppers and supporters to the monthly Market@Midas in Waterval East.

## Market @ Midas Complex!

SHOP, SELL AND CONNECT AT RUSTENBURG'S GROWING COMMUNITY MARKET

Platinum Weekly newspaper | Rustenburg – Shoppers, stallholders and bargain hunters came together for a lively morning of community spirit at the Market @ Midas Complex, held at the Midas Complex in Waterval East on Saturday, 30 May 2026.

The monthly event featured a variety of stalls, a car boot sale and an auction, creating a welcoming space where local entrepreneurs could showcase their products while residents enjoyed a relaxed morning of shopping, browsing and socialising. From handmade products and unique business offerings to pet-related services and household bargains, visitors had plenty to explore as vendors lined the parking area with colourful displays and friendly smiles.

Event organiser John Fourie expressed his appreciation for the support shown by both returning and first-time participants. "We are always grateful to see new faces and new vendors at our community market at the Midas," he said. "The market can only grow with support from our community."

With its relaxed atmosphere and focus on supporting local enterprise, Market @ Midas Complex continues to establish itself as a popular community gathering point in Rustenburg.

Residents are reminded that the market takes place at the end of every month. Those interested in booking a stall or finding out more can contact John Fourie on 071 604 2020.

Municipality reserves the right to fill the post.

G C LETSOALO (CA)SA  
 MUNICIPAL MANAGER  
 THABAZIMBI LOCAL MUNICIPALITY

# One year on

## Valterra Platinum builds momentum for its next chapter of growth

On 1 June 2026, Valterra Platinum celebrated one year as an independent company. Over the past year, the company has continued to focus on running safe and efficient operations, investing in future growth and creating value for its stakeholders including employees, host communities, and shareholders.

This milestone comes at a significant time for Valterra Platinum and the Platinum Group Metals (PGM) industry when these metals are becoming increasingly important because they are used in technologies that support cleaner energy, lower emissions and new industrial innovations.

Since becoming an independent company in June 2025, Valterra Platinum has strengthened its business and continued investing in projects that will help support future production and long-term sustainability.

As Valterra Platinum marks its first anniversary, CEO Craig Miller said, “Operating independently over the past year has sharpened our focus and strengthened the way we work.

As a standalone company, we have simplified decision-making, improved accountability and maintained a clear focus on operational excellence and capital discipline. We have strengthened the balance sheet and contributed more than R83 billion to our stakeholders including R27 billion to local procurement. Valterra Platinum truly is delivering on its purpose of unearthing value to better the world including its communities.

“Most importantly, I would like to thank our employees and contractors for their dedication, resilience, agility and contribution over the past year. I also extend my thanks to our shareholders, government and industry regulators, customers, host communities, business partners and broader stakeholders,

whose support and partnership have been instrumental to our success as we begin the next chapter of Valterra Platinum’s journey.”

Looking ahead, Valterra Platinum remains focused on responsible and safe mining, operational excellence and creating lasting value. With a strong portfolio of assets, growth opportunities and the support of its stakeholders, the company is well positioned for the future and for the important role PGMs will continue to play in the global economy.

[www.valterraplatinum.com](http://www.valterraplatinum.com)

## Valterra Platinum empowers SMEs to diversify and build long-term resilience

On Tuesday, 26 May 2026, Valterra Platinum marked a significant milestone in its enterprise development efforts with the graduation of 63 small and medium enterprises (SMEs) from its Contractor Mentoring Support Programme, reinforcing its commitment to building a more resilient and diversified local supplier base.

The graduation ceremony, held in Mokopane, brought together SME owners, mentors and community stakeholders from Mogalakwena, Amandelbult, Rustenburg and Polokwane to recognise businesses that have strengthened their capabilities, expanded into new markets and reduced reliance on a single customer base.

Implemented under the company's Social Impact Mitigation Plan (SIMP), the Contractor Mentoring Support Programme is designed to enhance local supplier competitiveness, unlock sustainable economic participation and support SMEs in building more diversified, future-fit operations.

"This initiative is central to Valterra Platinum's sustainability strategy, which focuses on building resilient communities that can thrive

beyond mining," said Yvonne Mfolo, Executive Head of Corporate Affairs and Sustainability. "A strong, capable local supplier base is essential to shared prosperity, and when these businesses grow, communities grow with them."

