Police seized dye-stained banknotes during an intelligence-driven operation in Seraleng. The cash is believed to be linked to ATM bombing incidents under investigation.

Dye-Stained Cash Leads Police to ATM Bombing Investigation

Platinum Weekly newspaper | Rustenburg – A 52-year-old man was arrested near Boitekong after police found him in possession of dye-stained banknotes believed to be linked to ATM bombing incidents in the Bojanala Platinum District.

According to police spokesperson constable Thuto Bobelo, intelligence received on 9 July 2026 indicated that suspects were depositing dye-stained banknotes into various bank accounts. Investigators, working with bank investigators, traced the deposits to a specific account.

An intelligence-driven operation by the Bojanala Crime Intelligence Unit and the Brits Trio Task Team led officers to a residence in Seraleng on Friday, 17 July, where the suspect was arrested after allegedly failing to explain the origin of the stained cash. Police also seized clothing from the residence for forensic examination as part of ongoing investigations into possible ATM bombing cases. More arrests are expected.

The suspect appeared in the Rustenburg Magistrates' Court on Monday, 20 July, on a charge of possession of suspected dye-stained banknotes. Investigations continue.

N4 Dualling Project Reaches Major Milestone

Platinum Weekly newspaper | Rustenburg – Motorists travelling on the N4 between Marikana and Buffelspoort are already experiencing improved traffic flow after Bakwena Platinum Corridor Concessionaire (Bakwena) partially opened a newly constructed section of dual carriageway on Friday 3 July 2026.

The opening marks another major milestone in the 37.2km N4 Dualling Project between the Buffelspoort and Dr Moroka interchanges. One lane remains closed while construction teams complete additional works.

Bakwena chief operating officer Solly Kganyago thanked motorists and nearby communities for their patience during the

project, saying the upgrade will improve safety, increase road capacity and make travel more efficient along one of South Africa's busiest transport corridors.

Motorists are urged to obey reduced speed limits, follow all road signs and exercise extra caution while travelling through the construction zone.

Detective sergeant Taolo Makgotlho, whose dedicated investigation helped secure a rape conviction and a 10-year prison sentence.

Detective constable Dikeke Mokebe, commended for his role in securing a 12-year prison sentence in an attempted rape case.

RAPISTS SENT TO PRISON

Platinum Weekly newspaper | North West – Two men have been sentenced to direct imprisonment for rape and attempted rape in separate North West cases, with police praising the investigating officers and prosecution teams for ensuring justice was served.

In the first case, David Disemelo (43) was sentenced to 10 years' direct imprisonment by the Madikwe Regional Court on 17 July 2026 after being found guilty of raping a 32-year-old woman in February 2020. The victim was attacked on her way home from a tavern and the suspect was later traced and arrested.

In the second case, Tshepo Puna Ndlovu (37) received 12 years' direct imprisonment after being convicted of attempted rape by the Bafokeng Regional Court on 15 July 2026. The court heard that he assaulted a 41-year-old woman in her Tlhabane home after she rejected his sexual advances. Neighbours responded to her cries for help, leading to his arrest. He remained in custody after being denied bail.

Acting North West provincial commissioner major general (Dr) Ryno Naidoo commended investigating officers detective sergeant Taolo Makgotlho and detective constable Dikeke Mokebe, together with the prosecution team.

Raubex team members, from left, Siyabonga Magasela, Poloko Mopeli and Thapelo Mpele are helping restore the Helen Joseph Bridge traffic light system.

A theft-resistant solution in action – new traffic light cables are being installed beneath the paving and sealed in concrete to help prevent future cable theft (photo: 22 July 2026).

Temporary lane closures allow cement trucks and construction vehicles safe access as work continues on the Helen Joseph Bridge project.

LIGHT AT THE END OF THE BRIDGE

Stolen traffic light cables being replaced

Platinum Weekly newspaper | Rustenburg – Motorists using the Helen Joseph Bridge can look forward to the return of working traffic lights as Raubex continues work to replace electrical cables that were stolen while the bridge was closed for construction.

Ward 14 DA councillor Gert du Plessis visited the site on 6 July and spoke to the construction team. They confirmed that new traffic light cables are being installed using a more secure method to help prevent future theft. The cables are being laid beneath the paving and encased in concrete, making them far more difficult to access and steal.

Construction on the bridge is also continuing, with work underway on the barriers and pedestrian walkway. Du Plessis said traffic is currently flowing better with stop signs than it would with traffic lights while construction is still in progress.

Residents have welcomed the progress and thanked Raubex for its efforts, saying they look forward to seeing the traffic lights back in operation once the project is completed.

22 Years Behind Bars for Brutal Attack on Baby and Grandmother

Platinum Weekly newspaper | Madikwe – A 45-year-old man has been sentenced to a total of 22 years' direct imprisonment after being convicted of attempting to murder his 10-month-old son and assaulting the child's 69-year-old grandmother. The Madikwe Regional Court sentenced the man on Friday, 17 July 2026, for the attack that took place in Tlokweneng on 4 January 2024.

During an argument with the child's mother, he threw the infant to the ground, placing the baby's life at serious risk. The child escaped without fractures. When the grandmother intervened to protect the baby, the accused assaulted her with a stick, fracturing both of her arms.

The accused was arrested two days later, remained in custody after bail was denied, and was found guilty despite pleading not guilty. The court also declared him unfit to possess a firearm.

Acting North West provincial commissioner, major general (Dr) Ryno Naidoo, praised detective sergeant McDonald Mosekwane, advocate Zola Mpayipheli and all role players for ensuring justice was served.

Investigating officer, detective sergeant McDonald Mosekwane, whose dedicated investigation helped secure the conviction and lengthy prison sentence.

– Founded by Ward 15 councillor André van Dyk, *Our Ward Matters* (OWM) continues to demonstrate the remarkable difference that can be achieved when residents, businesses, volunteers and community leaders unite behind a common goal. Under the leadership of Cllr André van Dyk and Cllr Tanya Rothman, the initiative is steadily transforming Wards 15, 16 and 17 into cleaner, safer and more welcoming communities.

The past week highlighted both the ongoing challenge of illegal dumping and the determination of volunteers who refuse to let environmental neglect define their neighbourhoods.

Wednesday and Thursday, 15–16 July 2026

Under the leadership of Cllr Tanya Rothman, the *Our Ward Matters* team focused on clearing dense vegetation around the pump station along Helen Joseph Road towards the Krokodil River. Removing overgrown bushes not only improves visibility for motorists and pedestrians, but also creates safer public spaces, reduces the risk of veld fires and allows easier access for emergency services and the Rustenburg Local Municipality to maintain vital infrastructure.

At the same time, other OWM volunteers continued collecting litter throughout Ward 17, once again appealing to residents to dispose of waste responsibly and help protect the environment.

The organisation also thanked the Rustenburg Local Municipality waste department for providing a skip to remove the large volume of branches and refuse collected during the clean-up, describing the partnership as vital to the success of their ongoing efforts.

Saturday, 18 July – Mandela Day

Mandela Day saw the initiative gain even greater momentum as residents, organisations and community leaders answered OWM's challenge to spend 67 minutes giving back to their community. Leading the clean-up were dedicated OWM team members Andile and William, together with director Ilse du Preez and founder and director André van Dyk.

They were joined by DA candidates Jonathan van Rensburg, Frederik Coetzee and Thea Steyn, while Vusumuzi Elias Jele and a team of DA activists from Tlhabane also lent a helping hand. Ward 15 committee member and DA candidate Belinda Kruger, together with her husband and fellow committee member James Kruger, also participated, with James helping lead the clean-up from the front.

Volunteers worked from Blikkies Vol Liefde towards Safari SPAR, down Arend Road and along Loerie Street before returning to the starting point. By the end of the day, an impressive 67 refuse bags of litter had been collected – a fitting tribute to Nelson Mandela's legacy of service and community upliftment.

The Rustenburg Local Municipality waste department once again supported the initiative by delivering a skip during the clean-up, ensuring that the collected waste could be removed efficiently.

Monday, 20 July

The momentum continued after Mandela Day as the *Our Ward Matters* team returned to Helen Joseph Road, near Blikkies Vol Liefde and the nearby car wash, where volunteers cleared overgrown grass, removed bushes and cleaned behind homes in Kwartel Crescent. The clean-up forms part of OWM's ongoing commitment to improve visibility, eliminate neglected spaces and restore pride in local neighbourhoods.