Valterra Platinum invested over R14 million in the programme which delivered more than 3,800 hours of mentoring, combining structured training, specialist advisory and practical business support. High levels of engagement were recorded across cohorts, with some achieving bootcamp attendance rates exceeding 90%.

The impact is already measurable. Thirty-two percent of participating SMEs introduced new products or services during the programme, reducing dependence on a single client

and creating new revenue opportunities. Participating businesses collectively supported approximately 680 jobs, contributing to economic stability within host communities.

The programme also drove meaningful inclusion outcomes. Women-owned or women-led businesses accounted for 46.4% of participants, while 65.5% had significant black women ownership. Youth make up 46.5% of the workforce across participating SMEs, with women representing 25.5% of employees.

Beyond training, the emphasis on real-world application enabled SMEs to strengthen financial management, improve business planning and pursue opportunities outside traditional mining contracts. Many have already secured new customers beyond Valterra Platinum, marking tangible progress toward revenue diversification and long-term sustainability.

"A resilient supplier ecosystem is not built on procurement alone, but on capability, opportunity and reduced dependency on single contracts," Mfolo added. "This programme is helping to build a healthy host community supplier base, and create the conditions for SMEs to scale, compete and thrive independently."

Valterra Platinum will now undertake a final impact verification process to consolidate outcomes and inform future enterprise development initiatives.

## Building safer communities through partnership, prevention and purpose

**Valterra Platinum is strengthening its commitment to safer, stronger and more resilient communities through a combination of prevention-focused programmes, community partnerships and long-term social investment initiatives across Limpopo and the North West.**

At the heart of this approach is the belief that creating safer communities requires more than responding to challenges after they occur. It requires ongoing collaboration, awareness, support and empowerment that address the root causes of social issues while creating opportunities for people to thrive. A key example of this commitment is the company's strengthened response to gender-based violence (GBV). Through its expanded TOOSE programme, Valterra Platinum is shifting its focus from crisis response to prevention, helping to build communities where violence is less likely to occur in the first place.

The programme supports survivors through counselling and psychosocial services while also investing in awareness campaigns, community champions and women's economic empowerment initiatives. To date, nearly 3,000 survivors have received counselling and psychosocial support.

By working closely with community partners and service providers, the programme aims to strengthen support systems, improve access to services and create sustainable opportunities that contribute to long-term safety and wellbeing.

This preventative approach aligns with Valterra Platinum's broader community development strategy, which relies on strong partnerships with Community-Based Organisations (CBOs), government stakeholders and local communities.

During the annual 16 Days of Activism campaign, these partnerships came to life through a coordinated, multi-province programme that brought together communities across Limpopo and the North West.

Awareness campaigns, outreach initiatives, school and clinic engagements, and collaborations with local leaders helped promote dialogue, strengthen support networks and improve access to vital services.

The company's commitment to safety and wellbeing also extends to its workforce. Employees participated in safety dialogues, awareness sessions and the annual Keep It Safe Day, reflecting on personal responsibility, respectful behaviour and the everyday actions that contribute to safer environments.

These engagements equip employees with practical tools to support one another while fostering a culture of care, accountability and respect.

While the 16 Days of Activism campaign serves as an important platform for awareness and engagement, Valterra Platinum emphasises that building thriving communities is a year-round commitment. Through ongoing partnerships with its CBO network and government stakeholders, the company continues to invest in initiatives that promote dignity, safety and opportunity.

By supporting local development programmes, strengthening community structures and creating pathways to economic empowerment, Valterra Platinum aims to help build communities where people can live, learn and prosper for generations to come.

Through partnership, prevention and sustained community investment, the company continues to demonstrate that meaningful social impact is created not only through responding to challenges, but through empowering people and communities to overcome them.

## Valterra Platinum provides essential supplies to flood-affected communities in Phalaborwa

**Valterra Platinum, together with the Limpopo provincial authorities, visited Phalaborwa to provide essential supplies to 754 households affected by the January 2026 floods.**

The floods caused significant devastation, including loss of life, extensive damage to bridges, disruptions to water and electricity supply, and major interruptions to economic activity.

Valterra Platinum joined provincial authorities in providing relief supplies and support to affected households as part of immediate humanitarian assistance efforts in the Mopani District.

The company emphasised that while material assistance could not reverse the extent of the damage, it remained committed to standing with residents during this difficult period.

It noted that the support symbolised solidarity with affected communities and a continued focus on practical assistance during recovery efforts.