Although much has already been achieved, organisers say the work is far from over.

With hearts full of compassion and hands ready to serve, Platinum Stars Nursery School was among the many community groups that helped make Lighthouse Children's Home Rustenburg's Mandela Day outreach a memorable success. Pictured are headmaster Chantell Ansley (left) with members of the nursery school.

United in the spirit of giving at Lighthouse Children's Home Rustenburg are (from left) Luan Snyders, deputy leader of the DA in North West; Jane du Preez, Lighthouse secretary; Elsa Doubell, Lighthouse founder and centre manager; and community volunteer Martha Lerm.

One Lighthouse, Thousands of Hearts

Platinum Weekly newspaper | Rustenburg – In the spirit of Nelson Mandela's belief that "what counts in life is the difference we make to the lives of others," the Rustenburg community proved that compassion is still alive and well. On Saturday, 18 July 2026, hundreds of volunteers, businesses, schools, churches and community members joined forces at Lighthouse Children's Home Rustenburg to make Mandela Day a celebration of hope, generosity and unity.

The annual outreach transformed the children's home into a hive of activity as donations poured in throughout the day. Mountains of clothing, food, baby essentials, toiletries, household goods and countless other necessities filled the venue, while volunteers worked tirelessly to prepare and serve 2,500 freshly cooked meals to members of the community.

For Lighthouse, the day was about far more than giving food – it was about teaching the next generation the importance of generosity. Founder and centre manager Elsa Doubell explained that while it would be impossible to

quantify every donation received from the many organisations, schools and individuals who participated, the overwhelming support once again demonstrated the incredible generosity of the Rustenburg community. "We fed 2,500 cooked meals and also provided soup. We do this project because we want to give back to the community. At Lighthouse we are blessed, and we want to teach our children that we can only truly receive once we learn to give," said Elsa.

Founded by Elsa in December 2019 as a safe haven for just 11 children, Lighthouse Children's Home Rustenburg has grown into a place of safety, healing and hope for 76 children – including 12 babies – ranging in age from three months to 18 years. Every child in the home's care has been placed there through Social Services or the South African Police Service (SAPS), ensuring they receive the protection, stability and loving care they deserve while building a brighter future.

Reflecting on the significance of Mandela Day, community member Martha Lerm, who has lived in East End for 14 years and has been actively involved in community initiatives for more than a decade, said: "Madiba stood for freedom, humanity and selflessness, which we lack these days. We should look out for one another, and that is exactly what Lighthouse did when they fed 2,500 people on Mandela Day. I can only pray that it grows bigger and better every year and that they will be blessed in the awesome work they do, not only for East End but for the City of Rustenburg."

Also visiting the event was Luan Snyders, deputy leader of the DA in North West, who described the experience as both inspiring and humbling. "It was striking to see so many people from all walks of life gathering to receive food parcels. It reinforced how deeply unemployment and financial hardship continue to affect our communities," said Luan. He praised Lighthouse for extending its care beyond the children in its home and thanked the sponsors, volunteers and donors whose combined efforts made the event possible.

As the final meals were served and the last donations packed away, one message stood out above all others: it truly takes a village.

Those who would like to support the ongoing work of Lighthouse Children's Home Rustenburg or find out more about its initiatives can contact Elsa Doubell on 083 493 5911.

HAVE YOUR SAY

Do you think you should pay to use the sun's energy?

More South Africans are installing solar to reduce rising electricity costs. While sunlight is free, some municipalities charge fixed network or service fees for grid-connected solar systems. Do you think this is fair, or should homeowners pay nothing for using the sun's energy?

"No. The sun belongs to everyone. We already pay enough for electricity, water and other essentials. With fuel prices expected to rise again, families simply cannot afford another charge."

Vasti Botha, Rustenburg

"Yes. Sunlight is free, but the electricity grid isn't. Fixed fees help maintain the network, pay staff and ensure reliable backup power when solar systems cannot supply enough electricity."

Khumo Dithare, Rustenburg