The importance of collaboration between business and government in responding to disasters of this scale was also highlighted, with both parties working together to strengthen coordinated relief efforts and improve impact.

Provincial leadership acknowledged the contribution and encouraged continued collaboration with the private sector in supporting socio-economic development and disaster recovery across affected areas.

As a responsible corporate citizen, Valterra Platinum reaffirmed its commitment to supporting host communities, particularly during times of hardship. The support reflected the company's broader approach to responsible mining, which integrates community wellbeing and sustainability into its operations.

Guided by its purpose of unearthing value to better our world, the company continued to focus on practical interventions that provided immediate relief while contributing to longer-term resilience and recovery.

### Standing together to support communities in need

A total of 754 households across Limpopo's Mopani District received care packs during the outreach initiative. The affected areas included Maruleng, Greater Letaba, Greater Giyani, Tzaneen and Ba-Phalaborwa.

Each care pack provided practical support to affected families and included essential food items, household goods and basic toiletries.

## Mining companies unite to empower local youth through career expo

**Mining companies operating across Limpopo and Mpumalanga, including Valterra Platinum, hosted a Joint Career Expo aimed at equipping young people with access to career guidance, education pathways, and skills development opportunities.**

The initiative was established in response to the limited career exposure experienced by many learners in mining communities, particularly within the Fetakgomo Tubatse and Thaba Chweu Local Municipalities. Since its inception in 2023, the expo has continued to play an important role in helping learners make informed subject and career choices while exposing them to opportunities within the mining sector and related industries.

The 2026 Joint Career Expo officially commenced on Monday, 4 May 2026, until Friday, 8 May 2026. Over the five-day programme, approximately 5,000 Grade 12 learners from 57 schools across Limpopo and Mpumalanga participated. Throughout the expo, learners were engaging directly with representatives from mining companies, universities, TVET colleges, Sector Education and Training Authorities (SETAs), and other training institutions. These engagements provide valuable insight into career opportunities in mining, engineering, environmental management, finance, safety, human resources, and technical trades. Learners also received guidance on bursaries, internships, learnerships, and tertiary study opportunities.

### 4,500 learners inspired at Rustenburg Career Expo

More than 4,500 Grade 12 learners filled the Rustenburg Civic Centre on 24 February 2026 for the Rustenburg Career Expo – a large-scale initiative aimed at helping young people make informed decisions about their futures. Hosted by the Rustenburg Community Development Trust (RCDT) in partnership with Valterra Platinum and the Department of Education, the expo featured over 30 exhibitors from sectors including mining, aviation, healthcare, ICT, manufacturing and education.

Learners engaged directly with professionals, explored bursary and study opportunities, and gained insight into diverse career paths. The event highlighted the importance of collaboration between communities, industry and government in empowering the next generation with knowledge, confidence and hope.

Previous editions of the expo have positively impacted local communities through university application support, improved access to bursaries, educator development workshops, and initiatives supporting learners living with disabilities. In addition to career guidance, the expo also promoted safety awareness by encouraging young people to adopt safe and responsible practices within their communities and beyond. The Joint Career Expo reflected the mining sector's continued commitment to investing in education, youth development, and the long-term socio-economic sustainability of surrounding communities. For Valterra Platinum, investing in education means investing in the future leaders of the region. Commenting on the initiative, Loot Van Dyk, Manager External

Relations and Sustainability, Mototolo Mine at Valterra Platinum, said the programme aligns with the company's long-term sustainability strategy and belief in the transformative power of education.

"Education is one of the most powerful catalysts for sustainable change and a core focus of our sustainability strategy aimed at creating resilient communities. Through initiatives such as the Joint Career Expo, we are not only exposing learners to career opportunities, but also assisting them to realise their potential, thrive, and contribute meaningfully to the future of their communities," he said.

"Every learner reached is a step closer to a confident, empowered future."

## Valterra Platinum invests in safer, smarter communities through major infrastructure projects

As part of its ongoing commitment to sustainable community development, Valterra Platinum is investing more than R129 million into critical infrastructure upgrades across Mokopane and surrounding communities in partnership with the Mogalakwena Local Municipality (MLM).

The projects, which focus on energy security, road infrastructure and municipal service delivery, form part of the company's broader socio-economic development commitments aimed at improving the daily lives of residents while supporting safer and more resilient communities.

### Bringing light and safety to communities

One of the flagship projects currently underway is the installation of solar streetlights across seven villages and two local clinics within the Mapela and Mokopane areas. With a total investment of R86.5 million, the project will see approximately 2,500 solar-powered streetlights installed in Sekuruwe, Phafola Maloka, Phafola Molokomme, Sandsloot Mabuela, Sandsloot Masenya, Magope and Fothane, as well as at Mapela and Tshamahansi clinics.

The initiative was developed following requests from communities for improved lighting and safer public spaces. Poor lighting in many villages has contributed to increased vulnerability to crime and safety concerns for residents travelling through the area. Working closely with MLM, Valterra Platinum opted for a solar-powered solution which includes the design, supply, delivery, installation and commissioning of the solar streetlights, as well as maintenance during the warranty period.

Beyond improving visibility and security, the project is expected to create approximately 90 temporary employment opportunities for local residents, including women and young people, during the installation phase.

### Revitalising key roads in Mokopane

In a further investment into public infrastructure and road safety, Valterra Platinum is allocating over R29 million towards the resealing of six major streets in Mokopane. The project includes upgrades to Dudu Madisha Street, Geyser Street, Bezuidenhout Street, Voor Street, Kruger Street and Piet Retief Street, covering a combined distance of more than 15 kilometres.

According to the municipality, deteriorating roads and delayed maintenance have negatively affected road safety, transport efficiency and local economic activity. Poor road conditions also increase vehicle maintenance costs for residents and businesses while limiting access to services and economic opportunities. The resealing project aims to extend the lifespan of the road network while improving driving conditions and public safety throughout Mokopane. Valterra Platinum will also conduct technical road assessments to support long-term infrastructure planning. Construction activities are expected to create at least 15 local employment and contracting opportunities.

### Valterra Platinum celebrates completion of landmark Steel Bridge project in Sekhukhune

Valterra Platinum has joined government and industry partners in celebrating the successful completion and official opening of the landmark Steelpoort River Bridge project in Limpopo's Sekhukhune District; a transformative infrastructure development expected to improve mobility, safety and access for thousands of community members.

Officially known as CONTRACT NO: RAL/C989/2020: Upgrading and Maintenance of Bridge over Steelpoort River on Road D2219 in the Sekhukhune District of Limpopo Province, the project was implemented through Roads Agency Limpopo in partnership with eight mining companies operating in the region as part of their Social and Labour Plan (SLP) commitments and support for the Special Presidential Package programme.

The project included the construction of a new bridge over the Steelpoort River as well as extensive rehabilitation works to the existing steel bridge along Road D2219, a critical route connecting surrounding villages and communities to economic and social opportunities. Situated near the Ga Malekana and Kokwaneng villages within the Greater Tubatse Local Municipality, the bridge serves as an important transport link for local residents, commuters, businesses and mine employees travelling between communities and surrounding operations via the SANRAL-owned R555 route.

The newly completed 62-metre-long bridge was designed to accommodate growing traffic volumes and improve long-term road safety in the area. The structure comprises three spans measuring 18m, 26m and 18m respectively and caters for a dual carriageway with four 3.5m lanes and 600mm-wide shoulders, resulting in an overall bridge width of 15.540m between parapets.

In addition to the new bridge construction, remedial works undertaken on the existing steel bridge included the replacement of damaged members, lateral stiffening of the bridge structure, replacement of deck concrete

infill, corrosion protection of steel members, repairs to abutment concrete, replacement of steel railings and the installation of approach guardrails and end blocks.

The project was collectively funded by Roads Agency Limpopo, Rakhoma Mining Resources, Dwarsrivier Chrome Mine, Glencore Operations South Africa (Pty) Ltd, Rustenburg Platinum (Pty) Ltd, Samancor Chrome (Pty) Ltd, Booyendal Platinum (Pty) Ltd, Tjate Platinum Corporation and Two Rivers Platinum, with the total project investment amounting to R127.4 million including VAT.

The completion of the bridge marks a significant milestone in collaborative infrastructure development within the province and demonstrates the positive impact that can be achieved when government and the private sector work together to address community needs.

For Valterra Platinum, the project reflects the company's ongoing commitment to creating sustainable value beyond mining by investing in infrastructure that strengthens connectivity, enhances safety and contributes to improved quality of life for host communities.

The upgraded infrastructure is expected to reduce travelling times, improve access to schools, healthcare facilities and economic centres, while also supporting safer daily travel for employees and community members who rely on the route.

Valterra Platinum remains committed to partnering with stakeholders to drive inclusive development initiatives that leave a lasting and meaningful impact across the communities in which it operates.

# PEDALLING TO GLORY AT RACE TO THE SUN

**TOP OF THE PODIUM...** Susan Becker powered her way to first place in her category at the prestigious Race to the Sun event.

**DOUBLE CELEBRATION FOR TEAM VISSER...** Donita Visser (left) and Johan Visser proudly display their third-place category finishes after conquering the challenging route.

**Platinum Weekly newspaper | Rustenburg** – Determination and a love for cycling were on full display when members of the Rustenburg Cycling Club (RCC) took part in the prestigious Race to the Sun mountain biking event on Saturday, 30 May 2026.

Known as one of South Africa's toughest cycling challenges, the event offers riders a demanding 160 km route from Hartbeespoort Dam's Die Oewer to Sun City, while an 80 km option starts at Beestekraal before joining the route to the finish line. Cyclists set off in the cool morning air and faced a variety of terrain along the way, including gravel roads, dirt tracks, mud pools, tar sections and strong river crossings. As temperatures climbed throughout the day, riders dug deep to conquer the challenging course. Participants rode a variety of bicycles, from agile gravel bikes and traditional mountain bikes to e-bikes, each tackling the demanding route in their

own way. Beyond the physical challenge, riders enjoyed breathtaking scenery, fresh country air and the cultural richness of the areas they passed through, making the journey as rewarding as the finish itself. After crossing the finish line at Sun City, cyclists gathered in the finishers' area to enjoy well-earned refreshments, share stories from the route and celebrate their achievements.

**Special congratulations go to the following RCC members for their outstanding performances:**

- Dirk Stoltz for completing the race in an impressive sub-six-hour time
- Susan Becker for securing first place in her category
- Riaan Becker for securing first place in his category
- Donita Visser for earning third place in her category
- Johan Visser for earning third place in his category

**SPEED, STAMINA AND DETERMINATION...** Dirk Stoltz celebrated an outstanding sub-six-hour finish in the demanding Race to the Sun.

## Rugba nuus

### PROVERBS 15:1

A soft answer turns away wrath, But a harsh word stirs up anger.

NEW KING JAMES VERSION (NKJV)

## HAVE YOUR SAY

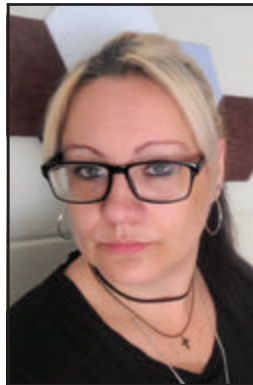

Have you or someone you know fallen victim to an online scam?

From fake banking calls and WhatsApp scams to AI voice scams and Facebook Marketplace fraud and online shopping scams, cybercriminals are targeting South Africans daily. Share your experience and warning signs others should look out for to help keep our community informed and alert.

"No, but I regularly see scam victims on social media. I avoid sharing personal information over the phone and prefer dealing with banks and businesses in person whenever possible."

**Oratile Kganakga, Rustenburg**

"Yes. My husband lost money after being promised funds that could only be released after paying a fee. If someone asks for money upfront, no matter the promise, it's almost certainly a scam."

**Nastassja Stols, Rustenburg**

## PUBLIC POLL: THE RESULTS ARE IN!

Have you or someone you know fallen victim to an online scam?

**NO 56% YES 44%**

## POLL

Are you planning to watch Bafana Bafana's opening FIFA World Cup match?

Bafana Bafana have arrived in Mexico ahead of their opening 2026 FIFA World Cup clash. Excitement is building across South Africa as fans prepare to get behind the national team. Will you be tuning in to support the boys in green and gold?

Here's how you can participate. Email us at news@platinumweekly.co.za or WhatsApp your response to 081 579 7000.

**Include the following:**

- **Your answer:** Yes or No
- **Why?** We want to hear from you!
- **A recent photo** – We'd love to publish your pic alongside your answer!
- **Your town/city**
- **Deadline** – Be sure to send your response before 12:00 on Monday, 8 June 2026.

**Vote results:** The outcome of the poll will be featured in our next issue. Be a part of our community's story!

**P.S.:** Don't forget, you can also voice your opinion on our Facebook post about this topic. Join the conversation!
